Welcome from the CEO

Archway Learning Trust is a vibrant learning community where students are cared for, receive a high quality education and experience every opportunity to be successful.

School years are amongst the most important in our lives, helping us to develop the knowledge, skills and characteristics we need to succeed. At Archway Learning Trust, we are committed to giving every child the very best start that we can. We offer outstanding teaching and learning and exceptional personal support in an inclusive, faith based environment. I became a teacher because I believe in equal opportunities for everyone.

I also believe that every child has the right to an excellent education. Learning is at the heart of any good society and the opportunity to learn from teachers who are committed, enthusiastic and innovative is a right that all children should have.

Our mission is to help children to understand and believe in themselves, respect and care for others and to develop a wide understanding of faith, the world around them and their place within it. The determination of our youngsters to succeed, and the passion of our teachers to make a difference, makes me proud to be Chief Executive Officer of this diverse and dynamic family of academies.

The Nottingham Emmanuel School – Welcome from the Principal

At The Nottingham Emmanuel School, we strive for excellence. We are entirely focused on delivering the highest standards of teaching and insist on the highest standards of conduct amongst our students. As a result, we can be confident of the very best outcomes for our students: excellent examination results which enable them to take their next step in life.

We also believe, that education today is something more than academic success alone. Just as important as children's vital academic development is the development of values and character, on which so much in life really depends. Many parents are looking for a school which develops values of service, compassion, humanity, community, thankfulness, courage, hope and forgiveness. They want their children to grow up to be open-minded, outward-looking and generous spirited – ready to make a difference to the world around them. They want their children to develop in a truly rounded way: academically, physically, socially, culturally, and crucially, morally and spiritually.

What sets The Nottingham Emmanuel School apart is its determination to achieve both: to set the highest academic standards alongside strong, inclusive Christian values and ethos. I am delighted to lead a school which exemplifies such high standards and high ideals, and I look forward to welcoming you here.
