

Teaching Assistant

Part Time (Term Time)

Mount House is a small school offering a highly nurturing environment in Barnet, North London. With a maximum of sixty students in each year group, it gives every student a chance to participate and shine in a whole range of academic and co-curricular areas.

Mount House has the academic focus you would expect, we encourage students to work hard, to ask for help and to be kind in all their interactions with others. We place great emphasis on the 'all-round' education of our students, and the creative arts, music and sport all play an important part role in school life. Pastoral care is truly exceptional at Mount House, and central in delivering that care are tutors working with small groups of students, enhanced by a supportive and enjoyably competitive House system in which all students participate.

Mount House School is currently looking to appoint a Teaching Assistant to work in the Sports department working part time (0.8FTE), for a fixed period of 12 months ending 31 August 2026 (the contract includes paid holiday). The successful candidate would ideally have an interest and enjoyment of sport and the willingness to coach.

The role will enable the appointed candidate to take part in all aspects of school life and in particular the co-curricular programme and sport. The work will be varied, and that variety would, to some extent, be determined by the personality, enthusiasm and skills of the individual appointed.

The salary for this role will be £19,649 per annum (Pro-rata).

Working hours will be 8.15 am to 4.15 pm Monday-Friday during term time, as well as staff inset. Additionally, staff work on 2 Saturday mornings: Open Day and Entrance Assessment Day (exact dates will be confirmed at the interview)

This part-time position is available from 1 September 2025, subject to the successful candidate's availability and the appointment is specifically for the fixed purpose of providing support to a student for whom Local Authority funding is received.

The post offers an opportunity to gain extensive and worthwhile working experience in a small independent school. The position will offer a comprehensive experience developing skills in a supportive and collegiate environment.
