# Welcome to Ysgol Dinas Brân

Dear Parents/Carer/Visitor

Welcome to our highly successful bilingual School. At Ysgol Dinas Brân we aim to ensure that all our children succeed in a happy, caring and secure environment.

We are extremely proud of our school which achieves high standards through high expectations, excellent teaching and great support for the children.

In our 2018 Estyn report inspectors noted: "Learning managers, with the support of the assistant learning managers and the rest of the inclusion team, work enthusiastically together and offer pupils strong support and guidance. This has had a positive impact on improving these pupils' resilience and wellbeing".

In recent years, our exam results have ranked us amongst the highest achieving schools across Wales. We are constantly striving to further improve to ensure that all our students are leaving Ysgol Dinas Brân with the qualifications and skills to ensure success in their future pathways.

We are a popular bilingual school with approximately 1050 students including a thriving sixth form of 150 students. Our A -Level results are excellent and consistently place us amongst the top A-Level providers, with all students gaining their places at University or higher apprenticeships.

Our successes are founded on a bedrock of strong pastoral care. We support all students as individuals, be they more gifted and talented or students with specific learning needs. All are supported by a form tutor, who works closely with the Learning Manager and an Assistant Learning Manager to provide the best possible care for each child. Our philosophy is simple; we expect each student to work hard, behave well and show politeness and courtesy to others.

Our motto is "Success Through Effort" and we aim for all students to achieve their very best both academically and in extra-curricular life. There are many opportunities to excel, whether through sporting, musical, dramatic pursuits or taking on extra responsibilities such as student council rep or peer mentor.

These are just some of the features that make Ysgol Dinas Brân so distinctive. We offer a wide range of courses at Key Stage 4 and Key Stage 5 creating a rich and diverse curriculum. Through our Welsh medium dimension, around 100 students study their subjects through Welsh. We are proud of our bilingual status, where students and parents can choose a preferred medium for education. We relish the strong international links we have established over a number of years with schools abroad and the Llangollen International Musical Eisteddfod.

Ysgol Dinas Brân is an excellent place for your child's education. If you wish to find out more, please do not hesitate to contact us.

# Learning for Life

At Ysgol Dinas Brân we firmly believe that a student's success is dependent on access to a challenging and stimulating curriculum experience.

We provide a wide range of opportunities and encourage students to become "lifelong learners". Individual learning pathways ensure success.

We carefully monitor, support and assess our students to gauge how they learn best. To ensure they work at a suitable pace and level we organise teaching groups into appropriate sets and work is differentiated accordingly.

At Key Stage 3 all students follow the full range of normal curriculum subjects. Central to these are English and Maths; all students have seven hours of English and Maths per fortnight; students who need extra support in these areas have additional time.

Year 7 students can access musical instrument teaching at a subsidised rate, or in the case of students in receipt of free school meals, free.

At Key Stage 4 students follow a common core of English, Maths, Science, Welsh, RE, PE and Skills Challenge which provides all with a strong foundation for future success. Students also pick three options from a broad range of more than twenty subjects. Students (and parents) receive individualised support in making these choices and we ensure – through the broadest provision – that option choices are appropriate for the individual. All students follow Welsh to GCSE Level. RE is taught to all students in key stage 3 and 4. Parents can exercise their right not to participate in religious education and must do so in writing to

the Headteacher. All students study careers education through PSE and students have individual interviews in key stage 4 and the Sixth Form to support their progression after school.

At key stage 4 some students follow work-related courses and undertake, where appropriate, placements in employment. Ysgol Dinas Brân is committed to promoting the

health, well-being and safety of its learners. The school delivers a well structured personal, social and health education programme to support the emotional and physical well-being of learners.

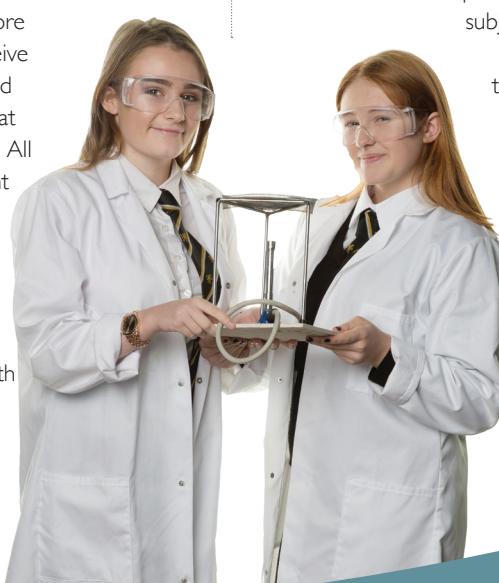

The Sex and Relationships Education Programme within PSE helps learners to understand the emotional and physical development at puberty (Year 7) and the lessons progress to discuss topics such as relationships based on respect and love (Year 7 & Year 8), sexuality (Year 8 & Year 9), consent and the law (Year 8 & Year 9), sexting (Year 9 & 10), conception and contraception (Year 8 & Year 9), abusive relationships (Year 10), the dangers of binge drinking (Year 10 & Year 11) and sexually transmitted diseases (Year 10 & Year 11). Parents may exempt their children from the Sex Education programme by making a formal request in writing to the Headteacher.

The school's efforts in promoting healthy living have been recognised by the awarding of Phase 5 of the Healthy Schools Scheme. ICT is used as a tool to support all learning. Through the programme covered, students are taught to be critical and largely autonomous users of ICT. Specialist packages are used to support the learning in all departments. Students are able to pursue ICT as a subject at GCSE or at A level.

Our international ethos is strengthened through the teaching of French and Spanish.

Homework is an important part of education and integral to a child's success.

We welcome parents' support in ensuring that this is completed to the highest standard.

# Embracing the wider challenges

We are justifiably proud of our strong traditions in extra-curricular activities. We encourage all students to participate in learning beyond and outside the classroom and firmly believe the crucial part it plays in broader educational development. Students have opportunities to join a vast range of sporting activities and teams including 5x60, events at lunchtime and after-school, football, netball, badminton, rugby, dance, multi games and a range of others. There is a broad repertoire of musical activities: we have award-winning choirs and in 2015 one of our ensembles played in the International Eisteddfod.

Around 100 students usually enlist for the Duke of Edinburgh programme and we run regular activities in chess, computing, drama, enterprise and many other areas. In short, there is something for everyone! Our annual production regularly involves over fifty students.

We have close relationships with groups in Llangollen and the broader community and value the partnerships not only with our partner schools but also with business and community groups locally. All our students undertake community service as part of their Welsh Baccalaureate. We also have a vibrant School Council who contribute to the development of the life in the school on a number of levels.

We have strong links through our status as an International School with a range of schools in other countries and there is a wealth of opportunities for students to be involved in this area too. The prestigious British Council's International Award has been won by the school a record five times. Our multi-cultural curricular and extra-

curricular work is second to none. We take our commitment to the environment seriously too, as reflected in our status as holders of the Platinum Eco-Schools Award.

Visits to other countries take place annually with our students travelling all over the world. Recent trips have been to the European Parliament (Strasbourg), Borneo, Czech Republic, Germany, Hungary, Italy, Japan and Spain. Many departments in the school are linked to a country and these links are developing all the time to offer our students an insight into the lives, beliefs and culture of others. Our video-conferencing suite enables us to talk face-to face with our international friends and plan student exchanges. Many international visitors come to our school to develop curriculum links and to take part in arts weeks and festivals. The school is a truly vibrant community.

Our school enjoys a special relationship with the International Eisteddfod, held annually in Llangollen. Many of our students proudly represent the school, undertaking various responsibilities including ushering, programme selling, public relations and acting as hosts/guides for the numerous international visitors. During this week exciting whole school projects are developed with students working in teams to create outcomes with international and cultural themes. Our school has led proceedings, and our choirs and orchestra have welcomed the world to Llangollen.

# Gofalu am eich Plentyn

'Rydym yn ymfalchi o safon ein gofal ar gyfer pob plentyn yn yr ysgol. Yn ogystal â'r tiwtor dosbarth traddodiadol, tiwtor o flwyddyn 7 hyd at y chweched dosbarth, arweinir pob blwyddyn gan Reolwr Dysgu a Rheolwr Dysgu Cynorthwyo sy'n cefnogi ac adnabod pob plentyn yn ogystal â bod y prif bwynt cyswllt i rieni. Mae gwaith a chyswllt agos gyda'n hysgolion bwydo cynradd yn sicrhau bod gennym gyfoeth o wybodaeth am bob disgylb newydd cyn iddynt ddechrau yn yr ysgol, sydd, ynghyd â'r rhaglen gynefinio estynedig yn golygu bod disgylbion yn ymgartrefu'n gyflym. Rydym yn gweithio'n galed i sicrhau bod disgylbion yn teimlo'n rhan o'r ysgol : mae gwasanaethau, ymweliadau, gweithgareddau tîm a chwaraeon i gyd yn cefnogi'r broses hon. Mae'r ymdeimlad o gymuned a chyfrifoldeb o ymwybyddiaeth am eraill yn sylfaenol i'n disgwyliadau o'r disgylbion.

Rydym yn falch o'n gwaith ar gyfer disgylbion gydag anghenion ychwanegol. Mae disgylbion yn derbyn amrywiaeth o gefnogaeth wrth iddyn nhw symud drwy'r ysgol o gwnsela a mentora unigol i gyngor gyrfaoedd a chefnogaeth gyda pharatoadau arholiadau. Rydym yn rhannu'r wybodaeth hyn gyda rhieni a gofalwyr.

Mae gennym Ganolfan Cefnogi Dysgu ac mae'r cyfleusterau ardderchog yma'n cefnogi disgylbion sy'n cael anawsterau mewn addysg prif ffrwd. Cynhyrchir cynlluniau addysgu unigol sy'n canolbwytio'n helaeth ar ddatblygu hyder a'r dyhead i lwyddo. Mae ein Rheolwr Cynhwysiad, Mr Morris, hefyd yn gyfrifol am les plant mewn gofal.

Mae copiâu o'n Polisi Anghenion Addysgol Ychwanegol ar gael yn ôl y galw neu ar wefan yr ysgol, yn ogystal â'n holl bolisiau. Rydym yn gweithio'n agos gydag asiantaethau allanol i gefnogi holl ddisgylbion.

# Caring for Your Child

We pride ourselves on the quality of care for each child in the school. In addition to the traditional form – tutor, from year 7 through to the Sixth Form, each year is led by a Learning Manager and an Assistant Learning Manager who both support and know each child as well as being the first point of contact for parents. Close liaison with our feeder primary schools ensures we have a wealth of information on each new student prior to starting at the school, which, together with an extended induction programme means children settle in quickly. We work hard to make students feel they are part of the school : assemblies, visits, team activities and sport all support this process. A sense of community and a responsibility of awareness to others are both fundamental to our expectations of students too.

We are proud of our work for students with additional needs.

Students receive a range of support as they move through the school from individual counselling and mentoring to careers advice and support with exam preparation. We share information about this with our parents and carers.

We have a Learning Support Centre and the excellent facilities here support students who may have difficulties in mainstream education. Individual education plans are produced and the focus is very much on developing confidence and the desire to succeed. Our Inclusion

Manager, Mr Morris, is also responsible for the welfare of looked-after children. A copy of our Additional Learning Needs Policy is available on request or on the school website, as are all of our policies. We work closely with a large range of outside agencies to support all students.

# Our Sixth Form

The Sixth Form choices are varied, offering scope for our students to specialise in a wide range of fields. AS, A levels and vocational courses are available in a broad range of subjects.

The Learning Centre has been developed with first class facilities, resources and the latest digital technology equipment. There is also a Sixth Form Social Centre where students relax and share time together. Links with colleges and universities are very strong. Our approach to teaching in the Sixth Form ensures that students are both challenged and supported in fulfilling their potential. Enrichment activities flourish in the Sixth Form, with the charity group, International Students' Association and Sixth Form Council making a huge impact on the life of the school. Students work with younger members of the school in mentoring roles, such as reading buddies or sports leaders.

Please see our Sixth Form Prospectus to get the full flavour of Key Stage 5 life in Ysgol Dinas Brân.

“The vision of a school in which “Everyone Matters and Achieves,” is shared by all staff and governors, and is communicated effectively to pupils and parents through documentation and meetings. Communication within the school is effective.”

### **Trefniadau cludiant ar gyfer myfyrwyr Chweched Dosbarth:**

Mae gan ddisgyblion sydd yn byw yng Nglyndyfrdwy, Carrog, Llidiart y Parc, Corwen, Cynwyd a Llandrillo hawl i gael cludiant ysgol am ddim a ddarperir gan Gyngor Sir Ddinbych am mai dyma yw polisi cludiant Sir Ddinbych.

Yn anffodus nid oes gan y rhai hynny sydd yn byw yng Nghyngor Bwrdeistref Wrecsam hawl i gael cludiant am ddim oherwydd gwahaniaeth mewn polisi ers 2015. Fodd bynnag mae sawl gwasanaeth bws ar gael yn yr ardal.

### **Transport arrangements for Sixthformers:**

Sixthform pupils living in Glyndyfrdwy, Carrog, Llidiart Y Parc, Corwen, Cynwyd and Llandrillo are entitled to free school transport provided by Denbighshire County Council as this is Denbighshire's school transport policy.

Unfortunately those living in Wrexham Borough Council are not entitled to free transport due to the difference in policy since 2015. There are however a number of service buses in the area.

Mae holl bolisiâu'r ysgol i'w cael ar ein gwefan, gan gynnwys polisiâu anghenion dysgu ychwanegol, cyfleoedd cyfartal ac lechyd a Diogelwch.

All School policies can be found on our website, including additional learning needs, equal opportunities & Health & Safety policy.
