

A black and white photograph of the exterior of John Leggott College. The central focus is a large glass entrance with a curved, overhanging roof. The letters 'JLC' are prominently displayed in white on a dark panel above the glass doors. The building's facade is made of brick, and there are circular windows on either side of the entrance. In the foreground, there are concrete steps leading up to the entrance and some bushes. The overall scene is captured in a professional, clean style.
