I'm delighted that you've expressed an interest in the position of Chef Manager at Bilborough College. This post provides an excellent opportunity for an outstanding individual to join a successful sixth form college at an exciting stage in its development. This is a great opportunity to join our committed and passionate team.

You will be joining a flourishing institution with strong student outcomes, fantastic enrichment and development opportunities, and an innovative and creative teaching and learning culture. As a result of its excellent reputation, student numbers have grown by over 300 in the last 3 years and the college is expecting to be at a maximum of 2165 students from September 2024.

We are extremely proud that following our latest Ofsted inspection in November 2023, Ofsted rated the College 'Outstanding' for 'Student behaviour and attitudes' and as 'Good' for 'Overall effectiveness.' The college was praised for fostering, "a nurturing and aspirational culture in which students, from many different backgrounds, flourish together" and benefit from "a vibrant, purposeful environment and the diverse and positive culture".

We attribute our success to our committed and talented staff team who are committed to providing the very best learning opportunities and support for the young people we serve.

In November 2019, Bilborough College converted to Academy status and joined the Better Futures Multi Academy Trust, a new Multi-Academy Trust, designed with sixth form colleges in mind and sponsored by Coventry University. This was a natural step in our collaboration with a leading university and other Sixth Form Colleges and provides a unique experience for our students.

Membership of the Trust provides fresh and innovative opportunities for our students that raise aspirations, accelerate progression and ensure even better-quality provision for all students through sharing expertise with new partners. New and high-quality staff development opportunities across the Trust help us to continue to retain talent and to attract the best staff.

You'll be responsible for menu planning, maintaining health and safety standards, managing budgets, and delivering outstanding food that meets the dietary needs and preferences of our students. Bilborough College Overview

Bilborough Sixth Form College came into being in 1975 when it converted from Bilborough Grammar School and the college continues to operate from the same location catering solely for students aged 16-19. The college attracts students from the city of Nottingham and large areas of surrounding Nottinghamshire and south-east Derbyshire as well as the city of Derby.

Having moved into its current, purpose-built campus in 2005 all members of the college community benefit from a bright, modern and well-equipped, purpose-built college campus, located close to junction 26 of the M1 Between Nottingham and Derby.

In November 2021, Bilborough College was successful in its bid to the government's Post-16 capacity fund for a new £3.2 million extension to the current site to provide additional teaching and learning space for students which will help to meet the demand for places at the College. The new college extension opened to students in September 2023 and is home to our Maths, Physics, Electronics and Esports teams. It comprises 3 modern science labs, an E-Sports lab, a variety of general teaching classrooms and additional study IT study space.

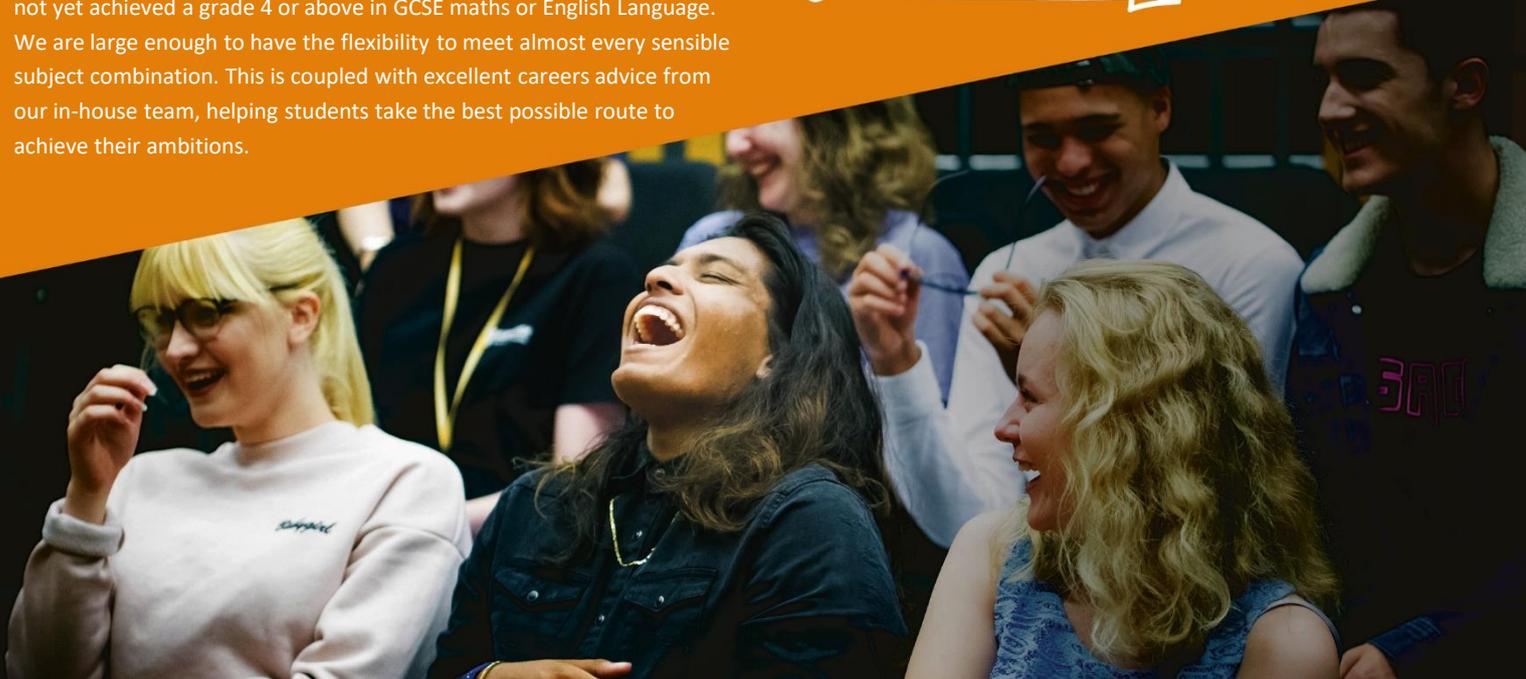

In addition to well-equipped, modern classrooms and science and technology labs, students benefit from fine art and photography studios, a theatre, a dance studio and rehearsal space. There are multiple study spaces including a central library plus distributed break out areas, a student support hub, refectory, cafe and shop as well as a sports centre, gym, playing field and 5-a-side courts.

The college is over-subscribed and has been effective in increasing student numbers, with a steady growth in students over the past few years. We currently have just over 2050 funded students enrolled on 16-18 Study Programmes involving A Levels or BTECs or a combination of the two.

The College has a minimum entry requirement of 5 GCSE passes at Grade 4 and above, usually including maths and English. Beyond that subject entry requirements are set out to ensure that students enrol for courses on which they have the best chance of success. We also provide a very effective resit programme for the small minority of students who have not yet achieved a grade 4 or above in GCSE maths or English Language. We are large enough to have the flexibility to meet almost every sensible subject combination. This is coupled with excellent careers advice from our in-house team, helping students take the best possible route to achieve their ambitions.

“Diversity in not just people, but in the range of experiences to become involved in, makes Bilborough quite extraordinary”

Meegan (Year 12)

Bilborough College Ethos

We are proud that in January 2024, Ofsted recognised the College was OUTSTANDING for behaviours and attitudes of students and as 'Good' for Overall Effectiveness. The inspectors recognised that the college is passionate about our vision for students to "become who you are, become who you want to be" and that students benefit from the "the strong culture of mutual respect and tolerance' and 'feel safe in the calm and welcoming environment."

Students at Bilborough College are "enthusiastic and curious, with exceptional attitudes to learning" and inspectors noted that students describing themselves as "extremely proud to be Bilborough students".

Teachers have high expectations of their students, and they treat students as adults, expecting them to be self-motivated and autonomous in their learning.

We attribute our success to our committed and talented staff team. At Bilborough, expert teachers, specialist 'Skills and Progression' teachers and support staff work together to provide a purposeful learning environment where students can be themselves, are treated as responsible individuals and given the support and challenge they need. We provide a relevant, broad and rich curriculum so that our students can reach their full academic and wider potential while developing the independence, resilience and awareness necessary for success as responsible global citizens.

"Where else would you go for great A-levels other than Bilborough College!"

Poppy (Year 12)

We are proud to be part of a college where everyone can succeed, where students with special educational needs and/or disabilities are very well supported. Although we are larger than a school sixth form, help is always available for students from our dedicated Student Support Team. Each student is assigned a Skills and Progression teacher to provide them with pastoral support and review their academic progress. Students also receive support from the College's Learning Support Team, Student Counsellors, Student Welfare Officer and Student Wellbeing Coaches.

At Bilborough personal growth and skills development are highly valued alongside academic achievement. The Ofsted team were very impressed with our "rich and varied programme of extra-curricular activities" and our "extensive range of progression and work-related activities" which build skills including "problem-solving, resilience and digital literacy" and we are already taking further steps to strengthen guidance for those who aspire to employment at the end of their studies. This all encourages us to continue our mission 'to develop confident, curious, happy students, ready to change the world for the better'."

We are especially proud of our high-quality offer for enrichment and extended studies known as 'Bilborough Xtra' which Ofsted noted offers "useful additional learning opportunities that help students to become well-rounded individuals."

As a result of the high priority we place on preparing students for successful progression, supporting them to develop the necessary skills, attitudes and resilience, a large proportion of our students go on to higher education and the remainder into higher level apprenticeships with high status regional or national employers, employment or further training.

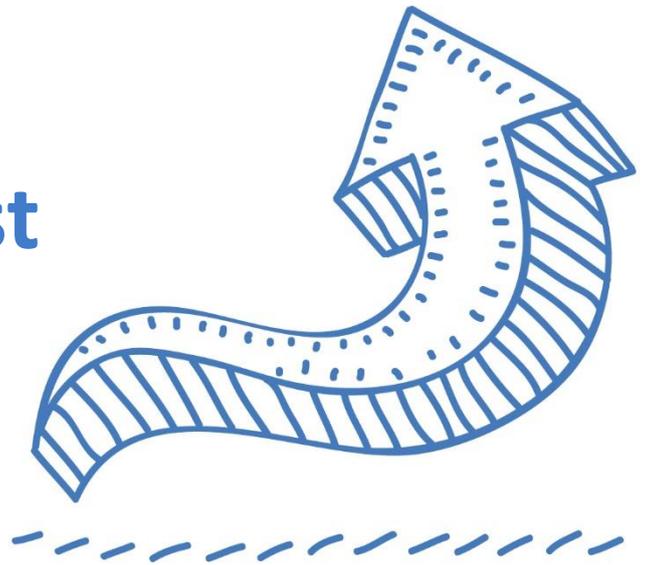

UCAS data indicates that a high proportion of our applicants to higher education are successful in gaining places overall at university.

In addition, the most recent HESA reports show that a high proportion of our alumni who progress to higher education leave university with first or upper second-class degrees (4% above the state sector average for schools and colleges in the most recent data). This is a particularly strong characteristic for those of the college's students who live in areas with low participation rates (3% above the national average in the most recent data).

Why work with us:

Teaching in a sixth form college offers many of the benefits of both the secondary school sector and the Further Education (FE) sector. Bilborough College is an exciting, inclusive, dynamic and hugely rewarding place to work. Here are just some of the reasons why:

Post – 16

It is a particular privilege to focus specifically on the higher order skills and knowledge that make up A Levels and Level 3 Applied Generals. Debate, discussion and exploration of the specification and beyond are what makes teaching post-16 so rewarding.

Behaviour and conduct

Following the College's recent Ofsted inspection in November 2023 which rated the College as 'Outstanding' for student behaviours and attitudes and as 'Good' for overall effectiveness it was noted that students at Bilborough College are enthusiastic and curious, with exceptional attitudes to learning.

We encourage them to not just study, but to contribute and lead in all areas of College life. We offer a wide range of enrichment activities, work experience and College trips. We provide a very positive environment and encourage equality and diversity. We promote high levels of respect and tolerance within the College and deal with very rare instances of misbehaviour easily and rapidly.
