- 2) Children who have an elder sibling in attendance at the academy who will still be attending at the proposed admission date
- 3) Staff children

Curriculum

The Weston Road Academy is committed to providing for all of its pupils a broad, balanced and personalised education. The emphasis, in all years, is upon providing pupils with a varied diet of studies across a wide range of subjects. Personalisation is achieved through high quality teaching. Further, corrective literacy and numeracy schemes and 1 to 1 tuition are used to support the literacy and numeracy of those pupils who need this. Small-group English and Maths intervention takes place in years 10 and 11, again for those in need.

In Year 9, pupils are given the opportunity to choose some of their courses to study, in order to pursue particular interests or strengths. At this “Options stage”, pupils are guided along a particular pathway according to their own individual strengths and weaknesses, but can ultimately make their own choices. This allows pupils to follow a curriculum which is balanced, stimulating and of interest to them.

Social, Moral, Spiritual and Cultural Education, Citizenship, Literacy, Numeracy, Economic Awareness, Health Education, Internationalism and Careers are delivered across the Curriculum, often in Personal, Social and Ethical Education.

In the Sixth Form we work in collaboration with four other schools in Stafford. This allows pupils to choose from a wide variety of academic and vocational courses.
