

Job Description

Role: Part time Teacher of Mathematics

Reporting to: Head of Mathematics

Your professional duties

The following duties shall be deemed to be included in the professional duties which you may be required to perform:

Teaching and Learning

- Teach Mathematics alongside other members of the Department as organised by the Head of Department, attend regular departmental meetings and discuss with the Head of Department any professional development needs
- Liaise over the preparation and marking of examinations, the delivery of the syllabus and the development of cross-curricular links
- Co-operate in the preparation and marking of classwork and homework
- Work with the Head of Department as their Line Manager
- Be aware of and act on SEND requirements
- Keep abreast of the relevant exam specifications
- Set work if absent from school for medical or CPD reason

Other activities

- Form Tutor
- Attending assemblies, registering the attendance of pupils and supervising pupils, whether these duties are to be performed before, during or after School sessions.
- Promoting the general progress and well-being of individual pupils and of any class or group of pupils assigned to you.
- Providing guidance and advice to pupils on educational and social matters.
- Making records and reports on the personal and social needs of the pupils.
- Communicating and consulting with the parents of pupils or persons or bodies outside the School.
- Participating in meetings arranged for any of the purposes described above.
- Accompanying pupils on trips away from the School.

- Providing or contributing oral and written assessments, reports and references relating to individual pupils and groups of pupils.
- Participating in any arrangements that may be made for teacher appraisal.
- Participating in meetings at the School which relate to the curriculum for the School or the administration or organisation of the School, including pastoral arrangements.

Further training and development

- Reviewing from time to time your methods of teaching and programme of work.
- Participating in arrangements for your professional development.
- Undertaking such training as may be reasonably required by the School to enable you to adapt to the changing requirements of the School and your role or as may be necessary to fulfil the School's statutory or regulatory obligations.

Child protection, discipline, health and safety

- Promoting and safeguarding the welfare of children and young persons for whom you are responsible and with whom you came into contact.
- Maintaining good order and discipline among the pupils and safeguarding their health and safety both when they are on the School premises and when they are engaged in authorised school activities elsewhere.

Public examinations

- Participating in arrangements for preparing pupils for and supervising them during public examinations and providing assessments.

You may be required to undertake such other reasonable duties from time to time as the School may reasonably require.

All members of staff are required to familiarise themselves with the contents of the Staff Handbook and Safeguarding Policies and to abide by the codes of practice they contain.

The school is committed to all safeguarding and promoting the welfare of children and young people and all staff and volunteers are subjected to full safeguarding procedures including DBS.

This job description is not an exhaustive list of all duties and responsibilities. The role may differ to what is outlined in the job description and other duties with this level of responsibility could be permanently or temporarily assigned as part of the job. It is subject to review in line with the development of the school.
