**Full time Permanent Position**

Do you have the passion and determination to change young people's lives?  
Are you able to inspire and enthuse students to learn?  
Do you believe in all students achieving their potential?  
Are you passionate about teaching and leading Computer Science in an innovative and forward thinking school?

We are looking to appoint an inspirational and dynamic Teacher of Computer Science to join our rapidly developing department.

Bishop David Brown School is on an exciting journey to outstanding and is looking for dynamic, inspirational teachers to inspire our young people. You must be passionate about learning, creative in the classroom and believe that all students can achieve. Due to the school increasing in students on roll we are looking to appoint a Computer Science Teacher.

You must be able to demonstrate high quality teaching, a passion for your subject, strong subject knowledge. The school is well resourced and has excellent facilities to enable you to bring the best out in our children.

We are proud of the school's cultural and ethnic diversity and the vibrant community that this has created. Links with our local community are vital and the school works closely with parents/carers, other schools and local organisations to achieve this.

The students and staff are committed to transforming our school into one which is exceptional. At Bishop David Brown School we want all students to be challenged in order to achieve academic success. We aim to give students opportunities and experiences to learn beyond the classroom and we strive to ensure all our students feel happy and safe.

This has been reflected in our most recent 2019 Ofsted inspection which resulted in a 'Good' result.

Bishop David Brown is part of the Unity Schools Trust which is a Multi-Academy Trust formed in September 2015 by the partnership of The Magna Carta School and Bishop David Brown School.

The stated objective of Unity Schools Trust is to achieve Excellence through collaboration. The Trust aims to instil a love of learning by the full engagement of all of its community- students and staff- in the process of acquiring and applying knowledge and engendering the positive habits which support future development.
