# Letter from the Principal

Dear Applicant

Thank you for your interest in Exmouth Community College. We have an exciting opportunity for you to join our College and work with highly motivated staff, enthusiastic students, supportive parents and knowledgeable Governing Board. We are a hardworking, dedicated and supportive learning community.

The College is committed to recruiting the very best staff for our young people and as a result I have the pleasure of working alongside a fantastic team of both teachers and support staff. Staff at the College work hard and set high standards for our students and ourselves. Consequently, the College is a stimulating place to work and the professionalism of staff here ensures that the College is constantly moving forward.

We were very pleased with our most recent set of GCSE results in terms of attainment, where 66% of students achieved a pass in English and Mathematics which places us above the national average. Our Progress 8 score increased significantly and, having made changes to our curriculum model that will address this issue we are confident that these changes, alongside our renewed focus on the consistency of our teaching and learning, will result in further improvements to results in the years to come.

2018's Post-16 results were our best ever. Students and staff have achieved a fantastic 97% pass rate and an amazing 20% A\*-A grades, with 70% of all grades being A-C. This is despite new courses making it more of a challenge for both students and staff. Most pleasingly, our value-added measure which shows the progress of students over their time with us was significantly above the national average, leading to almost 25% of our Post-16 students going on to Russell Group universities. I am absolutely delighted that the hard work and ability of our students has reaped such positive rewards for them.

If you are looking for a College which is completely focussed on ensuring consistently great teaching and learning, investing in your professional development, and where your passion and ideas will be welcomed enthusiastically, we would love to hear from you.

I hope that you find the information in this pack to be both interesting and informative. I would also urge you to explore our website to get a deeper understanding of why we are so proud of this dynamic College: [www.exmouthcollege.devon.sch.uk](http://www.exmouthcollege.devon.sch.uk)

Having myself only joined Exmouth Community College in September 2017, I recognise that much time and thought goes into preparing an application which I thank you for in advance and we, in turn, will give your application serious consideration.

If you require any further information regarding the post or the application process, please do not hesitate to contact us.

Yours faithfully

Andrew Davis  
Principal

# The School

Exmouth Community College is one of the largest secondary schools in the country with over 2,300 students currently enrolled (almost 400 of these in Post 16). The College, which converted to Academy status in April 2011, is set in a leafy split-site location.

*Behaviour in lessons is generally good. Pupils told inspectors that there is little disruption in lessons and this was confirmed by the observations that inspectors made.*  
(Ofsted 2017)

The College's mission is to provide a positive, enjoyable and structured approach to learning, where success is rewarded and students' individual aptitudes are given the chance to develop. We are an inclusive school and we pride ourselves on catering for all abilities. We offer a safe, secure, non-threatening environment in which students develop consideration for others, self-discipline and positive relationships. We aim to provide a thorough education which prepares students for their future.

*Pupils conduct themselves well, and so the school runs smoothly on a day-to-day basis. The school is calm and orderly, even when large numbers of pupils are moving around both sites and across the bridge in between.*  
(Ofsted 2017)

Our catchment area extends northwards towards Exeter city boundary and eastwards to include Budleigh Salterton and many attractive rural villages. The College embraces working as part of the community and has strong local partnerships.

As an academy, we have more flexibility in the way we manage the College. The Exmouth Community College Trust is overseen by the Governing Board who are committed to delivering the best comprehensive education for the young people of Exmouth and the surrounding villages.

We believe that young people should be given the opportunity to develop the qualities we expect of good citizens. Our curriculum is broad and challenging; designed to stretch students of all abilities and to provide the widest range of opportunities. The curriculum includes, over and above the normal provision, enrichment, work based learning, Lead Learner and supportive elements; all of which combine to ensure that all students have an opportunity to develop their intellectual and practical skills.

*(Post 16) Teachers have good subject knowledge and well-developed strategies for helping students to make progress. As a result, students are challenged to think deeply about their learning in many subjects.*  
(Ofsted 2017)

*Sixth-form students make strong progress on their courses because they are motivated to succeed and are well taught.*  
(Ofsted 2017)

In addition the College provides opportunities beyond the classroom in: sport, the arts, adventure, travel and more, everything from Rocket Clubs to the Ten Tors challenge and from Public Speaking to a range of visiting authors and speakers.

The school has a strong pastoral system organised on a Key Stage basis and excellent contacts with partner primary schools.

# Our Vision

*Teachers are well motivated. They have welcomed the new Principal's recent initiatives to improve the quality of teaching. They are keen to share ideas and consider how they can accelerate pupils' progress. (Ofsted 2017)*

Our Vision is to create a stimulating, enjoyable and structured learning environment, where success is rewarded and all students and staff can thrive. We want students, staff, parents/carers and the entire Exmouth Community to be proud of their College; for students to make us their first choice for education and, for staff, their preferred place to work. In order to achieve this, we will;

- provide excellent teaching and learning from teachers and staff who relish the opportunity to work in our College, because they feel inspired, valued and supported to do the best they can for their students;
- offer a broad, inclusive curriculum which enriches students' education and provides them with the opportunity to discover, develop and achieve their potential, whether academic, sporting, cultural or aesthetic;
- prepare all students for the next stage of their life;
- provide a safe, secure, environment in which students develop consideration for others, self-discipline and positive relationships;
- strive continuously to establish the best possible site and resources;
- engage with parents and carers, using effective communication channels to ensure that they are well informed, able to support their child's education and have the means to raise any concerns they may have;
- build and maintain links with the wider community to enable them to support the College across a range of activities.

*The leaders of the sixth form demonstrate a genuine passion for the success of all students, no matter what their starting points. (Ofsted 2017)*

## The Area

Exmouth is a town of 40,000+ inhabitants situated at the mouth of the River Exe. As with so much of the South West, employment in Exmouth is largely in the service sector and the College is by far the largest employer in the town. Employers also include primary schools, Exmouth Hospital and a thriving retail and tourist trade.

Exmouth is a very pleasant place to live. It is situated at the start of the Jurassic Coastline which has been officially ranked alongside the Great Barrier Reef and the Grand Canyon as one of the natural wonders of the world. East Devon is an area of outstanding natural beauty.

The town has a marina and the two mile beach front offers a variety of water sports. An indoor tennis centre is attached to the College campus and is used on a daily basis by both the College and the public. Exmouth also has other excellent sporting facilities including a large Sports Centre with two heated pools, fitness suites, squash and badminton courts. The town has a wide range of hotels and restaurants, a number of pubs and night clubs as well as shopping facilities.

On the outskirts of Exmouth is Woodbury Common. It is a huge and beautiful moorland, ideal for walking, riding, mountain biking and picnics. The common is also the home of Woodbury Golf and Country Club offering two golf courses, one to championship standard. Exeter, the capital city of Devon, is just 10 miles from Exmouth and offers a wealth of shopping, sporting, cultural and historic attractions.

*Teachers have positive relationships with their classes and have high expectations of behaviour. Most pupils respect their teachers, and so interruptions to learning are rare. (Ofsted 2017)*

# Introduction to the Design & Technology Department

## Staffing

The Design and Technology Department is a very large, successful, forward-thinking department. It is made up of 10 full and part-time teachers and 4 Technicians. The department has a very strong sense of team spirit, with members working together to evaluate and improve all aspects of teaching.

## Accommodation and Resources

The Technology Department is housed in three separate buildings on both sites. The Engineering building contains a well-equipped engineering workshop, a number of small offices and two multi-material classrooms. The D&T building contains four multi-material workshops, a large storeroom and a technician's prep-room. The Food/Textiles building has three food rooms, three textiles rooms and a prep-room/office.

The department has a wide range of equipment, which includes:

Dehydrator, blast chiller, food processors, computerised embroidery machines, dye-sub machine, welding and casting bay, spot welder, CNC mill, lathes, 3D printers, laser cutter, injection moulder, plastic recycling processor, PCB manufacturing suite.

## Key Stage 3 Curriculum

We offer a wide range of Design and Technology projects in KS3. The year is broken into 4 quarters, with students studying Food technology, Textiles technology and two sections of D&T. The KS3 projects are as follows:

- 7 CAD CAM & Key Fob /Healthy Eating/ Apron/ Graphics
- 8 USB LAMP/ Energy Foods/ Cushion/ Clock

In Year 9 students will choose to study two areas in more depth, those include Art & Design Graphics, Art & Design Textiles, Design Technology, Engineering and Food and Nutrition.

## Key Stage 4 Curriculum

In KS4 we offer a comprehensive selection of L2 subjects:

- GCSE Design & Technology (Eduqas)
- GCSE Food Preparation & Nutrition (AQA)
- Art & Design: Textiles (AQA)
- Art & Design: Graphic Communication (AQA)
- Engineering (BTEC)

## Post 16 Curriculum

Our Post-16 provision is covered by 2 A-levels:

- Design & Technology: Product Design (Eduqas)
- Art & Design: Textiles (AQA)
- Art & Design: Graphics (AQA)
- Engineering.

## Extra Curricular

The department is extremely active with STEM related trips and events. It also runs multiple Textiles-oriented visits, and regularly enters "FutureChef" competitions, succeeding at regional and national level. There are regular museum and gallery trips as well as opportunities to work with industry professionals.

# Job Description

<b>Title:</b>	Design & Technology Key Stage 4 Coordinator
<b>Type of Appointment:</b>	Permanent
<b>Start Date:</b>	1 September 2019 or 1 January 2020
<b>Salary:</b>	MPS/UPR + TLR 2B (£4,530)
<b>FTE:</b>	1.0000%
<b>Reporting to:</b>	Head of Design & Technology
<b>Responsibility for:</b>	Approximately 3 members of staff

## Purpose of the Job

Exmouth Community College is seeking an outstanding, inspirational and dynamic qualified teacher to take on this role. This offers a unique opportunity for an ambitious, creative and enthusiastic individual to develop the KS4 curriculum and assist with the leadership and management of the Design and Technology Department.

**The ability to teach Design Technology and Product Design to A Level is required.**

## Key Stage 4 Coordinator Role:

As defined in the School Teachers Conditions of Service Document and College policy documents, the post holder will undertake a sustained additional responsibility and lead a team of Design and Technology staff and will be supported by the Head of Design and Technology.

### Purpose of the Post

- Undertake a sustained additional responsibility in the Design and Technology Department in order to secure high student achievement, in the context of the College's overall aims and priorities.
- Lead, manage and develop elements of the curriculum in order to have a positive impact on students' educational progress.
- Exercise professional skills and judgements in order to develop and enhance the teaching practice of other staff.
- Provide professional leadership and management of a number of people in the Design and Technology Department, in order to secure high student achievement in the context of the College's overall aims and priorities.

### Key Responsibilities

- Monitor teaching and learning, evaluate findings and act accordingly to improve student progress.
- Use assessment data to track students' progress and moderate to ensure consistency across the team.
- Create and develop schemes of work which take account of new teaching and learning strategies, specialist college targets, differentiation, key transitions and provide opportunities for personalised learning.
- Keep abreast of new developments in the Design and Technology curriculum in order to enhance the teaching of the subject.
- Liaise with the Head of Design and Technology and contribute to the SIP and departmental SEF.

- Provide CPD opportunities for staff through departmental meeting and INSET days.
- Be part of the Appraisal Team, undertaking teaching observations, setting objectives and appraisal reviews as necessary.
- Act as a positive role model for the Design and Technology Department, in terms of leadership and own practice, so that staff have a clear understanding of good professional conduct.
- Take a lead role in extracurricular activities.
- Support the Head of Design and Technology in the day to day running of the team and deputise for the Head of Design and Technology if appropriate.
- Promote equal opportunities so that all learners achieve their potential.
- Ensure high standards of Health and Safety within the Department.
- Any other duties commensurate to the post.

## **Classroom Teacher Role**

The post holder will adhere to the professional duties of a teacher as set out in the School Teachers' Pay and Conditions of Service document and College policies.

### **Key Responsibilities**

- Provide a nurturing classroom and school environment that helps students to develop as learners.
- Help to establish / maintain discipline and good order in the classroom and across the Design & Technology Department.
- Contribute to the effective working of the Design & Technology Department.
- Participate in departmental CPD and undertake professional development as identified.

### **Teaching and Learning**

- Plan and teach engaging and effective lessons that motivate, inspire and improve pupil attainment.
- Use regular assessments to monitor progress and set targets.
- Respond accordingly to the results of such monitoring.
- Ensure that all students make significant and continuing progress.
- Maintain accurate pupil data that can be used to make teaching more effective.
- Identify situations where the Key Stage Co-ordinator or Head of Department needs to be involved.
- Communicate enthusiasm of the subject, and the areas of learning related to it, to students.

### **Department Ethos**

- Have an infectious enthusiasm for the teaching of Design & Technology.
- Ability to initiate curriculum innovation and develop resources.
- Interested and involved in the College's aim to service the needs of the whole community.

# Person Specification

Attributes	Essential	Desirable	How Identified
Qualifications

## Additional Criteria

We have an expectation that all staff employed at Exmouth Community College will:

- Understand and recognise the principles of equality and diversity
- Commit to the safeguarding and welfare of all students
- Commit to regular and on-going professional development
- Commit to high standards
- Demonstrate and promote good practice in line with the ethos of the College

## Important Information

Please read the *Application and Recruitment Guidance Notes* available from the College website before completing your application.

We are committed to providing the best possible care and education to our pupils and safeguarding and promoting the welfare of children and young people, and expect all staff to share this commitment. As part of our commitment, we need to ensure that all potential employees satisfy our employment checks. Please note that where appropriate, shortlisted and/or potentially suitable applicants will be required to undertake further checks. A satisfactory Enhanced DBS Disclosure (with Barred List check) will be required before the successful candidate can commence employment at Exmouth Community College.

## To Apply

Please complete the Teaching application form available from the College website.

Your completed application form should be submitted before 10am on the closing date.
