

December 2025

Dear Candidate

I very much hope you decide to apply for this pivotal role within our Trust. Worcester Sixth Form College is a wonderful place to work with a proud past and an exciting future. It is also part of our Heart of Mercia Trust and you would be working closely with me and the rest of the Executive team towards both College and Trust goals.

I want you to have a flavour of the Trust, so I am enclosing some information about us and what we want for our young people and staff.

I look forward to meeting you and working with the successful candidate on these projects in the future and should you wish to speak to me in advance, please feel free to contact me via peter.cooper@heartofmerciamultiacademytrust.org.uk or 01432 678988.

Good luck and I hope to see you soon.

Peter Cooper
CEO Heart of Mercia Academy Trust
