# DEPARTMENT INFORMATION

## Health, Social Care and Early Years at Cardinal Newman College

We are a large, vibrant vocational department and are increasingly popular with students who aspire to work with children, young people, adults or the elderly in a range of careers including teaching, social work, nursing, physiotherapy, occupational therapy and many more.

We offer an assortment of courses within the department to meet the needs of our diverse students and the sector. These range from Transition courses at level 2, level 3 BTEC courses equivalent to one, two or three A-Levels, and T-Level courses; providing the opportunity for students to progress in to a specific industry, to Higher Education courses at level 4, 5 and 6.

Our students gain vocational experience in settings relevant to their course, and we are exceptionally proud of the links we have developed with Lancashire Teaching Hospitals, allowing students to undertake work experience on the wards at Preston and Chorley Hospitals, along with many other local settings. The opportunity students have to develop their professional skills and qualities, and put theory in to practice through meaningful work experience is invaluable and an essential element of health, social care and early years practice.

A culture of high expectations exists within our department, across both our staff and students, resulting in a consistently outstanding department. This is evidenced through high quality teaching and learning, and all measures of success; attendance, retention, and achievement of high grades, being significantly above benchmarks. We also have excellent student progression rates onto course related Higher Education, training and employment. We are committed to placing students at the centre of all our endeavours, and we have a proactive student voice strategy and involve students in quality improvement.

We are an extremely hard working, supportive, highly flexible and very positive team. The ethos of the college is embraced through the mutual respect and trust between staff and students. Our students are at the centre of everything we do, we celebrate diversity, and are determined to support all students to achieve their full potential.

We always endeavour to timetable to staff members' strengths. Furthermore, some general information that candidates may find useful is provided below:

- Full time staff are responsible for 4 classes and Curriculum Plus (one to one support sessions for students, small group work, revision sessions etc).
- Where possible, we can timetable flexibly for staff who may need to be on-site later or leave site earlier to accommodate the school run etc.
- For the last few years, we have been able to allow for a week and a half off during October half term and will continue to do so where possible. As well as this, we tend to break up for Summer around early July which is a week earlier than most other colleges.
- We have a fantastic specialised pastoral team who, as part of their role, act as tutors and therefore teaching staff do not undertake the role of form tutors.

# ABOUT NEWMAN

Based in the heart of Preston city centre, Cardinal Newman College is a Catholic Sixth Form College. Our core activity is to provide education for students aged 16-18, offering a range of A Level and BTEC courses, at both level 2 and 3. The College also offers a Foundation Learning course for young people with specific learning needs. In addition to the 16-18 provision, Cardinal Newman also offers a range of University courses, including Foundation Degrees in Teaching and Learning Support and Early Years, as well as an Initial Teacher Training programme. Cardinal Newman College is the post-16 provider of Initial Teacher Training for the Catholic Teaching Alliance, for graduates looking to get into teaching.

The College draws a significant proportion of its full time 16–18 learners from a wide range of schools across Lancashire. Because of its distinctive ethos, its reputation, the levels of achievement, the support the College offers students and its provision of high quality courses, Cardinal Newman College is an attractive option for learners who attend high schools in Preston and the surrounding area as well. Year-on-year applications from these schools have increased significantly.

### **AN OUTSTANDING COLLEGE**

Cardinal Newman is one of the highest performing sixth form colleges nationally for Value Added and the latest Ofsted Inspection in the summer of 2009 graded all areas of the College as 'outstanding'. The report confirmed that there is a culture of high expectations and rigorous quality improvement in all areas. Standards, expectations and processes have continued to improve since then. Students achieve well above their (high) target grades and make a positive contribution to the College and its wider community. Student attendance and behaviour are exemplary, illustrating that the Catholic mission and ethos of the College is lived out at all levels.

Every year, the vast majority of the College's students, progress to Higher Education with over 30% of those taking up places at Russell Group Universities.

### **OUR COMMUNITY**

Links with the local and Catholic partner high schools are very strong. The Principal meets regularly with Head Teachers to discuss and share a wide range of curriculum, pastoral and strategic issues. Relationships with College trustees, and with the Diocese of Lancaster are maintained through the foundation governors.

The College has outstanding links with both the local and wider community. Learners and staff fully contribute to this, for example students at the College are continually seeking to engage in volunteer work within the community. Voluntary work is carried out in the local community by the CAFOD Group; Foundation Learning students; Health and Social Care students; the Medical Society and Chaplaincy. The curriculum departments also contribute widely to the links with local community groups, charities and local primary schools.

As a Catholic Sixth Form College we strive to be a centre of educational excellence for the community built on faith, respect and trust. We celebrate diversity amongst all our students and staff and seek to nurture the gifts of each individual through high quality teaching and learning and dedicated pastoral care.

Students study in a purposeful and diverse environment with a strong focus on respect in which every learner genuinely does matter. The team of specialist RE teachers live out the college's commitment to 'valuing the spiritual journey of each individual and offering opportunities for each to engage appropriately in their spiritual search'.

## COLLEGE FACILITIES

At Cardinal Newman College, we are blessed with wonderful surroundings for our students to work, learn and relax in. The College contains Lark Hill House, which was built in 1797 as a private house for Samuel Horrocks, a cotton manufacturer and later Mayor and Member of Parliament for Preston. In 1919 it became Lark Hill Convent Grammar school, which began taking sixth form students in 1967 from other local Catholic Secondary Schools. It finally became Cardinal Newman College in 1978, when it merged with Winckley Square Convent School and Preston Catholic College, taking its name from Cardinal John Henry Newman.

Over the past few years the College has embarked on an extensive redevelopment programme with huge investment in state-of-the-art facilities, which perfectly combine the old with the new.

In 2009 we saw the addition of the St Cecilia Building and the St Augustine's Building in 2010, which was renovated and refurbished to house classrooms, drama/dance studios, as well as the original sports facilities. 2015 saw the addition of yet another new building in the form of St Francis, which is home to new classrooms for Sociology and Maths, as well as Open Learning Centres, Seminar rooms and a Mango Bean Coffee shop. A further addition to the College's already outstanding facilities, in the form of a brand new state-of-the-art gym in the St Augustine building, opened in October 2016. This was accompanied by a complete refurbishment of the social space and café area of the St Augustine's building. This site also added a new modular building within its grounds, where RE lessons are now delivered from the eight classrooms it has provided.
