

SENIOR TEACHER

Dear Colleague,

Thank you for showing an interest in the post of Deputy Headteacher/Senior teacher advertised at St. Peter's CE Primary Academy within the Diocese of Salisbury Academy Trust (DSAT). Should you decide to apply for a position, you will be joining our new school at an incredibly exciting time. As the new Headteacher, I am incredibly excited at the prospect of appointing a deputy/senior teacher with the drive, ambition and skills to help create the outstanding school which our wonderful learning community rightly deserves.

St. Peter's is still currently under construction but will be completed and handed over in July 2018. This gives us the wonderful opportunity to shape the future education for the school from scratch. Although initially only three classes, the school will grow over the coming years to 315 with a possible future phase taking the school to 420.

The successful candidate will be class based with dedicated time set aside for leadership and management duties.

Being committed to excellence, you will be working in collaboration to build strong partnerships with a range of stakeholders, working across the Trust for the growth of thriving Christian learning communities, allowing us to achieve our vision of going 'Beyond expectations for all of God's children'.

We are proud to be a member of the DSAT, which is a strategic and forward thinking Trust that recognizes the needs and challenges across all its academies. You will join a team of professionals who are welcoming, compassionate, highly motivated and will promote high expectations and aspirations at St. Peter's Primary Academy and throughout the Academy Trust.

We look forward to welcoming you to St. Peter's and would highly recommend a visit to the DSAT offices followed by a site visit.

I look forward to meeting with you.

Yours sincerely,

Olli Martindale
Headteacher
