

## Special Educational Needs Teacher/Teaching Staff Job Description

The Southover Partnership is an organisation that provides part time or full time support in school for children with special needs. The support takes place during school hours and could take a variety of forms. Children could be supported on a one to one basis, or as part of a small group, either in or out of the classroom. The strategies used will be negotiated between the school and The Southover Partnership and your work will be supported and monitored by The Southover Partnership management team. On a day to day basis, teaching assistants will be supervised by the class teacher or special needs co-ordinator in the school.

We have a commitment to ensuring that every child is given the opportunity to achieve through education and relentless care.

The responsibilities of the teaching assistant in providing support for pupils with SEN are as follows:

### **Working with the pupils**

- clarifying and explaining instructions in a simplified manner
- motivating and encouraging pupils
- helping pupils to develop self-esteem
- ensuring pupil is able to use equipment provided
- helping pupils to concentrate on work
- assisting pupil to complete work to the best of their ability

### **Working with the teachers**

- working closely with a qualified teacher or tutor to devise appropriate tasks for pupils
- contributing to recording of pupil progress as required by the school

### **Working with The Southover Partnership**

- attending training sessions
- writing termly reports
- keeping daily records of work
