THE SCHOOL

A colourful world.

Welcome to **Ryburn Valley High School**. We're a thriving and vibrant school, in a well-equipped, modern building with a truly stunning setting looking out across the Calderdale hills. Our core purpose is to inspire students with a love of learning, a zest for life and a genuine confidence to excel in a colourful world.

Ryburn is a really special school with a well deserved reputation for providing an education which develops students' character and passions as well as strong academic results. Our students are continually described as showing exemplary behaviour and kindness.

A true comprehensive, Ryburn has over 1500 students from 11-18 with a broad spread of backgrounds and levels of attainment, including ~20% on FSM and a higher than average number of students with SEND. Ryburn is the first choice school for many students who may have considered the local grammar schools, and is closely involved with the local community. Whilst many school sixth forms in the area have closed, Ryburn Sixth continues to offer a high quality 16+ provision with A-levels and vocational courses and a high level of individual support.

We are particularly proud of our student leadership, creative arts and sporting achievements. Our innovative 'iD' curriculum for PSHCE uses literature and experience-based learning to explicitly develop a range of qualities such as empathy and resilience as well as boosting literacy and has earned us the recognition of the Character Kitemark Plus. Whatever their strengths, we give students countless opportunities to shine.

We do all this through our amazing staff, in and outside the classroom, and across the trust. Staff who put passion, care and creativity at our heart, backed up with highly effective teaching strategies, and underpinned with mutual support and collaboration. Schools can be intense places to work and we always aim to put 'staff first', recognising that a focus on staff wellbeing and development benefits everyone.

Join the Ryburn family, where everyone is supported and challenged to excel.

KATH PARKER, EXECUTIVE HEADTEACHER

Ryburn Valley High School provides a strong, vibrant and welcoming community. Pupils swell with pride when they talk about their school. They told inspectors about the opportunities they get to develop their confidence and resilience.
