The Application Process

Message from the Headmaster

Dear Applicant,

Thank you for considering a position at RMS for Girls. I very much hope that reading this information pack will encourage you to make a formal application. Of course, before doing so you will wish to gather as much information as possible about the school and I'm sure that you will explore our website and perhaps even read our latest inspection report.

But that will all only provide you with part of the picture. It is often only when you arrive at a school that you get that gut feeling that tells you that it "just feels right". I joined RMS three years ago and from the moment I walked through the door, I knew that it was the school for me.

RMS is spectacularly beautiful and, when you first arrive here, it is hard not to be seduced by the impressive architecture and our glorious grounds. We are all incredibly proud of our stunning surroundings and the sense of history that pervades the school. It would be correct to say that we are steeped in tradition and never more so than when Drill takes place in the Michaelmas Term each year. But it is equally true to say there is nothing stuffy or old fashioned about RMS. We are a modern, forward thinking school, working to help our girls to prepare for the challenges of a world that is evolving at a pace that none of us could have envisaged just a few years ago.

As I walk around the school, I am constantly struck by our pupils' verve and zest for life. They are incredibly proud to be RMS girls and their energy not only drives what we do but is also highly infectious. A quick look at our Twitter feeds will show you that there is no such thing as an average day at RMS. The breadth and depth of opportunity available to the girls is extraordinary and, over the time that they are with us, it is a joy to watch their confidence grow as they fully embrace the many experiences the school offers. But, just as importantly, they are kind, thoughtful and compassionate young women. And they work hard with a commitment to self-improvement. New academic staff always comment on how much they are enjoying their time in the classroom and the joy of marking RMS homework. Yes, this last statement is genuinely true! RMS pupils wish to succeed and do well, and helping them is wonderfully rewarding.

Message from the Headmaster

And, there is no shortage of innovation here. RMS Edge, our inspirational Sixth Form programme, is a perfect example of what we do best in providing pupils with a rounded sixth form experience that prepares them for the twenty-first century and that also ensures they are stretching their academic potential to the maximum.

Like all schools, RMS is constantly evolving. In any organisation, a change at the top often brings change further down the food chain and we are no exception. I do not doubt that our current staff will tell you that there has been a not insignificant degree of change over the last three years and there is still much to do. You would be joining the school at an exciting time and we want all the team to get involved in helping to shape and deliver our vision going forward.

Many of our staff live on site, we have fifty residential properties spread around the grounds, and RMS has a strong family ethos. There are young staff who have come here as NQTs as well as many experienced teachers who have a wealth of wisdom and experience which they are happy to share. For those who want the bright lights, thirty minutes on the tube will get you to Central London, and for those who don't, a walk around our 315 acres of parkland on a summer evening is hard to beat. We are a friendly bunch and you would be made to feel very welcome very quickly whether you live on site or not.

Finally, in a highly competitive market, RMS is thriving. In 2019, ten girls attained straight 9s in seven or more GCSEs, we have a wonderful new £1.8m Performing Arts Centre and we are excited about the prospects for the next few years as we work together to move the school forwards

I do hope that you will decide to make an application to join us on that journey and to come in to see the school for yourself so that we will have the chance to meet in person.

Very best wishes,

Kevin Carson, Head of RMS

The School

RMS has an exceptional, unusual and distinguished history. One of the oldest girls' schools in the country, the School was founded by Chevalier Ruspini in 1788 with the purpose of educating the daughters of Freemasons who were unable to support their families through death, illness or disability. The School started with fifteen pupils and a matron in Somers Place in East London and moved twice within London until it finally settled in the magnificent grounds of Rickmansworth Park in 1934. The School became an open fee paying school in 1978 and accepts girls from all backgrounds and faiths. The majority of families associated with the School have no links with Freemasonry, with our name now largely being a reference to our past.

RMS is a day and boarding school, attracting day girls from across Hertfordshire, Buckinghamshire, Middlesex and North London, and boarders from all over the world. It is located within easy reach of Central London (30 minutes by train/underground), and is just under a mile from Junction 18 of the M25 motorway.

The School comprises Ruspini House Pre School for boys and girls aged 2 to 4, Cadogan House Pre Prep and Prep Department for girls aged 4 to 11, the Senior School, and Hind House Sixth Form Centre. The School currently has around 1,000 pupils, of whom 58 are in the Pre School, 225 are in the Pre Prep/Prep Department, 520 in the Senior School and 188 in the fully comprehensive Sixth Form. Entry is by examination/interview at 4+, 11+, 13+ and 16+, with a few girls joining us at other times if places are available.

Our public examination results are consistently impressive, and around 99% of girls leave RMS to take up places at university, 90% at their institution of first choice.

Our Pupils

Life at RMS is centred around much more than just academic success, and the School is well known for its exceptional pastoral care, the wealth of extra-curricular opportunities it offers, and its commitment to a values-based education. We encourage our pupils to become happy and aspirational learners from their early years in Ruspini House all the way through the School to the Sixth Form in Hind House.

RMS strives to enable each and every pupil, regardless of background, to develop to the full their academic, personal and creative potential. We offer a nurturing, inclusive and supportive environment where each child is esteemed as an individual, capable of success. Education here is founded on core moral values that encourage pupils to be compassionate and tolerant; to do their personal best; to grow in integrity and responsibility and so ultimately to approach adulthood with inter-personal skills that reflect both empathy and self-confidence. As Lizzie Abbott, a former Head Girl, put it, "RMS incorporates values such as responsibility into our everyday activities and as such prepares us in all aspects for the future".

The Independent Schools Inspectorate visited in September 2017 and assessed the school as being "excellent" in all areas for the Educational Quality Inspection; this is the highest judgement that a school can be awarded. "Pupils' attitudes to learning are excellent; they take control of their learning, relish challenge, and develop confidence, self-belief and a love of learning."

The report also states that the school "successfully meets its aim to produce young women who have great self-belief, are self-aware and take the values of the school with them so that they are well placed to be outstanding citizens of the 21st century."

Cadogan House

Pre Prep and Prep Department

Welcome to Cadogan House! We are a thriving, busy Prep School. Our part of the school has 225 girls organised into two form entry from Reception to Year 6.

We are a very forward thinking department. We are looking for teachers with a real passion for using Assessment for Learning to enhance individual progress across the curriculum. We are an ICT rich school with approximately 100 iPads connected to our wireless network on a daily basis.

We believe in giving each girl a rigorous foundation in English and Mathematics. We are very focussed on ensuring the girls have a great foundation for learning which they use in the context of an exciting and stimulating curriculum. Teachers are given great freedom within a skills-based curriculum. We see no contradiction between excellence and enjoyment.

We welcome teachers from the maintained or independent sector. You will find an incredibly supportive community of staff and you will be greeted by wonderful pupils who are eager to learn.

We would welcome visits and applications from committed, passionate teachers for our vacancy at Cadogan House.

Staff Testimonial

I joined Cadogan House in September 2014 to work in a Reception class. Having had no previous experience of the independent sector I have to admit to being a little apprehensive about applying to work here. The school and grounds are beautiful but quite imposing to an outsider; however, I am so glad I took the plunge because teaching here has been such a brilliant and rewarding experience.

The Cadogan House ethos is both positive and supportive. It would be easy for a school like this to 'rest on its laurels' but it constantly strives to improve the provision given to the girls and there are a wealth of 'value added' opportunities. Staff are encouraged to be part of developing the vision for the school's future and all ideas are valued.

There is strong pastoral care for the girls and for staff which creates a very caring and compassionate atmosphere. I was struck when I initially came to look around the school at how thoughtful and courteous the girls here were and I still am today. The girls are undoubtedly privileged but are very grounded and helped to understand how lucky they are, being thoughtful of others is highly valued.

Staff Testimonial

Class sizes are small and there is a high adult to child ratio with a TA in each class in the Pre Prep stage. This means I am able to tailor individual learning pathways for each child and confidently help every girl reach her potential which obviously makes my job so much more rewarding. In previous schools despite best efforts I was often over- stretched and unsupported which made it difficult to provide all those additional rich experiences which make a child's start to school the special and memorable time it should be.

I cannot recommend working at Cadogan House enough but the school sells itself so come and see!
