Letter from the Headteacher

Dear Applicant

Thank you for your interest in Exmouth Community College. We have an exciting opportunity for a committed and enthusiastic colleague to join our community of highly motivated staff, enthusiastic students, supportive parents and knowledgeable Governing Board. Having only recently arrived at ECC myself (having been a Headteacher at another large Secondary near Bristol for five years) I have been blown away by the warmth of the welcome that I've had here and I can assure you of the same.

You will be joining the College at a really exciting time, just as we come to the end of a major upgrade of our site and facilities. This includes the 'showpiece' £13 million Elizabeth Lee building, a new Maths block, a new student canteen, other significant refurbishment and the creation of a vast green open area for our students. This will allow us to provide an exciting and very broad educational experience for the next generation of ECC students in inspiring, state of the art facilities.

We are also in the process of joining the Education South West (ESW) Multi-Academy Trust. The College has been working collaboratively with ESW over the last couple of years and we're really excited about formalising our partnership with them to continue to improve the experience that we provide for our students and the professional opportunities that this will bring for our staff.

We have a broad view of education. We have a real focus on the quality of our curriculum and in ensuring that our students leave ECC with the very best outcomes that they can from a wide range of subjects. But much more than this, we want to prepare our students for all the opportunities and challenges that life will throw at them. Exposing them to a wide range of experiences and opportunities beyond the classroom will prepare them for the world of work and build the character they need to lead happy, successful and fulfilled lives.

We put the development of staff at the centre of our philosophy, including a unique Assistant Headteacher role with responsibility for our staff and their development. We take it really seriously, and very much subscribe to Richard Branson's mantra to develop our staff well enough so they can leave but treat them well enough so they don't want to.

There is a really strong sense of community at ECC. Through us all working together as staff, families and governors, and pulling together as one community, we will continue the great work to build a College that caters brilliantly for its community and prepares our young people for their future.

So if you are looking for a school that is focussed on ensuring consistently great learning experiences for our young people, both in and out of the classroom, investing in your well-being and professional development, and where your passion and ideas will be welcomed enthusiastically, we would love to hear from you.

I hope that you find the information in this pack to be both interesting and informative. I would also urge you to explore our website to get a deeper understanding of why we are so proud of this dynamic College: www.exmouthcollege.devon.sch.uk

I recognise that much time and thought goes into preparing an application which I thank you for in advance and we, in turn, will give your application serious consideration.

If you require any further information regarding the post or the application process, please do not hesitate to contact us.

With warm wishes

The College

Exmouth Community College is one of the largest secondary schools in the country and is set in a leafy split-site location, connected by a dedicated footbridge. Our catchment area extends northwards towards Exeter city boundary and eastwards to include Budleigh Salterton and many attractive rural villages.

We have excellent contacts with our 14 feeder primary schools, which form the Exmouth Academic Council and range from within Exmouth town to the villages of Budleigh Salterton, East Budleigh, Lymptone, Otterton, Woodbury and Woodbury Salterton. The College embraces working as part of the community and has strong local partnerships.

The College's mission is to provide a positive, enjoyable and structured approach to learning, where success is rewarded and students' individual aptitudes are given the chance to develop. We are an inclusive College and we pride ourselves on catering for all abilities. We offer a safe, secure, non-threatening environment in which students develop consideration for others, self-discipline and positive relationships. We aim to provide a thorough education which prepares students for their future.

As an Academy, we have more flexibility in the way we manage the College. The Exmouth Community College Trust is overseen by the Governing Board who are committed to delivering the best comprehensive education for the young people of Exmouth and the surrounding villages.

Our Vision

"You are always looking for ways to move the school forward."

Ofsted, 2021

Our vision is to create a College for the whole of our community that emphasises the importance of progress and innovation alongside more traditional values such as integrity, honesty and respect. For everyone we will provide the skills, knowledge and awareness to enable all to play an active and positive role in their families, workplace and global community. We will do this through excellent teaching delivered by reflective and skilled practitioners, a broad and differentiated curriculum model and opportunities beyond the classroom.

The ECC Way

Our College culture centres around The ECC Way. Being ready to do the right thing, making good choices and ensuring we are ready to learn. *Be Prepared, Be Kind, Be Engaged* and *Be Respectful* are the bedrock of The ECC Way and the heartbeat of our College. Through consistency of language, all students and staff know and speak of The ECC Way day in and day out.

Be Ready to Learn

Curriculum

We believe that young people should be provided with an education that enables all to "Learn, Progress and Grow".

Our curriculum is broad and challenging; designed to stretch students of all abilities and develop powerful knowledge to enable our young people to become active citizens in their community and beyond. Due to the size of our College, there are exciting opportunities within the curriculum. This is reflected in the breadth of our offer both at GCSE and Post-16 which includes subjects from Engineering to Criminology. In addition, we are able to differentiate within subjects such as PE and Business Studies to allow students to follow different examination routes tailored to each individual student. We also offer Latin from Year 7 all the way through to GCSE and into A Level. In addition, we offer the opportunity for some students with additional literacy needs to follow a more nurturing pathway to support them to access the wider curriculum.

"Pupils say the school wants the best for them. The school helps them to develop their interests and talents. Many pupils take part in school productions, dance performances and sporting activities. Pupils say the school provides a wide range of courses that match their interests."

Ofsted, 2020

Our curriculum leads to good outcomes for students and high rates of progress into Post-16 and ultimately apprenticeships, employment and university, with students regularly gaining places at top universities including Oxbridge.

"Pupils follow a broad curriculum. Pupils and parents appreciate the breadth of choice the school offers at GCSE and in the sixth form"

Ofsted, 2020

The College also provides opportunities beyond the classroom in sport, the arts, dance, foreign visits from Spain to New York and Vietnam, Ten Tors and Duke of Edinburgh award to a gold standard.

The College has a strong pastoral system organised on a Key Stage basis and excellent contacts with partner primary schools. This provision is supported by our 'ReinteGREAT' centre which provides support for students struggling with

SEMH issues to maintain their academic progress. There is a large SEND team consisting of a SENDCo and three deputy SENDCos. We also provide support for students through Study Centres and further Pupil Premium Support Workers.

Accommodation and Facilities

The College covers nineteen hectares in total and the buildings range in ages, from the 1930's through to our two most recent completed in 2023. Our new building on the Green Close site is over 5,000m² and spread over three floors. The building includes a Theatre, a Library Resource Centre, Technology and Humanities classrooms, Drama and PE Spaces, Science Laboratories, ICT Suites, reception and various other spaces. The new building on the Gipsy Lane site is an extension to the existing Maths Block, built in 2017, creating a further eight classrooms, a Café area and informal study spaces.

The site also has two large Astro Pitches, one of which was re-surfaced during the summer of 2022. The College hires out many of its facilities to the local community.

Our vision for the estate is very clear, we want to provide a safe, secure, and stimulating teaching & learning environment whilst considering the impact on the environment. We have more work to complete, however, the delivery of our vision is well on its way.

Workforce

We have approximately 300 staff split equally between teachers and non-teaching staff. A range of casual staff and volunteers also add to the College's workforce. The Senior Leadership Team consists of the Headteacher, two Deputy Headteachers, six Assistant Headteachers and a Director of Finance and Resources.

Our aim is to have the best trained staff in the South West and to this end we have invested in the National College of School Leadership resources to provide online access to training for support and teaching staff. We have recently supported staff through National Professional Qualifications and welcomed nationally recognised external speakers such as Daniel Sobel, Tom Sherrington and John Tomsett to the College. We have moved away from stand-alone performance observations towards a non-hierarchical peer to peer coaching model based around incremental and continuous improvement. All teaching staff have been trained and are engaged in this process across the College.

"The new behaviour management policy responds positively to pupils' better behaviour. The school is calm and orderly as a result."

Ofsted, 2020

Staff Health, Wellbeing and Development

Within our Academy Improvement Plan we have two key aims:

1. Healthy Culture
2. Improving progress to achieve more

Culture is all about making sure the climate at the College is based around mutual respect, transparency, openness, intelligent accountability and integrity. We recognise that working in the College, as a member of teaching or support staff can be very rewarding but is also tough at times.

To help us develop a great culture, we have an Assistant Headteacher (Staff) who focusses on key issues for staff, such as communication and quality professional development as well as making sure staff are well looked after by organising events such as a hog roast, individualised "Thank you" cards from a local artist, scheme to support staff's physical wellbeing such as free access to our fitness suite and the option to use the Cycle to Work scheme. We regularly gain views from staff about issues and take action wherever we can to improve working conditions, including thinking carefully about the meeting cycle, position of Progress Evenings and quality departmental development time.

Governing Board

There are approximately seventeen Governors, including the Headteacher, on the Board with a wide range of experience in the fields of education, commerce and public life. The Board constantly seek to improve and enhance the College for the young people of Exmouth, both now and in the future. They are an active group, committed to comprehensive education and aiming to act as a "critical friend" in the true meaning of the phrase; there to provide support when needed, active in determining strategic direction, challenging where appropriate and sensible enough to know when to stand back and leave the College to manage the day to day without interference.

The Area

Exmouth is a town of over 35,000 inhabitants situated at the mouth of the River Exe. As with so much of the South West, employment in Exmouth is largely in the service sector and the College is by far the largest employer in the town. Employers also include primary schools, Exmouth Hospital and a thriving retail and tourist trade.

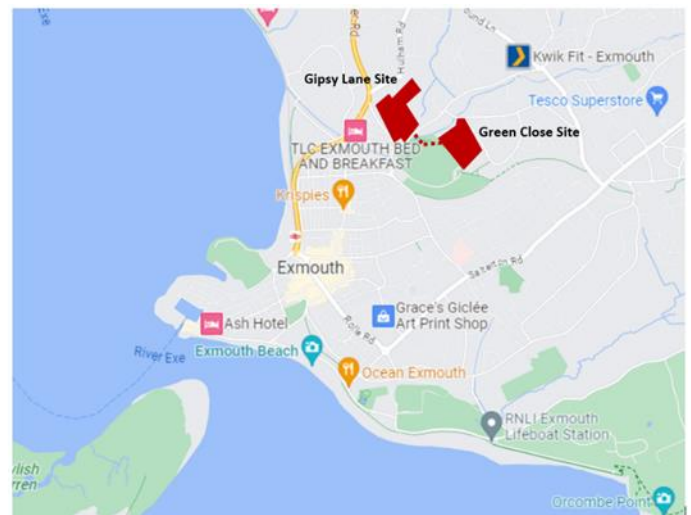

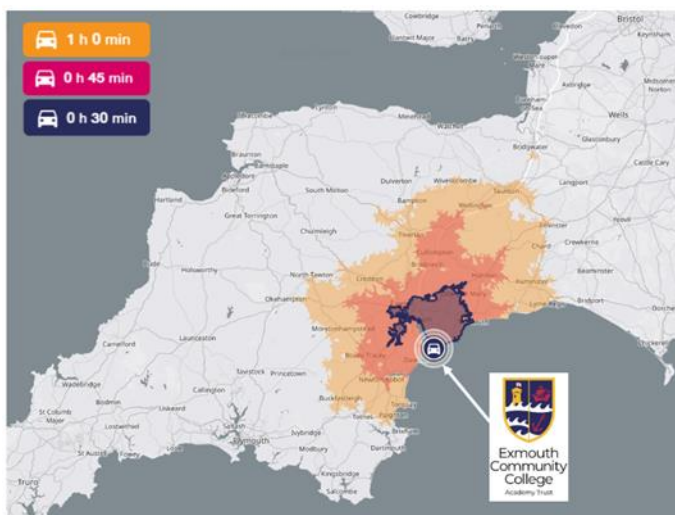

Exmouth is a very pleasant place to live. It is situated at the start of the Jurassic Coastline, which has been officially ranked alongside the Great Barrier Reef and the Grand Canyon as one of the natural wonders of the world. East Devon is an area of outstanding natural beauty.

The town has a marina and the two mile beach front offers a variety of water sports. Exmouth also has other excellent sporting facilities including a large Sports Centre with two heated pools, indoor tennis centre, fitness suites, squash and badminton courts. Exmouth hosts a weekly Park Run and Junior Park Run. The town has a wide range of hotels and restaurants and a number of pubs as well as shopping facilities.

On the outskirts of Exmouth is Woodbury Common. It is a huge and beautiful moorland, ideal for walking, riding, mountain biking and picnics. The common is also the home of Woodbury Golf and Country Club offering two golf courses, one to championship standard.

Exeter, the County Town of Devon, is just ten miles from Exmouth, a short drive or train journey away, and offers a wealth of shopping, sporting, cultural and historic attractions. Recognised as one of the most desirable cities in which to live, Exeter offers a thriving arts community, reflecting the presence of a major university. An array of independent stores plus all of the major shopping chains are represented in the city: the Princesshay shopping area has won awards for design. The city offers a wide variety of night life including top restaurants, night clubs, cabaret, three cinemas and theatres. The highly successful Exeter Chiefs and Exeter City Football Club call the city home and attract huge crowds to their home games.

Introduction to the English Department

Staffing

Welcome to the English Department, a large and supportive department comprising 22 members of staff. The majority of our staff are full-time, but some are also post-holders in other areas of the College.

Accommodation and Resources

Although Exmouth Community College is a large school, English are based predominantly on the Green Close site so you feel part of a much smaller community. The teaching of A-Level English takes place on the Gipsy Lane site and this is a short walk across the bridge. Facilities are good, with each English room being equipped with computer, DVD drive and projector. There are two computer rooms in the English block and access to additional computer facilities can be arranged through the College booking system. Most full time members of staff have a consistent teaching room, although this is not always possible all of the time.

As a department we work collaboratively to share planning and the creation of resources. The resources are ever-evolving and staff are welcome to add and update documents to unit folders on an ongoing basis.

Curriculum

It is an exciting time in terms of the college's curriculum development; the team have collaborated to re-structure our curriculum with a focus on imparting the key knowledge our students need to progress, as well as embedding recall activities and vocabulary-focused lessons. This knowledge, in our Key Stage 3 curriculum, is mostly taught through texts, of which there is a large and varied selection. We believe that promoting reading for pleasure is key and, as such, subscribe to Accelerated Reader; students are expected to read for 20 minutes a day and we monitor this closely, rewarding great engagement and intervening as needed.

At GCSE, we follow Eduqas Language and Literature. At A Level we also run A-Level Literature and an A-Level Language course using Eduqas.

Our intent for our curriculum crosses all three key stages:

- To ensure students are equipped with the knowledge they need to achieve their potential
- To encourage independent critical and creative thought
- To instil a love of reading for life.

Results

At Post 16 attainment is consistently above national average and Value Added has traditionally one of the highest in the college. In terms of the GCSE, whilst attainment is sound, we are committed to improving our rates of **progress** between KS2 and 4, especially for disadvantaged and SEND students. We are therefore looking for someone who can engage and inspire all pupils to help us achieve this vision in 2024 and beyond.

Extra Curricular

We have a creative and enthusiastic department and this can be seen in the teachers' commitment to providing enrichment opportunities for students outside of the classroom. We have published students' creative writing by facilitating their entry into competitions. We work closely with the library to host visits from authors such as Malorie Blackman and Carol Ann Duffy. We also take part in national initiatives such as the Carnegie Medal process and have worked closely with the Budleigh Writers' group. We would be interested in a candidate who feels they could contribute to resuming and expanding these opportunities, as we have some many talented writers on the student body.

We welcome applications from vibrant and forward-thinking teachers, who actively seek new ways to inspire their learners. If you feel that you have the subject knowledge, energy and professionalism to work within the department, please do get in touch.
