June 2019

Dear applicant

Re: Learning Support Assistant

Thank you for your interest in the above post at our school and I hope that you will find the enclosed information useful.

Being an all-through school means that we provide a continuous learning journey for our students from age 4 to 16 and above. The post of Maths Leader is an opportunity to join a committed and supportive team of staff, and to make a positive contribution to the learning and welfare of all our pupils in their journey through the Lower School.

Preston Manor has a creative climate of success among a diverse and truly comprehensive school community. We are proud of the positive Ofsted report we received in June 2016 judging that we were 'a good school'.

Our children and students respond to the challenges of learning with enthusiasm and excitement and are as keen to succeed as their teachers. Teaching and support staff are committed and hardworking, friendly and sociable and there is a strong emphasis on professional development in an innovative and supportive atmosphere.

I do hope that you will consider applying to join this successful and happy school and look forward to receiving your application.

Yours sincerely

Kevin Atkinson
Head of Lower School
