Mathematics Teacher

Full-Time

Part-time hours may be available for
the right candidate

Information for prospective
members of staff

Appointment of a Mathematics Teacher for September 2026

St Joseph's College is seeking to appoint an inspirational and forward-thinking teacher from September 2026 to join the Mathematics Department, teaching pupils from Year 7 to 11 (GCSE). A Level teaching is available for the right candidate.

The position is full-time and part-time hours may be available for the right candidate. The flexibility to teach science would be desirable and the school welcomes applications from Early Career Teachers. Early Career Teachers can undertake their accredited ECT years through the Independent Schools Teacher Induction Panel.

The closing date is **9am, Monday 1 June 2026**.

Early application is encouraged as we reserve the right to close the vacancy early, once a suitable candidate is appointed.

Message from the Head, Mrs Laura Stotesbury

Thank you for your interest in St Joseph's College. I am delighted that you are considering our school and I trust that this recruitment pack will provide you with the information you require both about the post and the College.

I believe that this is an exciting time to be joining St Joseph's College. There has been a significant growth in the pupil roll over the last few years and the governors are continually looking to invest in the facilities. There is a real appetite for what we have to offer as both an educational establishment and an employer.

The College seeks to be a school which places an emphasis on providing an all-round education: academic, pastoral, social and spiritual, where pupils develop the attributes of commitment, collaboration, confidence, communication and compassion through the various aspects of school life. The College is a very happy place, and colleagues enjoy teaching here.

I hope that you will want to apply for this post. I recognise that much time and thought goes into preparing an application and we, in turn, will give your application serious consideration.

Mrs Laura Stotesbury
Head

Watch [our video](#) about what it is like working at St Joseph's.

About the Mathematics Department

The successful candidate will work alongside the Head of Department to deliver forward thinking and engaging Mathematics lessons. We create a welcoming, but academically challenging environment where students aspire to the high standards we set in and outside the classroom. St Joseph's mathematicians are encouraged, inspired, supported and challenged in line with the College Mission Statement enabling them to reach their academic potential.

Students follow the Edexcel Mathematics IGCSE (9-1, Specification A), AQA level II Certificate in Further Mathematics, AQA Mathematics A-level and Edexcel Further Mathematics. Results are high and reflect the emphasis on strong curriculum knowledge, challenge and hard work on behalf of students and staff; academically challenging our students is at the heart of what we do. Last year, 94% of entrants in the Sixth Form achieved a B or higher in Mathematics and 64% achieved a 7 or higher in the iGCSE. Both sets of results represent a positive Value Added (when compared with YELLIS & ALIS). Classes are initially taught in mixed ability sets in Year 7. Whilst formal setting occurs in Year 9 and above, we do have the flexibility to split groups in Year 7 and 8 to ensure the best progress is possible for each student.

The Mathematics Department is forward thinking and reflective, always looking to develop their practice. New strategies are discussed at regular team meetings where ideas are honed, refined and further trialled. An example of this is using whiteboards around the edge of each room to aid mathematical conversations, layout of work and student assessment. The successful candidate will help contribute towards this ongoing CPD. The Department is well resourced, making use of a variety of books and resources. Teachers can make use of a shared faculty work room, and each teacher has a dedicated classroom.

As a key STEM subject, members of the department contribute to Café Scientifique. This is the College weekly Year 10 to 13 STEM club where staff, students and external speakers are given a platform to talk on any STEM related topic they desire; these talks run from the Maths of Love and A History of Maths, to How to Survive a Zombie Apocalypse. There are various weekly STEM clubs for all ages that the Maths department contribute to, as well. The department also run inter-house Mathematical competitions as well as entering the UKMT challenges and AMSP team competitions. We also run very well-attended weekly drop-in clinics. The successful candidate will contribute to this growing extra-curricular programme.

The successful candidate needs to be a passionate Mathematician with excellent subject knowledge in order to engender in our pupils a deep interest and enthusiasm for all aspects of the subject. With a growing Sixth Form, the successful candidate will have the opportunity to teach A Level Mathematics and Further Mathematics, subject to experience.

Duties and Responsibilities

To be an effective professional who demonstrates thorough curriculum knowledge, can teach and assess effectively, take responsibility for professional development and has pupils who achieve well. Members of staff are expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

Main Requirements

Three qualities are essential:

1. You must be a first-rate teacher who has a real enthusiasm for both your subject and how it is most effectively taught
2. You must enjoy the pastoral aspects of teaching
3. You must want to contribute to the co-curricular activities of the Department and of the College

In fulfilling the requirements of the post, the teacher should demonstrate essential professional characteristics, and in particular will:

- Inspire trust and confidence in pupils and colleagues
- Build team commitment with colleagues
- Engage and motivate pupils
- Demonstrate analytical thinking to improve the quality of pupils' learning
- Contribute to the College improvement/development planning and promote the learning priorities of the College Development Plan
- Contribute to the development and/or implementation of College policies
- Participate in the professional development process to advance pupil learning and enhance professional practice in line with the College aspirations and priorities
- Uphold the values and mission of St Joseph's College and maintain them both inside and outside the classroom
- Promote the wider aspirations and values of the College

Areas of Responsibility and Key Tasks

Planning, Teaching and Class Management

- Undertake the teaching of designated classes
- Take an active part in curriculum development including the preparation of Schemes of Work
- Plan appropriately to meet the needs of all pupils, through differentiation of tasks
- Correct pupils' school work and homework in a reasonable time and in accordance with College policy
- Prepare and administer test/examinations as appropriate
- Be able to set clear targets, based on prior attainment, for pupils' learning
- Keep appropriate and efficient records, integrating formative and summative assessment into weekly and termly planning
- Maintain good order and discipline amongst all pupils, in accordance with the College policy
- Report to parents on the development, progress and attainment of pupils, in line with the College Policy
- Provide a stimulating classroom environment, where resources can be accessed appropriately by all pupils
- Contribute to meetings relating to teaching and the curriculum, and advise the Head and other colleagues with regard to subject development
- Plan for, organise and direct the work of support staff within the classroom, if applicable

Pastoral Duties

- Be a form tutor to an assigned group of pupils
- Promote the general progress and well-being of individual pupils and of the form tutor group as a whole

- Liaise with the Head of Section to ensure implementation of the College pastoral system
- Register pupils, accompany them to assemblies, encourage their full attendance and their active participation in all aspects of College life
- Contribute to the preparation of full and interim reports and profiling of pupils within the tutor group
- Alert appropriate staff to any problems being experienced by pupils
- Communicate as appropriate with parents of pupils and persons or organisations outside the College concerned with the welfare of the individual pupil after consultation with appropriate staff
- Contribute to PSHEE programme

Other Professional Requirements

- Attend meetings, parents' evenings, open evenings and other functions as appropriate
- Organise and supervise extra-curricular activities, as reasonably requested
- Undertake supervisory duties during the school day
- Meet all deadlines reasonably requested
- Adhere to all policies (including Health and Safety and Child Protection) and raise any concerns to the appropriate person
- Maintain an up-to-date knowledge of good practice in teaching techniques
- Take account of wider curriculum developments
- Undertake professional development to enhance teaching and pupils' learning

Person Specification

Criteria	Essential	Desirable
Education, Qualifications and Experience	<p>Degree</p> <p>Up-to-date knowledge of the curriculum and current educational developments</p> <p>Commitment to continual professional development</p>	<p>A recognised teaching qualification, such as a PGCE</p> <p>Qualified Teacher Status</p>
Skills and Attributes	<p>Excellent subject knowledge</p> <p>Good communication and inter-personal skills</p> <p>Good classroom management skills</p> <p>Empathy with pupils across the age and ability range</p> <p>Ability to employ a range of effective teaching, learning styles and assessment methods</p> <p>Ability to motivate and inspire pupils</p> <p>Capacity to deal sensitively with problems raised by pupils</p> <p>High expectations of pupils</p>	<p>Experience of the role of tutoring for a group of pupils</p> <p>Innovatory approaches to curriculum delivery</p> <p>Ability to generate ideas and drive initiatives</p> <p>Ability to defuse difficult situations using different strategies such as careful listening, sensitive use of humour, praise and recognition</p>
Personal Qualities	<p>Passion for teaching</p> <p>Excellent role model for pupils</p> <p>Enthusiastic and able to enthuse and encourage others</p> <p>Ability to establish good working relationships and work well in a team</p> <p>Flexible, motivated, able to work unsupervised and an ability to deal with unpredictable situations</p>	<p>Forward-thinking approach</p>
Other Requirements	<p>Fully supportive of the College's Catholic tradition</p> <p>Commitment to the ethos of the College</p> <p>Willingness to contribute to extra-curricular activities</p> <p>Commitment to safeguarding and well-being of all pupils</p>	<p>Commitment to the whole life of the College</p> <p>Able to promote the image of the College through an articulate and confident approach</p>

About the College

St Joseph's College is the leading independent day school for boys and girls aged 3 to 18 in Berkshire. It is fully co-educational and consists of the Senior School (ages 11 to 18) and the Prep School (ages 3 to 11). The Senior School and Prep School are located within a single campus.

Awards

The College has won several awards over the last few years including TES Independent School of the Year, Outstanding Progress at the Education Business Awards and Outstanding Leadership Team at the Leadership Awards.

Ethos

St Joseph's is a Catholic school welcoming pupils of every faith or no faith. Pupils are educated in an atmosphere where Christian values and standards are recognised and established. The size of our classes means everyone receives the individual guidance and support they need to achieve their potential. Staff, pupils and parents form strong links, with a focus on both the academic progress and the well-being of each pupil. We encourage all pupils to develop an awareness of their own role in society.

Points of Entry

The main points of entry to the school are at age 3, 11, 13 and 16. Entry into the Senior School is by formal assessment, and around 60% of applicants to the Senior School are from maintained primary schools.

Leavers' Destinations

The majority of Sixth Form leavers go on to their choice of university to study a diverse range of subjects. Examination results are strong and improving year-on-year, however our focus is very much on producing young adults who also have skills for life such as confidence, social skills and a good understanding of the world around them.

Recent Developments

During the past six years the Governors have taken a number of measures to develop the College. In addition to becoming co-educational these include an emphasis on marketing and a substantial investment in facilities, buildings and staff. Consistently rising pupil numbers provide momentum for growth and the confidence to make further investment.

The Future

Looking to the future, St Joseph's will continue its ambitious plans to enhance and develop the College. However, we will ensure that as we grow, our caring ethos remains at the heart of the College. The warm and friendly nature, together with the way pupils display concern and respect for one another, are often commented upon by visitors and parents. We are proud of this and it is one of the most rewarding aspects of working here.

Our Mission and Aims

At St Joseph's, our mission is to encourage, inspire, challenge and support pupils to fulfill their potential in a community founded on Catholic Christian values.

We aim to develop life skills of compassion, commitment, collaboration, confidence and communication in each pupil, throughout each of their years at the school.

The College's ISI inspection took place in November 2025

The recent inspection by the Independent Schools Inspectorate provided a positive evaluation of provision across all areas of school life. The report highlights strong academic outcomes, high-quality pastoral support and a rich co-curricular offer. Inspectors noted that the ethos and values of St Joseph's College are clearly reflected in pupils' daily experiences, fostering an environment built on inclusivity, respect and compassion.

The report recognises the commitment of staff across the College, whose work enables pupils to thrive both within and beyond the classroom. Their dedication supports pupils' personal development, academic progress and engagement with the wider life of the school. The contribution of Governors is also acknowledged, particularly in providing consistent oversight and strategic guidance.

Inspectors noted the positive involvement of parents and pupils, whose views contributed meaningfully to the overall findings. Feedback shared during the inspection reflected strong levels of confidence in the school's direction, culture and support systems.

As part of their process, the inspection team outlined recommended areas for continued improvement. These include developing a comprehensive digital strategy and further enhancing the use of data to inform classroom planning. Both priorities are already incorporated into the College's Vision 2030 strategic plan, ensuring they are actively being progressed.

Overall, the inspection report presents an encouraging and accurate reflection of the work undertaken at St Joseph's College to support every pupil in achieving their best. Consistently high outcomes at GCSE and A level, alongside strong university offer rates, further demonstrate the effectiveness of the school's approach to teaching, learning and holistic development.

ALL AREAS WERE 'MET'

The Independent Schools Inspectorate is appointed by the Department of Education to inspect independent schools in England. The inspectors report on the extent to which the statutory Independent School Standards and other applicable regulatory requirements are met, collectively referred to in this reports as 'the Standards'.

Schools are expected to meet the robust standards in each of the sections listed below:

SECTION 1	SECTION 2	SECTION 3	SECTION 4	SECTION 5
Leadership and Management, and Governance	Quality of Education, Training and Recreation	Pupils' Physical and Mental Health and Emotional Wellbeing	Pupils' Social and Economic Education and Contribution to Society	Safeguarding
ALL STANDARDS 'MET'	ALL STANDARDS 'MET'	ALL STANDARDS 'MET'	ALL STANDARDS 'MET'	ALL STANDARDS 'MET'

St Joseph's ISI inspection in November 2025 found that all standards in all areas were 'met'.

Why St Joseph's?

At St Joseph's we offer:

- A safe and happy environment in which academic and social skills are developed
- Education for boys and girls from age 3 to 18
- A varied curriculum and excellent facilities
- A strong sense of community
- High academic reputation
- Wide range of extra-curricular activities including a strong tradition of music and drama

St Joseph's is staffed by teachers who combine the best in traditional educational values with a sharp awareness of what is appropriate for pupils who need to be prepared for the twenty-first century. Our pupils are encouraged to be confident, questioning, independent learners, whilst at the same time developing a moral and spiritual sense of purpose in their lives and in their studies.

Salary

The College has its own salary scales, with starting salaries dependent on the experience and qualifications of the successful candidates. Salary scales are reviewed annually by the Governors, to ensure they remain competitive. Annual salary is paid by bank transfer on the last working day of each month, in 12 equal monthly instalments.

Non-contractual benefits

School fee reduction

Staff at St Joseph's College (who are not employed on casual contracts) are eligible for a staff discount on basic tuition fees of 50% for full-time staff, pro rata for part-time staff, subject to their child(ren) meeting the entrance requirements.

Childcare vouchers

St Joseph's participates in the government's salary sacrifice childcare voucher scheme or government tax-free childcare scheme.

Pension

The College pays its teachers a total remuneration package which provides teachers with flexibility in determining the level of contributions paid into their pension. This provides staff with the option to increase their take home salary by reducing their total pension contribution (employer and employee) or vice versa.

All teachers are automatically enrolled into the College defined contribution pension scheme – the Aviva Pension Trust for Independent Schools (APTIS).

The pension scheme includes:

- Employer contributions matched to Employee contributions. The limiting factors are simply the individuals' salary and statutory limits. Contributions can be varied annually by staff to meet changing circumstances as required.
- An Employee Assistance Programme provided by Care First.

Further literature on the APTIS scheme, together with examples about how the level of pension contribution can be varied, is available from the Bursar.

Drinks and snacks

Tea, coffee and biscuits are available to all staff at break time, and there is access to hot drinks throughout the day. Snacks and light meals are provided to staff when working later in the evening for school events.

Lunch

A duty meal may be obtained from the Dining Hall.

Laptop

Teaching staff are loaned a school laptop to assist with their teaching and administration, and docking stations are available throughout the school.

Use of a private vehicle

Subject to a journey being approved by the Bursar or Head, staff can use their private vehicle for school journeys during working hours. The insurance will be under the school's insurance and staff can claim for mileage.

Car parking

All staff may park in the school car park, subject to the availability of a space. A valid school parking permit must be displayed clearly on the windscreen of any car parked onsite.

Counselling

Staff have access to a 24 hour telephone counselling helpline. In addition, the lay chaplain or visiting school counsellor may be able to see staff.

Legal advice

Staff have access to a 24 hour legal information telephone helpline, covering issues such as consumer rights, debt, tax and personal injury.

Healthcare helpline

A telephone based healthcare support service is available to all staff at no cost.

Swimming pool

Staff are permitted to use the school swimming pool during designated staff swimming sessions.

CPD and training

Professional development is nurtured and encouraged. The school has a full annual INSET programme and staff have access to the National College Platform. There is strong support for new teaching staff. Early Career Teachers can undertake their accredited ECT years through the Independent Schools Teacher Induction Panel and a number of members of staff have completed teaching qualifications whilst employed at St Joseph's.

Staff Room

There is a professional, friendly and supportive Staff Room, together with departmental workspaces throughout the school.

The above non-contractual benefits are currently available to staff. They are at the discretion of the Governors who reserve the right to withdraw them without notice.

Appointment Procedure

- Applications will only be accepted from candidates completing the College Application Form in full, accompanied by a covering letter.
- The covering letter should illustrate specifically why you think you should be considered for this role, giving clear evidence of how your skills and experience meet the requirements of the role. You should give clear examples, and relate these to the job description and person specification.
- These should be emailed to recruitment@sjcr.org.uk or alternatively sent by post to Mrs Guest, HR & Recruitment Officer, St Joseph's College, Upper Redlands Road, Reading, Berkshire RG1 5JT. Electronic application is encouraged and preferred.
- **Closing Date: 9am, Monday 1 June 2026.** Applications will be reviewed upon receipt and we reserve the right to close the vacancy early, so early application is encouraged.
- All offers of employment are subject to the receipt of two satisfactory references, one of which must be from your current or most recent employer. For shortlisted applicants for teaching posts, references may be taken up prior to interview.
- St Joseph's College employs personnel who are best qualified for the post without discrimination in respect of age, disability, race, gender or native origin.
- The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
- Successful applicants must undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.
- A copy of the College Recruitment, Selection and Disclosures Policy and Procedures can be found on the College website: <https://www.sjcr.org.uk/vacancies/>

Interview Process

- All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.
- During your visit you should expect to attend a number of interviews with different members of staff. We will also assess your suitability to work with children.
- You will also be required to teach a lesson which will be observed. You will be provided with a brief for the lesson beforehand.
- In addition to formal interviews there will also be an opportunity for shortlisted candidates to tour the College and to meet prospective colleagues.
- The College requests that all candidates invited to interview also bring with them:
 - A current driving licence including a photograph, a passport and a birth certificate
 - A utility bill or financial statement issued within the last three months showing the candidate's current name and address
 - Where appropriate any documentation evidencing a change of name
 - Proof of entitlement to work and reside in the UK

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

How to find us

- St Joseph's College is situated in central Reading, near the University and the Royal Berkshire Hospital. It is close to the M4 (Junction 11) and has excellent transport links.
- If travelling by train, the school is approximately 20 minutes' walk from Reading Station, or alternatively there are a number of local buses that stop close by.
- To accurately locate the College entrance at 64 Upper Redlands Road on some GPS satellite navigation systems it may be necessary to use the postcode RG1 5JP.
