Are you a highly motivated teacher who is looking to work at a school where you can make a difference to children's lives and develop your career?

We are forward thinking, inclusive and very successful community school with an exciting future ahead. Rhyl is a school where staff and children thrive and are valued within a safe and highly stimulating school environment. Our children are truly exceptional and keen to learn. We have a creative and highly engaging curriculum with many awards for excellence in the arts, music, outdoor learning, sport and an exemplary school teaching garden.

Our teachers say:

Rhyl is a very diverse school. You get to work with a range of children from different walks of life. It's great as it makes teaching more fun and enjoyable

Rhyl is different from other schools I have worked at as its main focus is the children as a whole and ensuring we promote their love for learning. This is great as it gives us the freedom to be as creative as we want to be

Working at Rhyl is great. It's a place that facilitates people's gifts and talents. If you want to set up a project or run a club then as long as you're willing to put in the time you will be followed by an army of supporters

Rhyl is honestly like no other school

It's a school I found it really easy to settle into, as all of the staff here are very friendly and extremely supportive
