Dear Candidate,

Thank you for your interest in the post of Teacher of Computing at Haberdashers' Aske's Hatcham College (HAHC). At the Haberdashers' Aske's Federation, we believe that our status as a growing Multi Academy Trust affords us the opportunity to think differently and innovatively.

The core purpose of this Teacher of Computing post is to contribute to the continuing development of Haberdashers' Aske's Hatcham College. Our three key priorities are to develop Quality First Teaching, Behaviour for Learning and Progress & Achievement. This role will entail a teaching timetable and the ability to lead and motivate students.

This post is extremely important to the subject outcomes of Haberdashers' Aske's Hatcham College and its continuing success. Teachers are the driving force behind subject development and hence, impact widely on the academic outcomes of the College.

We are looking for an innovative and forward–looking individual who can inspire students and contribute fully to a very active and hardworking team.

If you feel that this position is of interest and you have the right experience, skills and are ready for fresh challenges, with the ambition to make a real impact then we would like to hear from you. For an application pack and full job description, please visit our website https://www.habsfed.org.uk/ or https://www.tes.com/jobs/. NQTs welcome.

Yours sincerely

Ms S. Solani
Principal
