The Application Form

The application form can be completed in Windows on MS Word and is compatible with MAC in corporation with the Word conversion programme. A PDF version or hard copy is available for applicants, please contact the Human Resources team. The application form cannot be completed on a mobile phone.

The application form will play a key part in the selection process and it is essential that you complete all sections fully and accurately. Please complete the form in typescript or black pen.

Please continue on a separate sheet if necessary rather than attaching a CV, at the top of the sheet include your name, post applied for and the section heading. If any section does not apply to you please write N/A. Failure to complete all relevant sections may result in an application being rejected.

When selecting candidates for interview we base our decisions on the information you have provided. The person specification included within the information pack details the skills, knowledge, experience, qualifications, aptitudes and abilities that are required to perform the tasks of the role. When we read your application form we will be looking for evidence of examples which demonstrate how you meet the criteria in the person specification. You must include sufficient evidence and examples to show that you meet the requirements.

The following notes are to assist you with completing the application form:

Personal Details

Please ensure that any former names are provided where appropriate, for example, maiden name or change of name by deed. If successful in the role official documentation will be required.

For monitoring purposes we would ask that you provide the information requested on the Equal Opportunities Monitoring Form at the back of the application form. Applicants are not required to complete the form but in doing so help St George's Weybridge fulfil its duties under the Equality Act 2010. This form is removed before shortlisting and will be used by the Human Resources Department for monitoring and statistical purposes.
