General Information pack for applicants

**International Teachers
required for 2019–2020**

Dear Applicant,

Thank you for showing interest in a teaching position at Malvern College Hong Kong.

As the founding Headmaster of Malvern College Hong Kong I am incredibly proud to be associated with this exciting project. Currently in our first year of opening, our aim is to provide Hong Kong with a first-rate educational institution which combines very high academic standards with a genuine and passionate concern for educating the whole child. The values and ethos that underpin a Malvern education reflect this joint concern; to ensure not only that each young person's academic potential is fulfilled, but also that, through an active and wide ranging co-curricular programme, each young person will have had ample opportunity to develop themselves personally. With this in mind, our aim is to transfer much of a boarding ethos, with an active House and tutor system, into a day school environment. A Malvern education prepares a young adult for life beyond school – so that they not only feel happy and fulfilled but are also able to cope with all the pressures and demands of living in a rapidly changing world.

If you would like to involve yourself in this challenging but immensely fulfilling project and really enjoy throwing yourself into the life of a school that passionately cares for each of its pupils, we would love to hear from you.

I hope having seen the accompanying information you decide to take the application forward, but if you need any further information before committing yourself to an application please do not hesitate to contact our HR department (hr@malverncollege.org.hk) or indeed myself. We will do our best to answer any questions you might have.

Best wishes

Dr Robin A. Lister
Founding Headmaster
Malvern College Hong Kong

Malvern College Hong Kong

Malvern College Hong Kong (MCHK) opened its doors to its first pupils in August 2018. This co-educational day school will cater largely for international pupils, reflecting the truly multi-cultural nature of this vibrant city. MCHK opened with 400 pupils in Prep 1 – Foundation Year 3 (Years 1–9) and will grow year on year to reach a capacity of 960 pupils in Years 1–13. In 2019–20 we anticipate having around 650 pupils in Years 1–10.

MCHK is located near the Science Park in the New Territories, with easy access by both road and rail from all areas around Hong Kong. With the added attraction of proximity to the Chinese University of Hong Kong as well as the Hong Kong Institute of Education, the area provides an excellent cultural and academic environment for teaching and learning.

Malvern College Hong Kong is an International Baccalaureate (IB) candidate school and seeking authorisation to deliver a full IB curriculum, covering the Primary Years, Middle Years and Diploma Programmes. The curricular programmes in MCHK draw on the educational heritage and practices of Malvern College, UK, whilst being adapted to fit the context of MCHK. Daily Chinese is taken by all pupils.

MCHK works closely with Malvern College in the UK where the Malvern College International team is based. Sharing the ethos of our mother school, we will create a nurturing learning environment and place equal emphasis on stretching pupils' potential and building character, with support from the strong pastoral system structured around the vertical House system. In short, the educational experience for pupils at MCHK extends far beyond the structured curricular timetable. A full range of co-curricular activities including sports and the Arts is provided on a daily basis and our programme of trips and expeditions will develop as the school grows.

The purpose-built campus offers a superb environment for learning and teaching. Spread over 7 floors, well-equipped classrooms and science laboratories are complemented by an indoor sports hall and 6-lane 25m swimming pool, an auditorium, a dance and drama studio, music rooms, seminar rooms and exhibition spaces. A 3-storey high library in the central atrium forms a vibrant hub of learning and independent study at the heart of the school, and a Skypitch with AstroTurf tops off the building.

The school is led by the Founding Headmaster, Dr Robin Lister, who took up post in September 2017. Robin Lister has moved from Malvern College, UK, where he had been head of Philosophy and Religious Studies, Housemaster and most recently, Senior Deputy Head. The Headmaster is supported by a senior team incorporating, in the opening year, the Deputy Head, the PYP Co-ordinator (acting Head of Primary) and MYP Co-ordinator (acting Head of Secondary).

Malvern College Pre-School Hong Kong opened in September 2017 and many of the children are expected to progress onto the College.

Living in Hong Kong

Renowned as a vibrant, multi-cultural hub, Hong Kong has plenty to offer people of all interests and backgrounds. From the lively streets packed with shopping and restaurants and the popular tourist spots, to more peaceful trails in sub-tropical landscape, boat trips and beaches, there is no shortage of activities to keep you entertained. Hong Kong is a convenient base from which to explore the culturally rich countries of South East Asia and further afield for long weekends or holidays, with relatively cheap flights. There is a strong expat community in Hong Kong including an extensive international teacher network, with many teachers ending up staying for extended periods, or even settling.

Transportation

The highly efficient public transport system including the Mass Transit Railways (MTR), bus and ferry network makes travelling around Hong Kong incredibly easy. The

transportation in Hong Kong is very clean, tidy and efficient. With such an efficient transportation network, it is easy to reach various locations throughout the Hong Kong area in relatively short periods of time – and at a very reasonable cost.

Accommodation

Accommodation is at a premium in Hong Kong and apartments are generally fairly compact, but expatriates have little difficulty living anywhere in this metropolitan city.

Whilst the housing allowance from the school makes a good contribution towards costs, it is worth noting that the neighbourhoods in the vicinity of MTR Stations are often at the higher end of the market.

Weather

The four seasons of Hong Kong are certainly an attraction to expatriates. It is warm and humid in Spring, fairly hot in Summer when there is a good amount of sunshine and it is breezy, dry and warm in Autumn. In Winter it is cooler and, on rare occasions, can even be (relatively) cold!

Taxation

There is no sales tax or value-added tax in Hong Kong. Income tax is at progressive rates of chargeable income from 2% to a maximum of 17%; or at a standard rate of 15%.

Other Costs of Living

Food, grocery and entertainment in Hong Kong are reasonably priced with a great variety of international brands. Utilities including water, electricity, gas and internet can amount to roughly HK\$500 to HK\$1000 per month depending on the size of the household.
