CLASS TEACHER

We are warm, happy Church of England schools that work together in partnership. We have an enthusiastic and dedicated staff, well-behaved children and a very supportive leadership team across both schools. We are situated close to the City of London and Canary Wharf in the vibrant, thriving communities of Wapping and Limehouse.

We are seeking to appoint a dynamic and innovative class teacher. The successful candidate will have the vision, passion and determination to make a positive impact on pupil well-being and progress.

This position would suit either an experienced teacher looking to develop their career further or an ECT seeking their first post. In either case we would welcome the opportunity to support your Continuing Professional Development through our effective support programme that includes coaching.

The school is committed to safeguarding and promoting the welfare of children, as well as promoting equality and diversity for all. We expect all staff to share this commitment. The successful candidate will require an enhanced DBS clearance.

We would welcome and encourage potential candidates to visit our school. Please telephone or email to arrange this or to be sent an application pack.
