Believe, Achieve, Succeed

Are you looking for a new challenge? Do you want to be part of an OFSTED 'Good' academy on its way to becoming world-class? We want you to join our exciting journey - your future starts here.

Set within a £28 million state-of-the-art facility, Parkwood Academy provides a 'vibrant climate for learning and a positive ethos', where students thrive and has received national recognition for being in the top 5% of schools for outstanding pupil progress as well as recently being named 'The Best School in Sheffield' (The Star, 2016).

We want every child to achieve and unlock their full potential and we have worked hard to build a culture of aspiration and ambition. As part of our exciting journey towards achieving world-class status, we are seeking to appoint a hardworking, determined and inspirational Teacher of Science to join our current department.

The ideal candidates will be enthusiastic about encouraging and enabling students to be independent learners, instilling in them a lifelong passion for science.

The Academy is a "high energy" and rewarding place to work and staff working here can see the positive impact they make on young people. We have a strong belief that if students enjoy learning, they will achieve at a high level.

You will receive first-class support at every turn - This is a fantastic opportunity to join an academy that truly values the development of its staff. High quality personal and professional development is a key reason for our success and we place great emphasis on supporting and developing you throughout your career with us.

We welcome applications from both experienced and Newly Qualified Teachers for this role.
