

FURTHER DETAILS

**COMPUTER SCIENCE AND BUSINESS STUDIES at
WIRRAL GRAMMAR SCHOOL FOR GIRLS**

The Computer Science and Business Studies departments are thriving departments where the numbers of students opting to take the subject are consistently high.

We are seeking a dynamic and self-motivated teacher to deliver KS3/4/5 Computer Science and possibly KS4 Business Studies.

The Computer Science department follows the OCR and the Business Studies Edexcel at GCSE and our results are consistently above the national average.

We have very well-resourced departments with the ethos to deliver creative and varied lessons using practical case studies and project based learning. Classroom discussions are considered vital within the subject and draw on real-life examples in order to develop deeper understanding of the subject matter.

The Department makes an active contribution to the school's extra-curricular activities programme with a number of students entering national competitions as well as running lower school activities.

Additional Specific Responsibilities

- a) To be a Tutor to an assigned Tutor Group and to carry out related duties in accordance with the general Job Description of Form Tutor
- b) To make significant contribution to extra-curricular activities
- c) The school has a House system and all staff are members of a House and expected to support activities.

Closing date: Noon on Thursday 30th March 2023

Headteacher: **Mrs. J Ogunmyiwa**
