

BISHOP'S STORTFORD COLLEGE

ESTD 1868

Cleaner/ Housekeeper (International Summer School)

The feel of Bishop's Stortford College is always forward-looking, recognising from the start the sort of world our pupils will be entering and the skills they need. We are a hard-working, down-to-earth, and highly successful community.

Set on the edge of a market town between London and Cambridge, the down-to-earth atmosphere at our co-educational day and boarding school is the perfect launch pad for outstanding achievement.

WELCOME FROM THE HEAD

Thank you for your interest in working at the College. Since joining here in 2020, I have had the immense pleasure of working with our dedicated and talented team of staff, at the same time as leading our vision for the future.

Bishop's Stortford College is the modern face of independent education. Together we are embarking on a collective strategy that unites staff, pupils and our wider community in delivering academic excellence balanced with personal growth and strong values of decency and kindness. This is what an education for today and tomorrow must deliver.

Underpinning everything is a unique community spirit that enables everyone to succeed, and to be happy doing so. Here, there is a togetherness where none of us is as important as all of us.

We do not look like most schools of our type. We do indeed have the huge campus with wonderful facilities. But we are different in some important ways. I hope that by reading through the following pages and our *Information for Candidates*, you will see this for yourself and consider applying for this role.

INTRODUCTION TO THE COLLEGE

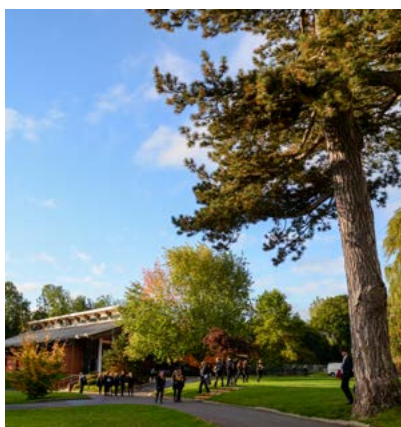

One of the UK's leading co-educational, day and boarding schools, Bishop's Stortford College is a diverse and infectious mix of enthusiasm and dedication, making it an extremely stimulating place to work.

Seen as one College, three schools, there are approximately 1,300 pupils aged 4 to 18 years old on the shared site, blending full, weekly and part-time flexi boarders with day pupils. We offer an academically selective but deliberately broad educational offer that looks to deliver excellent examination results but also an opportunity for individual qualities and character growth in a safe, inclusive and caring community.

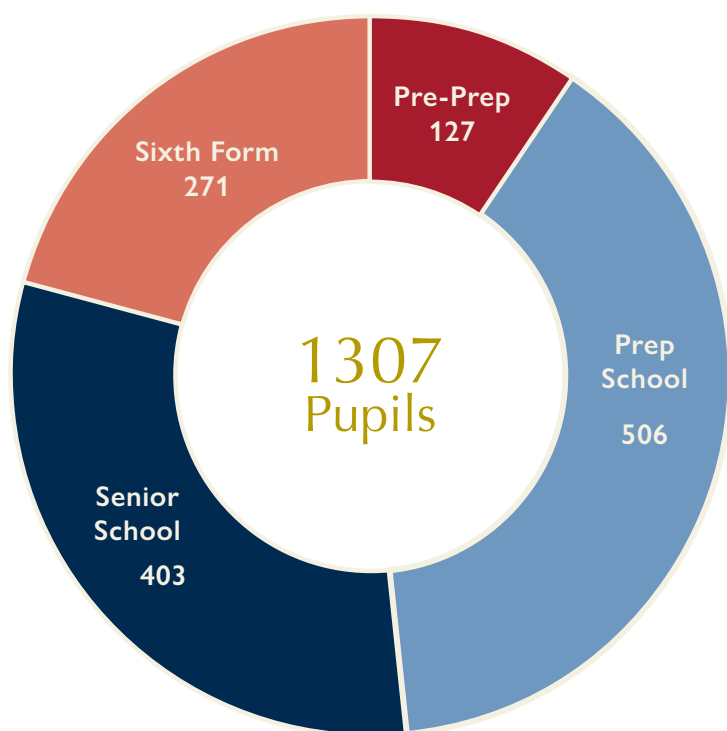

It is the unpretentious and successful delivery of this whole person, ready for the modern world, that allows us to stake claim to being the modern face of independent education.

The Head reports directly to the Chairman of the Governing Council and has responsibility for the whole College, though day-to-day management of the Prep School and the Pre-Prep is delegated to the Heads of those schools. The College Head has day-to-day responsibility for the Senior School. The Head leads the whole College with the support of the Executive, retaining specific responsibility for strategy and related strategic implementation plans, marketing, communications and admissions and development activity. The current Head is a member of HMC.

The College was established in 1868 as the Non-Conformist Grammar School and became Bishop's Stortford College in 1901. The Prep School was opened in 1902 and the Pre-Prep department in 1995, when the school went fully co-educational. The Prep School and Pre-Prep School are now separate with their own buildings, but they make use of facilities shared with the Senior School, including the swimming pool, dining room and playing fields. We continue to improve and enhance our estate. In recent years, there has been extensive renovation of classrooms across all three schools, and this enhancement and development will continue as part of our Estates Master Plan.

Pupils are organised across the three schools, with Music and Sports departments, together with Professional Services, working across all three schools. Professional Services incorporates Admissions, Commercial, Development, Finance, HR, Facilities and Estates, IT, Marketing and the Medical Centre.

As three schools in one, the College is large enough to provide an exceptional range of opportunities, whilst each part is small enough for pupils and staff to be known and valued and feel part of a community.

The College has a forward-thinking approach supported by eight strategic pillars:

- Delivering academic excellence through a modern curriculum
- Developing strong personal values through the provision of outstanding pastoral care
- Finding the best in every pupil by developing every pupil's unique strengths
- Attracting ambitious, enthusiastic pupils and communicating about College life
- Being a great place to work, recognising that staff are the most important resource
- Enhancing the environment through a programme of maintenance and improvement
- Maximising resources to deliver both affordability and teaching excellence
- Inspiring governance and leadership which is accountable, responsible, courageous and has clear vision
