ABOUT CATERHAM

We are a highly successful and ambitious school but, above all else, Caterham is a warm and welcoming community where each member is nurtured and encouraged to flourish.

We are intensely proud that Caterham School is consistently recognised as one of the leading co-educational schools in the country. We are committed to providing an environment in which all pupils are challenged to be the best they can be, and one in which pastoral care and well-being underpin academic, co-curricular and sporting excellence.

We believe in providing an education for life for all Caterhamians and we seek to ensure that the learning experience at our school blends the best of tradition with the exciting opportunities provided by new technology. Learning how to learn is a key facet of a Caterham education and is an essential skill for life in the twenty-first century. We believe that a truly excellent school is about more than academic

achievement alone: it is also about developing a passion for learning; a capacity for independent and critical thinking; self-awareness and resilience; self-confidence without arrogance and genuine interests that extend beyond the confines of the classroom.

At Caterham School we focus on developing the whole person, aiming to ensure that each pupil leaves here ready for the challenges of life at university and beyond, and understanding their responsibilities towards others. We want our pupils to leave Caterham well equipped to engage positively with a rapidly changing world as accomplished problem solvers and innovators, confident in their ability to lead and with a clear appreciation of and respect for the views and potential of others.

SPORT AT CATERHAM

Caterham aims to cultivate a vibrant sporting culture where every pupil thrives—balancing broad participation with elite excellence to foster a lifelong love of physical activity.

Sport is an essential part of the educational process, built on the belief that engaging in physical activity allows every individual to realise their full potential, both on the sports field and in the classroom. Commitment, Leadership, Wellbeing, Innovation and Sportsmanship are the core pillars of our programme, allowing all pupils to experience success in addition to developing well rounded sportspeople.

At Caterham, we champion a multi-sport model, encouraging pupils to play as many different sports as possible for as long as possible. This approach fosters transferable skills, prevents burnout, and shapes well-rounded, balanced individuals.

We field a full programme of competitive fixtures in our main sports for both boys and girls every Saturday, supplemented by midweek friendlies that give maximum opportunity for competitive play across all ages and abilities, from U12F team up to 1st team. Regular inter-House competitions further promote positive sportsmanship, teamwork, and leadership. Whilst we often achieve competitive success on the field, our focus is always on providing a fun, inclusive environment for players to develop and we are proud of our inclusive ethos. We offer a varied and wide-ranging programme that provides a huge level of participation in sport across the entire school, ensuring every pupil finds an activity they enjoy, thrives in and continues to take part in beyond school.
