Inspire Education Trust

Welcome from the CEO

Mrs L Whitehouse
CEO of Inspire Education Trust

It is my pleasure to welcome you to Inspire Education Trust.

At Inspire Education Trust we are passionate about making a difference to the lives of our pupils. They are at the heart of everything we do and we strive to inspire all learners, and want all our schools to be the best they can be and for each and every child, to discover the skills, abilities, talents and interests that lie within them.

We believe in working in partnership, enabling us to ensure all children and pupils achieve their full potential. Our schools know the impact that working collaboratively can bring.

Our schools have a desire to question, change and innovate to ensure that what they provide enables our children to become successful learners, confident individuals and responsible citizens.

At the same time, we recognise the importance for each school to retain and promote their individual identity. Every school has its own context and challenges. This is why we encourage our member schools to lead and manage in a way that preserves that individual identity and responds to the specific needs of their children and community.

The combination of autonomy and collaboration across key areas of leadership and management, underpinned by shared values and best practice is what makes our schools special.

About Inspire Education Trust

Inspire Education Trust is a Multi Academy Trust of Schools that grew from a shared belief that children deserve a first-class education so that each individual pupil understands what they are capable of, what talents they have, and strives for excellence in themselves in order to succeed in the next stage of their education and the world of work.

We understand that every member of staff is here for the best interest of those pupils. We want to ensure that everyone is valued and that the unique identity of each school is protected, celebrated and recognised for the contribution it makes to ensuring children have the best education and experiences.

Our name "Inspire Education Trust" symbolically reflects the beating heart of our Multi-Academy Trust. Our Trust is a community of schools that have shared values and share an essential common ethos and vision for education and learning, as encapsulated in our values.

These values drive our behaviours, decision making and ambitions:

- To be inclusive
- Being self-reflective is essential in encouraging innovation, our Trust is always driven to improve further
- We value strong clear moral purposed leadership
- We are committed to making all children feel happy, safe and secure.
- We believe that all our children are of equal value regardless of their differences and celebrate diversity of our school community.
- We celebrate our national culture and traditions and encourage the children from other cultures to teach us about theirs.

'In all schools across the Trust we show respect towards those of other faiths and beliefs. The Christian faith is also central to the life and work of our Church of England Schools'
