Letter from Principal

Dear Applicant

Thank you for your interest in applying for the vacant position with the All Saints family.

This is a perfect time to join our college; we are a “Good” school as identified by Ofsted (June 2017) and “Outstanding” in terms of our recent S48 inspection by the Diocese of Leeds (June 2018).

We are a cohesive community, outward-facing and we are keen to continue to develop and deepen our relationship with our families, our partner primaries as well as, of course, our local parishes.

All Saints is a popular school and in 2019/20 will be full in Year groups 7-9. This over-subscription should continue in coming years until all year groups have met their PAN.

Our students come from diverse backgrounds from both Kirklees and Calderdale. We have very high expectations of all of them, both in terms of behaviour and academic performance. The school’s values and ethos are firmly underpinned by our strong Catholic faith which informs all we do.

We are looking to recruit ambitious individuals to work with the SLT and staff body to continue to raise standards and help our students fulfil their potential to the maximum. We seek someone with a high degree of visibility, commitment and energy who will serve the whole college community academically, pastorally and spiritually.

The successful applicant will have the support, guidance and counsel of the Principal, Governors and staff, who have demonstrated their strong commitment to the school over many years.

I would very much encourage you to visit the College and find out more about us. If you think you have the right qualities, experience and knowledge to help to lead All Saints to the next level of success, then please apply. I very much look forward to receiving your application.

Yours sincerely

Ms K Colligan

Our School

All Saints Catholic College is a successful 11 – 16 voluntary aided comprehensive school with around 782 students. The College is located in the town of Huddersfield, close to the Pennines, midway between Leeds and Manchester. Students come from nine feeder Catholic primary schools and also from non-Catholic feeder schools across a wide geographical area. The College admission criteria are based on Catholic/Christian Faith and/or on students' attendance at feeder schools. A higher than average number of our students stay in education and training beyond age 16.

All Saints has a climate of high expectations where students make good progress in a diverse learning community and was judged to be a good school at the most recent inspection by Ofsted in June 2017. Ofsted reported that the school continues to be "Good" as a result of the targeted action we have taken, our willingness to learn from other providers and our shared vision for the school community. It was also judged "Outstanding" in the Section 48 Inspection in May 2018. Since then, leaders and Governors have had a keen focus upon the key areas identified for development, and these have now been addressed. RE results have continued to improve and are above national average. Standards in English and Mathematics remain strong. Students know how to improve their skills and learn independently.

The College mission is to include all students and ensure that they progress with qualifications and aspirations to lead a successful life whilst developing talents to serve others. College improvement has consistently focussed on improving outcomes for disadvantaged students. This resulted in the achievement of a DfE Pupil Premium Regional Award in February 2015. Teachers and support staff raise aspirations and encourage students to continue their education and training post 16. The NEET figure is consistently below national average. Students benefit from being part of the Pennine School Sports Partnership and compete at regional level in basketball and athletics. There are opportunities to study academic subjects including the English Baccalaureate as well as GCSEs in creative arts, PE, ICT and Technology.

The 2018 cohort entered school with prior attainment of -0.9 points which is Sig-, and provisional data shows that they achieved the national average range in KS4 outcomes with Progress 8 at -0.18 . Since 2012 and the introduction of the Behaviour for Learning Policy and the Steps to Success tracking system, students have made good progress. This is evidenced by cohorts entering with levels of attainment that are below average and leaving with levels which are at least average and better than average in some subjects. Predictions have become more and more accurate over the last three years through a robust system of regular assessment and standardisation. SISRA analytics is utilised as a managerial aid in the monitoring of progress. In 2017, validated data showed levels of progress were above average in most subjects. Value-added was positive in EBACC subjects. RE progress was above average. In 2018, many subjects achieved above FFT 50 estimates and some achieved above FFT 20 estimates (RE, Science, History, Textiles and Photography).

The Senior Leadership Team of All Saints is well-established and comprises seven senior leaders as well as the Business Manager. The roles of the team are well defined and linked into the School Improvement Plan (SIP). Senior leaders meet weekly on Wednesdays and the Principal's PA also attends those meetings.

In September 2017 the College moved into a new building and sports centre. It has purpose-built facilities for all faculties including technology suites, a dance studio, a sports hall and innovative information technology services.

This school continues to be "Good" – Ofsted 2017 and judged "Outstanding" by Diocesan Inspection 2018.

Working in Leeds Diocese

Dear Applicant

Thank you for taking the time to find out more about the role at All Saints Catholic College, Huddersfield, in the Diocese of Leeds.

All Saints is a lead school within the partnership of Catholic schools in Kirklees. In that respect, the Governors are looking for someone who has the vision to work with the school and support its partners through the opportunities and challenges over the next few years. The existing partnership is ambitious to see all schools achieve well, be judged good or better and become examples of best practice in serving the needs of their families and communities. The successful candidate is assured of a warm welcome from colleagues and will have every assistance in getting to know the local community of schools as well as the immediate school and parish community.

The Diocese of Leeds covers a wide geographic area encompassing eight local authorities mainly in West and North Yorkshire well served by a network of rail and motorway links. We have 80 primary schools, 13 high schools, a sixth-form college in Leeds and a residential non-maintained school for the deaf. Our smallest school is 20 students whilst the largest is 2,300 students serving both rural and urban areas. There are good partnerships between schools across the Diocese as well as within local deaneries and further networks with local authority schools. Also within the Diocesan educational provision is our Catholic University of Leeds Trinity that is also the higher education partner to the teaching school alliance. The primary Principals from across the Diocese meet regularly and organise retreats both local and to Rome. The Bradford partnership offers another opportunity for joint working with similar events bringing the leadership of the schools together.

The Diocese offers a comprehensive programme of continuing professional development every academic year which is available on the website and open free of charge to all schools giving to the Diocesan school contribution scheme. In future years it is hoped that the teaching schools in the Diocese will also take a role in delivering the programme.

I hope that you will take this opportunity to apply for this exciting vacancy at All Saints Catholic College

Kind regards

Angela Cox
