October 2019

Dear Applicant

Thank you for your interest in the post of Temporary Teacher of Science at Bemrose. I hope that you find the information useful to you in your decision making. We direct you to www.derby.gov.uk for Derby City information.

The background information about The Bemrose School outlines the key features and current circumstances of the school. What it does not do is give you a flavour of the level of dedication and loyalty our staff and pupils have to bringing about improvements and raising attainment.

We offer you the opportunity to work in a 'Good' school; which is very supportive, has excellent relationships with the local authority and is making a real difference to the educational opportunities of its pupils.

As a school we are well resourced and financially sound. All teachers have laptops and each area has access to Interactive whiteboards and projectors. To facilitate teaching and learning we have an iPad trolley to compliment our ICT provision. We are committed to staff development and have a wide range of in-house training opportunities available to staff to support personal and professional development. This was commended by Ofsted.

We have enclosed a person specification to inform you about who we are looking for. You must be committed to safeguarding and promoting the welfare of children.

If you think you fit this description then we welcome your application. Please complete the Bemrose application form with a letter, outlining what skills you could bring to the role and how you would be a success. The closing date for applications is noon on Monday 11th November 2019.

Yours faithfully

Mr Neil Wilkinson
Executive Headteacher
