Dear Potential Applicant,

Thank you for your interest in the MFL Teacher position in our school. Please read this letter and the other information carefully prior to submitting an application. Additional information can be found on the school website.

In making this appointment I am seeking to strengthen an already outstanding school to increase our capacity for continued improvement. This post reflects our ambition to maximise the progress, academic success and personal development of all the students and staff in our community. We are seeking a candidate with excellent teaching and team working skills to join our forward looking, reflective staff and to assist us in our quest to maximise the outcomes and opportunities for all the students in our school.

It is essential that you are a talented and engaging classroom practitioner who is committed to your ongoing professional development and who will have individual credibility with staff, students, parents and our wider community.

We seek a candidate who is totally committed to securing the best outcomes for all students in the school and who will 'go the extra mile' to do this. This quest for excellence must however, also be combined with our unwavering commitment to care and support, therefore anyone seeking appointment to this role must demonstrate warmth, humour, resilience and above all emotional intelligence in order to uphold the values of our school. Generosity of spirit and generosity with time to support activities beyond the school day are key requirements.

Fulford is a wonderful school with fabulous students and staff and outstanding support and care. It is a great place to work and offers excellent support for your professional development.

This post offers a fantastic opportunity to join us in our quest for continued improvement. We very much hope you will apply for the post and look forward to receiving your application.

Yours faithfully,

Lorna Savage
Headteacher
