HINCHINGBROOKE SCHOOL – From the Principal

Thank you for your interest in our remarkable school.

Hinchingbrooke is one of the country's largest co-educational secondary schools with a current roll of c.1950 students aged 11 to 18 years and a Sixth Form of 400 students. It is in several senses a unique state school. It is built in the beautiful parkland grounds of Hinchingbrooke House, the former home of the Cromwells and the Montagus. Charles I almost certainly sat at the oak table, now in the Chapter Room, for his meals whilst a prisoner during the Civil War. Several Kings and Queens have graced its rooms, including Elizabeth I, whose arms now are displayed above the bow window. This heritage gives staff and students a very special pride and sense of identity.

The school has retained some of the best features of its Grammar School history whilst addressing the contemporary needs of modern-day students at an all-ability school. The Sixth Form play a very active whole school role and there are many very able post-16 students, as well as those in years 7 – 11, who have a strong sense of community. Participation in House activities and events is both broadly based and highly competitive. There are a significant number of leadership opportunities for students throughout the various student councils and committees and we often use a student panel as part of our interview processes for the appointment of teachers.

Having been an academy since September 2011, Hinchingbrooke was given the go ahead, in November 2017, to set up a Multi-Academy Trust and sponsor one of our feeder primary schools, Cromwell Academy. The **ACES ACADEMIES TRUST** was launched officially on 1st January 2018 and we are expecting another large secondary school and a number of other feeder primary schools, to join the MAT in the first few years.

The post of Assistant principal (Student progress) provides a vital link between the pastoral and academic aspects of the school. The person who holds this post is the first port of call for the Heads of Year and SSOs (Student support officers). You will concern yourself with supporting the management of behaviour, the quality of tutoring, use of tutor time, student communication systems, academic review days, attendance and many other incidental matters that come your way. You will report to, and receive support and guidance from, one of the Vice Principals on a day to day basis and, as a member of SLT, you will be expected to participate fully in all discussions and report to SLT from time to time on all aspects of your remit. A fuller exposition of the role and responsibilities together with a job description can be found later in this pack.

There are many areas in which Hinchingbrooke has achieved excellence including sports and the performing arts and the school is recognised for these in the local community. We have a national reputation for innovation through our specialism in sport; our English department has taken the lead in helping to raise achievement in other schools; Design Technology has triumphed in national competitions; Drama and the performing Arts stage incredibly professional productions and six of our departments contribute to the curriculum ambitions of the Prince's Teaching Institute. At Hinchingbrooke our mission is to ***inspire excellence and fulfil potential*** and for fuller details of our mission and values, please refer to our website.

We enjoy a number of quite outstanding facilities. A thriving Arts curriculum has the use of a professional standard theatre which is also a focal point for the local community. Music and Drama have good specialist facilities. Sports facilities are extensive and include a floodlit all-weather pitch, swimming pool, sports hall, fitness suite, dance studio and large playing fields and pavilion. A new £2.5m Sports Hall was completed in June 2016. Being adjacent to Hinchingbrooke Park allows for sailing and orienteering in another stunning setting. There is a comprehensive website and a fast developing intranet which supports teaching and learning. The school aims to make learning technologically empowered, and supports 'bring your own device' access, so further investment in this important area is planned.

The strength of Hinchingbrooke is founded on the quality of its staff, both teaching and non-teaching. There is a strong relationship with Cambridge University and De Montfort University both for research and ITE. Teaching staff not only mentor student teachers, but also contribute to the broader ITE agenda, actively promoting routes into teaching. Teaching and Learning is at the heart of all we do and the development of pedagogical practice is driven by the four Heads of Faculty along with a very able and creative Teaching and Learning committee. Their work is further underpinned by the 'Teach meet' events, workshops and opportunities offered in our diverse and comprehensive staff development programmes. Teachers are well supported in their task by some talented and dedicated support staff. All staff take pride in our community and are mutually supportive.

The school is inclusive and welcomes fresh ideas and opinions from adults and students alike. Teachers and support staff are equally valued. There is a strong emphasis on professional effectiveness and we aspire to the highest of standards. CPD and professional development is a high priority and we are constantly seeking to find ways to share and spread best practice and to provide opportunities for career progression and professional fulfilment.

Hinchingbrooke School has formed a partnership with The Ivo school in nearby St Ives. Together the two schools support each other with CPD, succession planning, leadership development and in challenging each other to secure improvements in all areas. We also play an active role in the Discovery Teaching School Alliance by co-ordinating school to school support and, from January 2017, hosting the NPQML and NPQSL development programmes.

The supportive Senior Leadership Team is led by the Principal, comprises two Vice Principals, eight Assistant Principals which include the Director of Sixth Form, and a Business manager.

Academically the school is divided into four Faculties as follows:

The Director of Student Services (Assistant Principal) is responsible for the working of two distinct but complementary services: Learning Support and Safeguarding & Inclusion. Another Assistant Principal leads all of our work in teacher training and with the Discovery Teaching School Alliance, whilst the Director of Sixth Form leads our very large and successful Sixth Form of some 420 students.

The Business Manager, who is also the HR and Finance director from the ACES Academies Trust, is the most senior of the support staff and strategically manages many of the non-academic processes and operations including, most crucially, the budget.

The Achievement agenda is informed and promoted through PiXL methodologies, which is led by one of the Vice Principals. Progress in all Key Stages is good with some of the best results coming in the Sixth Form. The vast majority of Sixth Form students progress to University with some successes at Oxbridge and Russell Group Universities. We attract a large number of students from other schools and, with some 420 students, ours is substantially the largest Sixth Form in the county.

Students have a strong affection for Hinchingsbrooke and many are very talented young people. Sixth Form students play a key role in the school by leading the inter-House activities and competitions and by supporting younger classes. Participation levels are high and the school offers a wide range of extra-curricular opportunities to ensure the education of the whole person. Our intake is relatively privileged although there is a significant minority of students from socially disadvantaged backgrounds and the school inevitably has a small number of more challenging students.

Hinchingsbrooke has great ambitions to provide 'premium brand education' and to be a leader in the ACES Academies Trust. We are seeking to recruit high quality staff willing and able to support our ethos and aspirations. We are a dynamic organisation committed to developing all of our staff and we welcome strong applications.

ABOUT THE ROLE: Level 3 Teaching Assistant

The Post

We seek to appoint a well-qualified, professional and versatile Teaching Assistant qualified to level 3 working 32.5 hours term time plus training days, to start as soon as possible.

LEARNING SUPPORT

The landscape for the support of learning is changing in a number of fundamental areas. Expectations over the role of a TA are changing in light of recent research, for example that carried out by the Sutton Trust; funding is decreasing and the nature of special educational needs and disabilities, with a new Code of Practice, has moved away from dedicated hours to a more flexible approach with greater parental choice and a focus on individual student needs and views.

The new structure for Learning Support at Hinchbrook is in response to all of these changes and has been created to support the new structures within Hinchbrook School that is the Schools and Faculties.

The school has created three teams of TAs:

1. A team deployed in the Faculties who can develop specialisms within the subjects so that they can support teachers as para-professionals with a range of students in need of additional support.
2. A team to work in Gateway school with students in danger of exclusion who access 'Alternative provision' and
3. A team in the mainstream school to specialise in supporting SEND students.

TAs in Faculties

The school has 4 Faculties and the following TA posts:

Core	4 TAs 2XEnglish/Literacy 2XMaths
STEM	2X TAs
Global	2XTAs
Arts	2XTAs

All of these TAs are expected to attend department and Faculty meetings and INSET days. They will be expected to have a good level of education themselves and either at or working towards level 3 or beyond. A desire and determination to develop subject expertise will be required. These TAs will be managed on a day to day basis by the Head of Faculty and the Subject Leaders in the Faculty. Their deployment to classes will be administered by the Head of Faculty alongside Department Heads. We want our Teaching Assistants to work alongside teachers as para-professionals by supporting a wide range of students; by supervising/teaching small groups and by supporting teachers with their planning and the differentiating of work to suit individual students' needs. TAs will **not**, in general, be linked to one student as may have been the case in the past.

PREVENTING UNSUITABLE PEOPLE FROM WORKING WITH CHILDREN

The school will operate safer recruitment practices including ensuring appropriate Disclosure and Barring Service checks and reference checks are undertaken according to the DfE document 'Keeping Children Safe in Education' (July 2015).

Any allegation of abuse made against a member of staff will be reported straight away to the Principal. In cases where the Principal is the subject of an allegation, it will be reported to the Chair of Governors.

The school will consult with the Named Senior Officer in the event of an allegation being made against a member of staff and adhere to the relevant procedures set out in Keeping Children Safe in Education (part 4) and the school's Personnel Manual from EPM Ltd.

The Named Senior Officer will advise on all further action to be taken. Please note that the Principal or Chair of Governors should not seek to interview the child/ren involved until advice has been sought. Doing so may compromise any police interviews that may be necessary.

The school will ensure that any disciplinary proceedings against staff relating to child protection matters are concluded in full even when the member of staff is no longer employed at the school and that notification of any concerns is made to the relevant authorities and professional bodies and included in references where applicable.

The school will ensure that all staff, paid and unpaid, are aware of the need for maintaining appropriate and professional boundaries in their relationships with students and parents/carers as advised within the Local Authority's Code of Conduct. As part of the Induction process, all staff will receive guidance about how to create appropriate professional boundaries with all children, especially those with a disability or who are deemed vulnerable. All staff will have read and signed to confirm they have read the DfE Keeping Children Safe in Education (September 2016, part 1) and Working Together to Safeguard Children (March 2015).

The school will ensure that staff and volunteers are aware that sexual relationships with students aged under 18 are unlawful and could result in legal proceedings taken against them under the Sexual Offences Act 2003 (Abuse of trust). Staff will also be made aware as part of Induction about how to report inappropriate sexualised behaviours to the Principal or Designated Person to follow up with Social Care teams. Staff who work within a school have a duty of care to model appropriate social behaviours and to ensure that the professional role of trust is not abused.

RECRUITMENT OF EX-OFFENDERS¹

In accordance with the Criminal Records Bureau Code of Practice this policy is made available to all Disclosure applicants at the outset of the recruitment process. The full CRB Code of Practice is available at www.disclosure.gov.uk.

- As an organisation which uses the Disclosure and Barring Service (DBS), the Governing Body of the school complies fully with the CRB Code of Practice and undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of conviction or other information revealed.
- We meet the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974, all job applicants will be subject to a criminal record check from the DBS before the appointment is confirmed. This will include details of convictions cautions and reprimands, as well as 'spent' and 'unspent' convictions. A criminal record will not necessarily be a bar to obtaining a position.
- We are committed to the fair treatment of applicants, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.
- We promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.
- A Disclosure will only be requested from the DBS for those positions where a Disclosure is required. All application forms and recruitment information will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.
- We encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. This information should be sent under separate, confidential cover. The information will only be seen by those who need to see it as part of the recruitment process.

¹ From the School's Policy statement on Recruitment of Ex-Offenders December 2010

- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
- We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.
- We ensure that people at the school who are involved in the recruitment process have access to professional advice to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance in the relevant legislation relating to the employment of ex-offenders, eg the Rehabilitation of Offenders Act 1974.

Having a criminal record will not necessarily bar you from working at the school. This will depend on the nature of the position and the circumstances and background of your offences.
