

The Matthew Arnold School

Part of the Bourne Education Trust

Information

... on Facilities

The Matthew Arnold School is extremely fortunate in its facilities. It is set in extensive and attractive grounds, where the opportunities for a variety of sports are obvious.

- We have numerous rugby and soccer pitches, floodlit 3G and 4G pitches and hard standing courts. We are extremely proud of our state of the art sports hall, dance studio, weights room and fitness centre.
- We have a purpose-built drama studio with blackout, lighting and recording facilities and we hold regular performances here and in the school hall.
- The school hall has a performance stage, sound and lighting and Blu-Ray quality projection. As well as encouraging music and drama productions, this provides an authentic setting for debates, courtroom situations and lectures.
