4. Transform Trust

We are an innovative Multi Academy Trust, established in 2013. Rebecca Meredith CBE arrived at Sneinton St Stephens C of E Primary as Head in 2002 when the school was in Special Measures and took it on an improvement journey to Outstanding. Building from this, Rebecca founded the Transform Teaching School with initially 10 member schools in Nottingham City, the aim to share and develop school to school support across like-minded professionals. Transform Trust was then founded in 2013, based on the principles of the Teaching School around sharing best practice.

We currently have over 9350 children in 27 Primary schools covering Nottingham, Nottinghamshire, Derby and Derbyshire. We employ over 1410 staff and enjoy a high staff satisfaction rate. We like to think our values and ethos set us apart from other Trusts in that we have a strong focus on empowering our member schools to drive their improvement journey whilst maintaining their own individual identity and community focus.

Our Purpose

To be an innovative and inclusive Trust working for all children.

Our Vision

As a Trust we are committed to transforming the lives of all the children in our schools and enabling them to achieve to their full potential. We recognise that supporting and developing all staff within our schools is vital to that aim. To that end, we have created a nurturing, inclusive culture that places great value on the support, empowerment and development of all staff within our family of schools.

Our Values

Our values are woven into all aspects of our organisation; its strategy, operations and provision, and are a clear and concise articulation of our purpose:

Respect
Kindness
Equity
Creativity

Transform Trust delivers school improvement through strong systems and trusted relationships – bespoke, values-led support that raises standards and celebrates identity. We have cultivated a strong supportive environment for our schools that utilises the collective skills and knowledge of our independent-minded Headteachers and practitioners, enabling our schools to achieve high educational standards.

Centrally, each service area has an Executive Lead responsible for setting the strategy for improvement and development. School Improvement has a team of teaching specialists, Inclusion experts and a highly regarded safeguarding and data protection team. Within the People function, the team drive our Talent strategy, lead CPD and ECT provision across the Trust and ensure wellbeing is woven throughout all our people practices. Transform aims to provide a high quality, innovative and inclusive education for primary aged children in the East Midlands. We enable all schools to flourish in environments where children and adults can build their intellectual curiosity, creativity and character.

The school Partnership groups (North, Central, South and Derby) are designed as networked communities of practice. School leaders work together on agreed priorities, learn from one another's expertise, moderate practice and actively shape partnership projects. The identity and context of each school in the Trust is celebrated and recognised. We believe we are **'united but uniquely different'**. This is reflected in individual curriculums designed to meet school context and underpinned by Trust Curriculum Principles.

With a dedicated Partnership Lead (an experienced Executive Leader), there is structured challenge and support for all schools. Termly Standards Meetings enable a review of shared data, articulation of progress against school priorities, identification of risk/need and informed brokerage of Trust and peer support. Transform Children

Children are at the heart of everything we do at Transform. Our strategic groups and the work undertaken as part of their work has the fundamental purpose of impacting positively for all Transform children. Our adults are supported to be the best they can be so our children can flourish. The strategic groups are made up of the following:

- Trust Guardians group expect all children to be kept safe, happy and successful, whilst adults working in schools are confident and supported. Guardians core function is to review safeguarding processes and procedures. Attendees have a focus on Behaviour; EAL; SEND and Pupil Premium provision too.
- Our Advocates group represent the interests of those people who are key to the work we do for children and adults across Transform. Well-developed systems to gather voice and clear governance structures are in place for effective decision making. There are 6 key strands; CPD; DEIB; Talent; Trade Unions; Governance; ECTs and Family Engagement.
- Our Custodians group ensure children's well-being, holistic development, and equity of experience happens within our Transform community. The key areas of focus are sustainability; Citizenship; Charity; Faith; Parliament and Enrichment.

Children's Parliament

Children's Parliament is made up of two Year 6 pupils for each school. They collect children's voice in their schools through their parliamentary surgeries and collate it across the Trust, identifying key strengths and themes to develop. Parliament is conduit to enable information to flow between children in schools and the Trust and influences Trust strategy, eg the development and delivery of Chilby TV, the yearly children's belonging survey, Good to be Me day and Transform 10 - the 10 activities and experiences that children across the Trust indicated they wanted to undertake before moving to year 7.

The newly created Shadow Board is made up of two parliamentarians from each partnership (North, South, Derby and Central). They gather pertinent information through the work of Children's Parliament and share it with the Transform Trustees, who are responsible for the strategic development of the Trust. This ensures that Trustees are fully aware of what children in our schools really care about and enables them to support and challenge Trust leaders to continue to keep children at the heart of everything that we do.

We host several Trust-wide children's events, including Transform Choir, Science Showcase, Winter Arts Festival, pace ball and girls' football competitions, collective worship opportunities and our yearly children's celebration - our children love connecting with one another, so these events are always lots of fun!

Transform People

Through our Trust, we offer unrivalled opportunities for professional development and networking, from specialist leadership support and coaching for our Headteachers to a wide range of programmes, bespoke individual and team coaching and development and online training materials for teaching and support staff. This is through Transform's unique and highly regarded CPD offer Transform Applied www.transformapplied.co.uk. Professional development is key to our success, and we take adult learning seriously. We work primarily with the National Society for Education for our NPQ provision; and work alongside other strategic partners such as our local universities, to produce bespoke CPD.

Early Career Teachers

We are passionate about developing excellent teachers. Our Trust ECT programme not only nurtures early career talent but inspires it—offering bespoke Transform-only sessions, dedicated wellbeing support, opportunities to build professional networks, and personalised guidance throughout the two-year induction. Additionally, our strong partnership with the Flying High Teaching School Hub and the Education Development Trust (EDT) gives ECTs access to a high-quality, in-person statutory ECTP programme of development and learning. Our aim is to ensure every ECT feels supported, empowered and confident as they begin their teaching journey.

Diversity, Equity, Inclusion and Belonging (DEIB)

Our staff-led DEIB Working Party plays an active role in shaping an inclusive culture across the Trust. The group promotes and champions equity, monitors progress toward our Equality Objectives, and drives positive change by reviewing data, sharing good practice and advising the leaders. Through this work, we aim to ensure every member of our community feels represented, valued and able to thrive.

This appointment is subject to safer recruitment procedures, including satisfactory references, medical, Enhanced DBS with children's barred list clearance, online and social media checks and completion of relevant safeguarding training including Safeguarding Children in Education

All school roles are classed as regulated activity and as such, it is an offence to apply for this role if you are barred from engaging in regulated activity relevant to children

All new Trust employees will be required to complete an **enhanced DBS with children's barred list** check which must be in place before they can start in the role.

The position you are applying for gives you privileged access to vulnerable groups therefore, you are required to disclose all spent convictions and cautions under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. This means that you must disclose spent and unspent convictions other than those which are so "protected".

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance on the filtering of "protected" convictions and cautions can be accessed on the Disclosure and Barring Service or the Ministry of Justice websites.

Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website <https://www.gov.uk/government/organisations/ministry-of-justice>.

Please note that Enhanced certificates may include information relating to a protected caution or conviction if the police consider that it is relevant to the workforce that the individual intends to work in. The schools policies including Child Protection and Safeguarding are available on their website.

Overseas checks

In addition, we will require you to complete a declaration to identify if you have worked outside the UK. If you have lived abroad in the last 10 years for 3 months or more, you will be required to obtain a certificate of good conduct/ police clearance from the countries you have resided in. It is your responsibility to obtain this clearance and at your cost.

Details of how to obtain such a check from the relevant authorities abroad are available online at:

<https://www.gov.uk/government/publications/criminal-records-checks-for-overseas-applicants>

If the country concerned is not listed, you will need to contact the relevant embassy or consulate for further details. Contact details can be found online at:

<https://www.gov.uk/government/publications/foreign-embassies-in-the-uk>

For those that have taught overseas we will require proof of good conduct from the professional teacher regulating authority in the country in which you worked in addition to the Certificate of Good Character/police check.

Social Media checks

In line with Government guidance, Keeping Children Safe in Education, we are required to undertake online searches/ social media checks on shortlisted candidates to identify any information, incident or issue that has happened, which is publicly available online, and that may affect your suitability to work with children or the reputation of the school if you were to be employed.

If you are shortlisted, you will be asked to complete a data consent and self-declaration form which will ask you to provide details of your social media accounts / details of how to find your profile(s) on the internet. Failure to provide us with the information to allow us to undertake such checks will result in withdrawal of the invitation to interview.

Any information found in the public domain that could affect your suitability to work with children or the reputation of the school will be discussed with you and may result in any offer of employment that has been made being withdrawn.
