Dear Applicant

Re: Bonus Pastor Catholic College - Principal vacancy

Start date - September 2018 or January 2019 by agreement

Firstly, thank you for your interest in this vacancy, a role that is pivotal to the continued success of our college. The successful applicant will lead to build further on our Outstanding (Ofsted 2017) credentials and ethos, for all our students, staff and community partners. Our ambition is to go further, aim higher.

Bonus Pastor Catholic College is a modern and visionary college with very high expectations for everyone. We create a positive environment for learning and teaching, where everyone is valued and respected. We develop our students' strengths, nurture their talents, and celebrate their achievements so that they develop both academically and socially. For many years, we have ensured that all our students have secured good post 16 provision, and we maintain very high daily attendance. We see these as true measures of success, in cohesion with outcomes and progress, as we prepare all our students for the future.

Our Catholic faith is fundamental to our work where our students can develop and grow in their faith, have the freedom to explore and the courage to ask questions on what it is to be a Christian and the role of religion in making sense of their lives. As the Principal of this college, you will need to be a practising Catholic whose faith is at the centre of Christian education.

During our Ofsted inspection in September last year, we achieved Outstanding in all categories. The full report is on the College website, however I would like to quote from it's summary, as this will be at the heart of our recruitment assessment:

Strong, well established and sustainable leadership at all levels ensures that high standards are maintained throughout the school. Leaders nurture the encouragement and belief that each pupil can achieve their goals. Leaders thoroughly and accurately monitor school performance, swift to identify shortfalls in performance, and put in place the right strategies for rapid improvements.

We ensure that our college life is rich and varied, and students are encouraged to take part in extra- curricular activities. Our staffing community are entwined in this too, and through that, we get to know our students well. Our leaders 'walk the school', take their turn in bus stop duty, and are regularly seen at sporting and other events supporting and cheering our students on.
