HUMANITIES FACULTY

The Quest Academy – Coloma Trust has a Humanities faculty consisting of seven full-time specialist members of staff. There are two History, one Geography, three Religious Studies and one PSHCE teachers. All teachers are expected to teach across the age, ability and subject range.

The Humanities area has six dedicated classrooms; each room is fully interactive and very well resourced.

Humanities KS3

Students follow a condensed Key Stage 3 course over two years and each student will follow a differentiated scheme of work in line with the National Curriculum. All Year 7 and 8 students have one lesson of PSHCE and Religious Studies and two lessons of History and Geography per week.

ICT is already used within the faculty and access to a variety of electronic resources is available.

Humanities KS4

Students follow Edexcel board course for History, the WJEC course for Religious Studies and the AQA board courses for Citizenship, Sociology and Geography. Currently, all students in Year 10 and Year 11 complete full course GCSEs in Religious Studies and Citizenship; from Year 9, these are now offered as option subjects along with Geography, Sociology and History.

Humanities KS5

The Academy offers A Levels in Philosophy and Ethics, Psychology, History and Sociology. As the roll grows we would expect to increase the number of options available.
