## Director of Learning – Science and Technology Faculty

**Information for candidates**  
March 2020

# Introduction from the Executive Principal

Dear Colleague,

**I am delighted that you are interested in a position with The Skinners' Kent Academy Trust.**

The Skinners' Kent Academy is a non-fee paying, co-educational, all-ability secondary school. The Academy is funded by the DfE and sponsored by The Skinners' School, a grammar school for boys together with the Skinners' Company, one of the 'Great Twelve' livery companies of the City of London.

The Academy is founded on the principles of a commitment to ensuring high standards and high aspirations, of active participation, an emotionally rich learning environment and an inclusive culture where every child is known and every learner supported.

The main aim of the Academy is to provide the highest quality of education for students, in Year 7 to Year 11 and the Sixth Form. The Academy is committed to both raising and reflecting the aspirations within the local community and in doing so, providing high quality education and social and economic benefits for all.

The Academy moved into its state-of-the-art new building in April 2013 providing truly outstanding facilities, not only for the Academy's students and staff but also for the wider community. The Academy is consistently a popular choice of parents and continues to expand due to the demand for places. Having been oversubscribed in Year 7 since 2014, 60 additional places have been made available Year 7 students to join the Academy from September 2019 taking numbers from 180 to 240 in the year group and again for 2020. We are delighted that even more students are able to benefit from the exceptional learning environment and opportunities the Academy provides.

In September 2015 the Skinners' Kent Primary School opened and became part of the Trust, relocating to its new site at Knights Wood and is the newest member of The Skinners' family of Schools.

Our schools are supported by an experienced specialist Trust Central Team, providing high quality Finance, HR, Estates, Catering and IT support which ensures smooth running and cost effectiveness. Our Governors seek to ensure that all our young people receive a truly inspiring education and their support, challenge and expertise is greatly valued.

We aim to find and develop everything that is exceptional in each child and let it flourish within a framework of high expectations. We strive to motivate and inspire our students to achieve of their very best and to set course on the brightest of futures. If you have similar aspirations for young people and want to work within a dynamic learning environment where innovation and collaboration are valued, staff development and wellbeing an integral part of the way we work and where the highest standards of everyone in our school communities are expected at all times, then we would be very interested in receiving an application from you.

**Dr Hilary Macaulay**  
**Executive Principal**  
**The Skinners' Kent Academy Trust**

# The Skinners' Kent Academy Trust

**The Skinners' Kent Academy Trust is supported by its original sponsor The Skinners' School, a grammar school for boys in Tunbridge Wells, and the Skinners' Company, one of the original 'Great Twelve' London livery companies.**

The Skinners' Company has long experience of establishing, running and supporting excellent schools, notably in West Kent. The Company is now responsible for seven schools: Tonbridge School, The Judd School in Tonbridge, The Skinners' School, The Skinners' Kent Academy (SKA) and Skinners' Kent Primary School (SKPS) in Tunbridge Wells, Skinners' Academy in London and The Marsh Academy in Folkestone. Skinners' Kent Primary School, which opened in September 2015 is the newest school in the family. It is part of The Skinners' Kent Academy Multi Academy Trust, set up in 2015 to incorporate the primary school with the secondary academy. It opened initially on The Skinners' Kent Academy site, but moved to its own new building in the North Farm area of Tunbridge Wells in September 2016.

The Skinners' Kent Academy is an International Baccalaureate World School, currently offering the Middle Years IB programme (MYP) and the International Baccalaureate Career-related Programme (IBCP).

Skinners' Kent Primary School works alongside The Skinners' Kent Academy to provide an all-through IB ethos by delivering the International Baccalaureate Primary Years Programme (PYP). The Academy also provides support and specialist facilities to the Primary School. The IB is underpinned by a philosophy and determination to develop internationally minded people who recognise everyone's common humanity and are ready to share responsibility to create a better, more peaceful world. The IB Learner Profile is at the heart of our educational philosophy and encourages our pupils and students to be inquirers, thinkers, communicators, risk takers, knowledgeable, principled, caring, open minded, well balanced and reflective.

The Multi Academy Trust (MAT) is governed by a MAT Board, the majority of whose members are also members of the Skinners' Company. The MAT Board determines the vision and strategy for the Trust, and has responsibility for its financial security and probity as well as ensuring the organisation provides excellent value for money in delivering an outstanding education for its students and pupils. Four Committees support the work of the MAT Board, and these comprise a MAT Staffing and Pay and a MAT Finance and Resources Committee as well as a Local Governing Body for both SKA and SKPS.

# Our vision and values

**The Skinners' Kent Academy Trust is founded on the principles of a culture of high standards, high aspirations and active participation, an emotionally rich and inclusive learning environment where every child is known and every learner supported.**

We take pride in our success and to achieve this we set high standards with clear expectations. We focus on encouragement, underpinned by good discipline.

Our mission is clear – to develop a passion for learning and achieving. The Skinners' Kent Academy Trust seeks to create, develop and maintain an education that focuses on providing opportunities for success for all and celebrating

the achievements of everyone in all aspects of life within the Trust. In particular we wish to support young people to recognise the potential that they have, and then to fulfil that potential through every stage of their learning journey.

Staff, students and parents work together to ensure that pride in our success means:

- pride in our **work**;
- pride in our **behaviour and attitude**;
- pride in our **attendance and punctuality**;
- pride in our **uniform and the way we look**;
- pride in a **commitment to learning and achievement**; and
- pride in our **contribution to our community**.

# Royal Tunbridge Wells

**Over 400 years ago a natural spring welled up from the ground and it was named 'The Tunbridge Wells' (the wells near Tonbridge).**

Today our charming historic town, only 30 miles south east of London and a 45 minute train ride from the capital, is close to the unspoilt beauty of the surrounding High Weald Area of Outstanding Natural Beauty (AONB) and boasts the elegant charm of The Pantiles. For years Queen Anne visited, but when Queen Victoria made the town part of her regular holiday sojourns 'Royal' Tunbridge Wells, the town, came into being, hence the addition to the original name.

Royal Tunbridge Wells is highly accessible with excellent schools and a wide range of places to live and types of accommodation, both locally and a short distance away amidst the rolling hills, picturesque villages of Kent and

East Sussex, ancient woods and open heaths. The area is well known for its world-famous gardens, fairy-tale moated castles and mellow country manors. The coast is also a short drive south. Tunbridge Wells is at the hub of a series of roads, the primary ones being the A26, which runs from Maidstone to Newhaven; the A264, which runs from Five Oaks to Pembury (via Crawley and East Grinstead); and the A267, which runs south from Tunbridge Wells to Hailsham. The A21 passes to the east of the town, following the route of its turnpike ancestor, from London to Hastings.

Many professional people move out of London into the area to enjoy the excellent living environment and quality of life whilst also having all the convenience of the major high street and local shops and selection of first-class restaurants, bars and cafes nearby.

## Science and Technology

The Science and Technology Faculty consists of the departments of Science, Design & Technology and Food Preparation & Nutrition; all of which are led by their respective subject leaders and key personnel such as Lead Practitioners and Key Stage Leads.

The Faculty is a dedicated and dynamic team, who are committed to achieving the best outcome for our students. Housed in their own wing of the Academy, excellent facilities support the desire to drive not only each subject individually but also to facilitate a better understanding of our students' ability to make links across the subjects.

Faculty leads work collaboratively supporting the work of the SLT and Academy staff to ensure all students achieve their best, enjoy their school years and have pride in their success. The successful candidate will lead the strategic vision of the Faculty, ensuring the curriculum and student experience prepares our students for their next steps, supporting the development of staff within the Faculty and ensuring excellent progress from all.

### Science

The Science department consists of eight teaching staff and three technicians. There are 8 fully equipped laboratories, with another being opened in September 2020. As a department, Science upholds and instils the ethos of the wider Academy and provides a stimulating learning experience for our students through regular practical and investigatory activities. Students are set according to ability from Year 7, this enables teaching staff to tailor the learning to the individual needs of our students.

Within the Science department we:

- aim to make our students aware of the moral, ethical and cultural implications of aspects of Science;
- set high expectations for all learners and staff alike, recognising and celebrating achievements;
- develop the skills of our students to help them become independent, resilient and self-motivated learners; and
- give opportunities for our staff to constantly develop their practice.

In Years 7-9 students follow the International Baccalaureate Middle Years Programme, with the curriculum covering all three Science disciplines of Science; Biology, Chemistry and Physics. In Years 10 and 11 all students follow the AQA Trilogy Combined Science syllabus with the most able studying the three separate Sciences, with additional science lessons. At Post 16, we currently offer IB Biology

and IB Chemistry at both higher and standard level and plan to offer Physics and an Applied Science in the near future.

### Design & Technology

The Design & Technology team comprises four members of teaching staff and a technician. Currently the Design and Technology department has three fully functional workshops, a preparation room and CAD room. The department currently delivers a range of focus curriculum areas including Graphics, Product Design, Resistant Materials and Textiles from Key Stage 3 right the way through to IB in Sixth Form in lessons of 75 minutes.

High expectations are set within the department for both students and teachers alike. The department is committed to developing the way that it teaches, taking on board new initiatives and experimenting with a wide range of teaching styles and strategies. Currently Design & Technology offers a wide range of clubs in Resistant Materials, Product Design and Textiles which are offered in afterschool sessions. As a department they participate in a variety of competitions such as the RHS Green Plan It and Young Engineers Project.

### Food Preparation & Nutrition

The Food Preparation & Nutrition team comprises two members of teaching staff and one technician. The department currently delivers a range of focus curriculum areas including nutrition, the science behind cooking, designing food products, cooking skills and presenting food products from Key Stage 3 right the way through to GCSE. Professional development of staff is promoted and supported. Performance Appraisal targets are set and training opportunities identified and all staff are involved in the Academy Improvement Planning and Review process.

The department benefits from the very latest teaching and learning strategies and strives to ensure that all teachers are expert practitioners in their field. The facilities the department have, match the Academy's aspiration to link learning to future employment and an understanding of everyday life. Our two teaching rooms are either side of the Academy's working kitchen, allowing students to view the cooking taking place.

## **5 Adapt teaching to respond to the strengths and needs of all students**

- Know when and how to differentiate appropriately, using approaches which enable students to be taught effectively
- Have a secure understanding of how a range of factors can inhibit students' ability to learn, and how best to overcome these
- Demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support students' education at different stages of development
- Have a clear understanding of the needs of all students, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them.

## **6 Make accurate and productive use of assessment**

- Know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements
- Make use of formative and summative assessment to secure students' progress
- Use relevant data to monitor progress, set targets, and plan subsequent lessons
- Give students regular feedback, both orally and through accurate marking within the agreed time, and encourage students to respond to the feedback
- Follow the Academy assessments reporting policies.

## **7 Manage behaviour effectively to ensure a good and safe learning environment**

- Have clear rules and routines for behaviour in classrooms, and take responsibility for promoting good and courteous behaviour both in classrooms and around the Academy, in accordance with the Academy's behaviour for learning policy
- Have high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly
- Manage classes effectively, using approaches which are appropriate to students' needs in order to involve and motivate them

- Maintain good relationships with students, exercise appropriate authority, and act decisively when necessary.

## **8 Fulfil wider professional responsibilities**

- Make a positive contribution to the wider life and ethos of the Academy including co-curricular
- Develop effective professional relationships with colleagues, knowing how and when to draw on advice and specialist support
- Plan with and deploy support staff effectively to engage fully in learning and progress
- Take responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues
- Communicate effectively with parents with regard to students' achievements and wellbeing
- Work with other professionals as needed e.g. speech and language, EP etc.

## **Part two: personal and professional conduct**

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside Academy, by:

- treating students with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position;
- having regard for the need to safeguard students' well-being, in accordance with statutory provisions;
- showing tolerance of and respect for the rights of others;
- not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs; and
- ensuring that personal beliefs are not expressed in ways which exploit students' vulnerability or might lead them to break the law.

Teachers must have proper and professional regard for the ethos, policies and practices of the Academy in which they teach, and maintain high standards in their own attendance and punctuality.

Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.

## **Part three: Year Group Tutor**

The role of a Year Group Tutor is to:

- act as a personal tutor within the house system;
- be responsible for the welfare and academic progress of their personal tutor group;
- act as the first point of contact for parents;
- monitor and improve attendance rates for the tutor group/class;
- be responsible for the Academy's reward system within the tutor group/class;
- meet regularly with the Head of Learning and attend house team meetings;
- support inter-house activities as arranged by the Head of House;
- ensure that students follow the Academy's uniform policy;
- ensure that students follow the Academy's rules and policies; and
- set a good example in terms of dress, punctuality and attendance.

## **Part four: other duties and responsibilities**

- To carry out other duties that the Executive Principal of the Skinners' Kent Academy Trust may reasonably request.

This job description is intended as an outline indicator of general areas of activity and will be amended in light of the changing needs of the Trust. It is expected that the post holder will be as positive and flexible as possible in using this document as a framework.

- **Inclusivity** Our hiring decisions align with our commitment to create a high-quality, diverse workforce.

# Safer recruitment in education: information for applicants

**The Skinners' Kent Academy Trust is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to demonstrate this commitment in every aspect of their work.**

The aims of our Safer Recruitment Procedures are to help deter, reject or identify people who might abuse children or are otherwise unsuited to working with them.

## **What we will provide**

All applicants for all vacant posts will be provided with:

- a job profile outlining the duties of the post, including safeguarding responsibilities;
- a person specification which will include a specific reference to suitability to work with children; and
- a Skinners' Kent Academy Trust application form

All applicants for employment will be required to complete this application form, containing questions about their academic and full employment history and their suitability for the role.

In addition, all applicants are required to account for any gaps or discrepancies in employment history.

## **References**

References will be requested at the selection stage directly from the referee. They will be asked about:

- the referee's relationship with the candidate;
- details of the applicant's current post and salary;
- performance history and conduct;
- any disciplinary action involving the safety and welfare of children, including any in which the sanction has expired;
- details of any substantiated allegations or concerns relating to the safety and welfare of children; and
- whether the referee has any reservations as to the candidate's suitability to work with children.

If the referee has any reservations, the Trust/Academy will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children.

## **Interviews**

At least one member of each interview panel will have completed Safer Recruitment Training. The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

## **Pre-employment checks**

An enhanced DBS check is required for all successful applicants.

Prohibition and overseas checks will also be completed if necessary.

# How to apply

**The closing date for applications is Friday 27 March 2020 at 12 noon. The Academy reserves the right to call for interview on receipt of applications.**

- Application forms must be completed in full and applicants should directly address the skills and experience outlined in the person specification
- An application form is available in electronic format online at **[www.skinnerskentacademy.org.uk/work-with-us](http://www.skinnerskentacademy.org.uk/work-with-us)** and should be returned electronically along with the Equality Monitoring Form by following the instructions in the 'Work with us' section of the website
- The Skinners' Kent Academy Trust will reimburse reasonable travel and accommodation costs to candidates attending interviews. You should retain copies of all receipts in relation to expenses incurred
- For more information about this position, or to have a confidential discussion about the role, please contact Lorraine Barden, HR Manager, on **01892 553031**.

**We look forward to hearing from you.**
