Dear Colleague,

Thank you for your interest in our school and the post of Pupil Support Teacher.

### Seven Kings School

Seven Kings School is a successful all through school in the London Borough of Redbridge, with a strong local and national reputation. We are a mixed, multi-ethnic community school providing high quality education to local children of all abilities. All staff contribute to our vision in creating an all through school which is a model of exceptional practice for all of our community and beyond. There are approximately 2230 students on roll, 500 of these in our dynamic Sixth Form which brings together outstanding learners from across East London (50% of our Sixth Form) to join our own students and is an exciting place to study. The school is always oversubscribed and enjoys strong support from parents and governors. We are a 'harmonious school' with an excellent learning environment.

Outcomes are consistently high in all phases and were once again excellent in 2023, placing us as one of the best state schools in the country. We are the most oversubscribed state school in the country. We were recently reaccredited World Class School status and are one of the Mayor of London's Schools for Success.

In our last OFSTED inspection in September 2018 we were judged to be outstanding, it reports on the 'unwavering focus...leaders leaving no stone unturned.... exceptional teaching.... of awe and wonder'. It is a joyous read; this is a school where students want to learn and relationships are excellent. We are proud to run a successful provision which integrates students with physical disabilities into mainstream education.

Seven Kings is a vibrant and fulfilling place to work with excellent opportunities for personal and professional development. We are proud of our induction and support programmes for all teaching staff and our high quality continuing professional development opportunities. Staff retention rates are high. The Seven Kings Learning Partnership is a thriving partnership of 24 schools providing exciting opportunities for staff development which is at the heart of our continuing success. We support schools in raising standards and we are committed to educational innovation. The school is regularly involved in local and national initiatives, all of which offer opportunities to our staff to enhance their professional development and develop their career at whatever stage.
