

Information for Candidates

Teacher of Design & Technology

Cowes Enterprise College - An Ormiston Academy

About the role

The role offers an exciting opportunity and challenge for a high calibre, versatile and enthusiastic Design and Technology teacher to join a strong and successful faculty. Applications from both experienced and newly qualified teachers would be warmly welcomed.

NQTs can join us for three weeks' paid induction in July and summer holiday pay. Teachers at early career stages may also be able to benefit from reduced rent in our Cowes house. Relocation and recruitment possibilities can also be discussed at interview for the right candidate.

We are able to offer an excellent package of support and benefits for the right candidates:

- A £5,000 recruitment payment on successful completion of 1 year's performance development for the right candidate.
- a talented and experienced team
- students who are a pleasure to teach
- a strong culture of professional development in this aspiring Teaching School
- superb, state-of-the-art facilities
- an Ofsted 'Good' school with high standards and high expectations
- collaborative opportunities from Ormiston Academies Trust

Teacher of Design & Technology

Full or part time

Key Purpose: Teaching staff are expected to make a significant and sustained contribution to the core purpose of the academy – ensuring all students achieve their full potential; taking a leading role in promoting the highest standards of teaching and learning through a rich curriculum and within a vibrant, high challenge, low threat, fully inclusive learning environment.

Reporting to: Director/Deputy Director of Learning
SLT Link for faculty/subject

Salary: Teachers Pay Scale as appropriate

Applicants must have the ability to offer two out of four of the KS4 specialisms; Design Technology, Health and Social Care, Food and Child Development.

The full job description giving all the details of this role, including a person specification, is available from our website; www.cowesec.org.

Purpose of the role; You are required to carry out the duties of a school teacher as set out in the relevant paragraphs of the current Teachers Standards' document.

This includes:

- Teaching across all specialisms at KS3: Food, Graphics, Resistant Materials and Textiles.
- Contributing to the development of departmental schemes of learning.
- Plan engaging lessons which enthuse students in your subject, using a variety of teaching methods.
- Setting and marking homework, in line with academy/departmental policy.
- Integrating the development of key skills (numeracy, literacy and ICT) into teaching.
- Monitoring and assessing students, in line with academy/departmental policy.
- The pastoral care and academic and social progress of an allocated tutor group.
- Actively promoting the academy's high expectations and equal opportunities policy.
- Contributing to the academy meeting cycle.
- Maintaining a safe and attractive teaching and learning environment.
- Maintain an up-to-date knowledge and understanding of the professional duties of teachers and the statutory framework within which they work, and contribute to the development, implementation and evaluation of the policies and practice of their workplace, including those designed to promote equality of opportunity.

You will benefit from:

- A forward thinking senior leadership team who value all teaching
- Being part of the Ormiston Academies Trust family
- Our excellent CPD programme
- Our state-of-the-art facilities

We are a values-led organisation, and it is our aim that we continually challenge ourselves to adhere to the spirit of our values:

- * Anyone can excel
- * Enjoy the challenge
- * Share what is best
- * Be inclusive

About the Academy

Rachel Kitley, Principal

I am delighted to introduce you to Cowes Enterprise College. I would also encourage you to browse our website and/or to visit us to see our state-of-the-art facilities and find out more about us. Cowes Enterprise College is a non-denominational, non-selective school, welcoming girls and boys from all backgrounds from the Isle of Wight community.

Our Academy currently has over 1000 students on roll. In October 2017 we received a Good Ofsted rating across all categories and with a plan to become a Teaching School in place, we are now set to go from strength to strength. This

year we celebrated our strongest ever results, now well above the national average, with 50% Grade 5+ in English and Maths; we are ambitious for our students and expect our results to continue to rise year on year. Cowes Enterprise College is located just a few minutes walk from the red jet fast service passenger ferry terminal, meaning that we are located within easy commuting distance of the mainland.

We are fortunate to have exceptional cutting edge facilities in our purpose built and highly inspirational building. Subject areas have suites of rooms each based around a large 'inspiration space' for break out work. The building has been designed to enable some flexibility in the arrangement of rooms and many can be joined together to create larger teaching spaces. There is generous provision of specialist spaces; art rooms, computer suites, music and media rooms, a dance/fitness studio, specialist technology workshops, science labs and two science prep rooms. There is also a catering kitchen classroom and two full-sized sports halls.

The academy sits in spacious grounds with a mixture of grass sports pitches, surfaced sports areas and landscaped grounds. We are currently in the final stages of building a full sized flood-lit 3G football pitch to enhance our sporting facilities and to provide pupils with access to high quality sport experiences. All teachers have a school laptop and students benefit from exceptional IT facilities.

The safety and wellbeing of students are of paramount importance for us at the Academy and our pastoral system is designed to ensure each individual child has both the support and guidance that they need throughout their learning time with us. We actively encourage students to develop the key skills of teamwork, communication and respect in all that they do. We strive every day to create an education that sees the young people of Cowes and the community beyond get the very best, not just in an academic sense but also in developing the skill set, confidence, attitudes and aspirations that will provide the catalyst for sustained success throughout their lives.

About Cowes

Cowes sits at the northernmost point of this popular tourist island. It is widely regarded as the world's premier yachting centre and hosts the oldest yacht club in the world – the prestigious Royal Yacht Squadron. Cowes hosts both a passenger and car ferry terminal and the Academy is in easy commuting distance from the mainland, with the passenger ferry fast catamaran service taking just 25 minutes.

Cowes has a great deal of character, with a winding pedestrianised high street lined with a mix of yacht chandlers and clothing providers, national retailers, independent traders and quirky gift shops.

The town also has a strong industrial heritage and as such has a good supply of very affordable housing with prices approximately two thirds those of similar properties elsewhere in the south of England and a fraction of the price that would be paid near London.

About the Island

Residing approximately three miles from the South Coast of mainland Britain, the Isle of Wight is a uniquely beautiful community. Recognised as the host of some of the most iconic activities in the European summer event catalogue, the Island, as it is known to residents, offers a wealth of opportunities for people of all ages, to live and work where 'quality of life' really means something. With a low crime rate, accessible housing costs and excellent transport links it is a truly unique place to live. Karl Marx hit the nail on the head when he called the Island 'a little paradise'.

The Isle of Wight measures 23 miles by 13 miles and is littered with picturesque villages and bustling small towns. Cowes itself, hosts a series of major yachting events throughout the rest of the year along with the yachting world's premier sailing event in August – Cowes Week which attracts over 8000 competitors from around the world as well as 100,000 spectators and one of the best firework displays on the closing evening. If sailing is for you then this is the place to be. There are numerous sailing clubs giving lessons and marinas to moor the yacht of your dreams.

The Isle of Wight also boasts 500 miles of footpaths, 30 miles of coastline and award winning beaches so there are no excuses for not getting out and about to get fit and see some stunning scenery! There are also numerous golf courses including the 9 hole course at historic Osborne House and the spectacular course overlooking Freshwater Bay. As well as all of these activities, the Island has a very artistic leaning. In addition to the internationally famous Isle of Wight Music Festival, we have a flourishing amateur and professional acting scene, art galleries, theatres, comedy clubs and arts centres and play host to the Ventnor Fringe as well as the Literary Festival which attracts authors from around the world.

How to apply
