Aiming Higher – Promoting Harmony – Achieving Excellence

Letter from Andy Stainton, Headteacher

Dear Colleague,

Thank you for your interest in joining our community as Head of Mathematics.

We are looking for an enthusiastic and innovative leader of Mathematics, with strong interpersonal skills and a commitment to achieving high standards within a thriving department. The successful candidate will have a strong academic background and be an excellent classroom practitioner who is capable of inspiring and motivating students and who can confidently teach Mathematics at A level and GCSE. An ability to teach Further Mathematics at A level would be an advantage but is not essential. We would be particularly interested in meeting a candidate who is keen to upskill in this area. The successful applicant will have ultimate oversight of the Department, and lead the three postholders with responsibility for Key Stages 3,4 and 5 Maths.

All students study Mathematics at GCSE. We currently have over 200 students studying Mathematics or Further Mathematics at A level, in 12 sets. A number of students apply to Oxbridge each year to study Mathematics or related subjects. The Mathematics team comprises 13 specialist teachers, and the Department is housed both in a new purpose-built block, and in the centre of the main building. The Department is outward-facing, with a history of collaboration with other schools, Mathematics Hubs, universities and events such as the Olympiad and Maths Challenge. In addition, staff have run Robotics Clubs, Chess Clubs and other enrichment activities. We would expect you to encourage all the enrichment experiences that we offer to the students.

We are committed to supporting staff wellbeing in a variety of ways. The good working relationships within the staff body, and between staff and students is why many colleagues have chosen to stay with us for the long term. Our staff wellbeing offer includes an employee assistance programme, discounted gym membership and various activities to promote physical and mental wellbeing. We are also strong in supporting staff career development and colleagues are successful in securing promotions at all levels. We support colleagues in pursuing NPQs and offer a secondment programme onto the Senior Leadership Team for middle leaders.

Although we achieve excellent results year on year and are heavily over-subscribed, we are not complacent. We know there is always more to do, and we work together to continuously reflect upon our successes and areas for development. We are keen to hear the voices of all our stakeholders.

Mill Hill County is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status, or pregnancy and maternity.

Admission into Year 7 is offered to children of staff with two or more years' service.

If you feel that Mill Hill County High School is the right environment for the next step of your career, we would be delighted to receive your application. If you would like to visit us before applying, we would be happy to see you. Please contact Amanda Leonard, the Head's PA, to make an appointment.

Kind regards,

Andy Stainton

JOB DESCRIPTION

TITLE OF POST: Head of Mathematics

RESPONSIBLE TO: Deputy Headteacher

DUTIES & RESPONSIBILITIES in addition to the Teachers' Standards:

TEACHING & LEARNING

- develop policies for the subject which reflect the School's commitment to high achievement, effective teaching and learning;
- establish, with the involvement of relevant staff, short, medium and long term plans for the development of the subject;
- monitor the progress made in achieving subject plans and targets, evaluate the effects of teaching and learning, and use this to guide further improvement;
- by establishing provision of structured schemes of work, ensure curriculum coverage, continuity and progression in the subject for all pupils;
- provide guidance on the choice of appropriate teaching and learning methods to meet the needs of the subject, and of different pupils;
- establish, and implement, clear policies and practices for assessing, recording and reporting on pupils' achievement, and for using this information to recognise achievement and to assist pupils in setting targets for further improvement;
- evaluate progress and achievement in the subject by all pupils;
- systematically monitor the quality of teaching through observation of lessons and adherence to the School's monitoring systems, and take action to improve further the quality of teaching through professional debate based on good practice;

MANAGEMENT OF PEOPLE

- establish clear expectations and constructive working relationships among staff involved with the subject through team working and mutual support; devolving responsibilities and delegating tasks, as appropriate; evaluating practice; and developing an acceptance of accountability;
- audit training needs of staff;
- lead professional development of subject staff through example, coaching and support, and co-ordinate the provision of high quality professional development, drawing in other sources of expertise as necessary;
- ensure high quality training, monitoring and support is provided during the induction of new staff and for trainee teachers;
- assist colleagues to achieve expertise in their subject teaching and to meet targets;
- work with the SENCO and any other staff with special educational needs expertise to ensure that individual education plans are used to set subject-specific targets and match work to pupils' needs.
- ensure you operate as a role model through meeting deadlines and modelling best practice

MANAGEMENT OF RESOURCES

- establish resource needs for the subject and advise senior management/line management of likely priorities for expenditure;
- manage available resources to meet the objectives of school and subject plans;
- provide guidance to departmental staff on implementation of whole school policies relating to the teaching environment and health and safety.
