Deputy Curriculum Leader (Faculty of Languages and Culture)

Teacher of English

For August 2021

We are looking to appoint a specialist, qualified teacher of English language and literature with excellent subject knowledge and the ability to teach KS3, KS4 and KS5 English in our highly successful and collaborative faculty. Our curriculum is dynamic and innovative, taking into account our diverse student body, but is broadly based on the English National Curriculum in KS3. At KS4, pupils take CAIE First Language English and CAIE Literature in English; there is a Second Language English pathway for those who require it. At A Level, we follow CAIE Literature in English. Our curriculum celebrates a love of literature and a discovery of the world through a diverse range of texts.

We are looking for an outstanding colleague with a clear passion and enthusiasm for English; an appreciation of second language learning would be welcome as our faculty includes colleagues teaching French, Spanish, Bahasa Malaysia, Mandarin and Japanese. You should be willing and ready to contribute to our innovative and forward-thinking Language and Culture faculty and work as part of a dynamic team. Although leadership experience would be helpful, we are open to someone new to leadership who exhibits potential. The ability to be a reflective practitioner with a focus on continuous learning and development of practice is crucial.
