About Oasis Academy Enfield

Oasis Academy Enfield opened in September 2007 as a new academy. Initially a group of portacabins and a pioneering spirit, the Academy moved into its £30 million purpose-built accommodation two years later on Innova Business Park, 10 minutes walk from Enfield Lock Station.

The Academy has enjoyed considerable success in its 11 year history. In 2018, Ofsted confirmed that we continue to be a good academy.

Academy leaders and staff share high expectations for all students

Students behave well, and treat each other and staff with respect

Safeguarding is a strength of the Academy, and staff are proactive at supporting the children to stay safe both in school and out

Students feel safe and happy in school. Parents support this view and are happy with the progress their children are making

We provide students with high quality teaching, which not only enables them to make to the best possible progress and achieve the highest grades, but also equips them with the skills, behaviour and character, which will help them be successful and make a positive contribution to their community.

The Sixth Form works in partnership with Oasis Academy Hadley, just under two miles away. The joint Sixth Form offer enables us to offer a wide range of courses and the highest standard of teaching and enrichment activities. Students travel by minibus between the two academies. We want all our students to gain the qualifications that enable them to move onto college, work, apprenticeships or university. Around 95% of our sixth form students progress to university with two thirds going to Russell Group and other leading universities following a wide range of courses from English, History to engineering, psychology and law.

We are committed to providing staff with high quality professional development. Masterclasses run by experienced colleagues focusing on academy priorities are available to all teachers. We hold middle and senior leadership courses run by Institute of Education at UCL open to all staff who want to develop their skills in their current role or look towards the next step in their career.

The induction of new staff is important. We have a tailored programme for staff in training, which is tailored to meet their needs. All new staff have an experienced mentor who will meet with them and support them as they settle into the Academy. In addition, NQTs are also have an Induction Tutor who is responsible for supporting them in successfully completing their Induction year.

The Academy mainly serves the ethnically and economically diverse local communities of Enfield Lock and Enfield Island Village. A number of students travel from Ponders End, Edmonton and further afield to the Academy. The intake is mixed, some students live in the private housing close to the academy and others come from some of the most deprived housing areas in the country. High numbers of students are eligible for pupil premium. There is a high proportion of students with English as an additional language (54%) with over 60 languages spoken. Turkish, Black Caribbean, Black African and White British are our biggest ethnic groups. Despite the challenges many of our students face in their day-to-day lives, our students are ambitious and work hard, seeing education as the key to a successful future.

Oasis was established in 1985 and has grown into a group of charities working to deliver housing, training, youth work, health care, family support and primary, secondary and higher education. In the UK Oasis employs over 4000 staff as well as working with over 1000 volunteers. Oasis work in ten other countries around Europe, Africa, Asia and North America. Our academy is twinned with projects in Uganda and Kyrgyzstan.

About Drama

Drama plays a key role throughout the academy's curriculum at KS3, KS4 and KS5, and in the extra-curricular opportunities that we believe to be vital in developing and broadening our students' experiences. Our provision includes two large purpose designed drama studios, one fitted with outstanding sound and lighting equipment. Our main hall and agora also have excellent sound and lighting equipment allowing for flexibility in performance opportunities.

In Year 7, 8 and 9 students have two hours of drama lessons per fortnight. At KS4 and 5 drama is a popular subject. GCSE groups run at KS4 and we offer A2 in Drama and Theatre Studies jointly with Oasis Academy Hadley. We follow the Edexcel syllabus and therefore students follow units of work including exploration of drama and theatre exploring the play texts. Students study text in performance where they develop skills to perform monologues and duologues exploring a range of plays. The students also get the opportunity to work as a theatre company and perform a professional script directed by their teacher.

Drama has a proud tradition of participation in extra-curricular activities. During the course of the year students may take part in the following activities: Whole Academy productions, Key Stage 3 Drama Club, Senior Drama Company, National Theatre initiatives and International Youth Arts Festival. Students of all ages represent the Academy in these activities. It is an intention that as many students as possible will have the opportunity to participate in these exciting performance events. This year, the drama and music departments are leading a joint academy production of 'The School of Rock'.

The post is based at Oasis Academy Enfield, but the successful candidate would have the opportunity to work with the two drama teachers at our sister academy Oasis Academy Hadley, some 10 minutes drive away as well as with the other drama teacher at Enfield. The music departments already work in partnership and we are looking to extend this approach to drama.

We are committed to providing staff with high quality professional development. Masterclasses run by experienced colleagues focusing on academy priorities are available to all teachers. We hold middle and senior leadership courses run by Institute of Education at UCL open to all staff who want to develop their skills in their current role or look towards the next step in their career.

This is an excellent opportunity for an experienced teacher looking to take on a leadership role and make a difference to the lives of young people. You will lead a friendly and supportive team, which strives to ensure that all students enjoy their learning and surpass expectations of achievement.
