Mandarin Teacher

JOB DESCRIPTION

Mandarin Teacher

The Role

Mandarin at DBS is taught as a specialist subject from Early Years up to A-level. The teacher of Mandarin is responsible and accountable for securing the highest standards of student achievement, specific to the subject, for the students that he or she teaches. This occurs through effective monitoring, evaluation and review of the learning progress and teaching outcomes, and setting targets for improvement.

The Teacher of Mandarin must subscribe fully to the core values of DBS, and understand how academic study, pastoral care and co-curricular activities contribute equally within it. The Teacher of Mandarin will be responsible to the Head of Mandarin & Japanese.

KEY RESPONSIBILITIES

School Values and Ethos

- To actively promote our Unique DBS Vision through enthusiastic participation in all areas of School life.
- To share and support the School's commitment to provide an all-round, outstanding education for all our students.
- To always set high expectations, which inspire, motivate and challenge students.
- To have the highest aspirations for all our students' development and achievements, both in and out of the classroom.
- To offer excellent pastoral care for all students.
- To participate fully in the DBS co-curricular and school activity programme.
- To respect and support Thai culture.

Safeguarding Responsibilities

- To uphold the highest standards of safeguarding, consistently promoting the safety and well-being of all students in line with the school's Child Protection and Safeguarding Policy.
- To be vigilant in recognising the signs of abuse or harm, and to follow all school procedures for reporting concerns about students or adults without delay.
- To ensure that safeguarding is embedded in daily practice, including classroom interactions, co-curricular activities, off-site visits, and digital environments.
- To complete all required safeguarding and child protection training, including regular refreshers, and to remain fully informed of policy updates and expectations.
- To support a culture of openness, fairness, trust, and respect where all students feel safe, heard, and valued.
- To contribute to a shared responsibility for safeguarding by proactively collaborating with colleagues, Designated Safeguarding Leads, and relevant external agencies when appropriate.

Curriculum

- To deliver a broad, balanced and effective curriculum.
- To facilitate and encourage high quality learning which provides children with the opportunity to achieve their full potential.
- To deliver well-planned, engaging and creative lessons, ensuring that the needs of all children are met.
- To differentiate appropriately, using approaches that enable every student to access the learning and make excellent progress.
- To demonstrate excellent subject knowledge in all relevant areas.
- To set students challenging learning and developmental goals, and to draw upon varied strategies, resources and technologies to support students in achieving these goals.
- To follow school procedures for assessing, recording and reporting on students' achievements and to use this information effectively to convey progress in report writing and record keeping.
- To provide students with regular written and oral feedback and encourage them to reflect and respond to their feedback.
- To support the department in promoting Chinese values and Chinese culture, and to support the organisation of Chinese cultural school events.
- To participate fully in the Denla British School co-curricular and school activity programme.

Policies, Procedures and Parents

- To follow and implement school policies and procedures in and out of the classroom.
- To provide a safe, purposeful and well-managed learning environment.
- To prepare assemblies and talks as and when appropriate.
- To value the home-school partnership, working closely with other members of staff to establish and manage good relationships with parents.
- To report to parents on the development, progress and attainment of students, in line with the relevant school and departmental policies.

Teaching and Learning

- To facilitate and encourage high quality learning which provides children with the opportunity to achieve their full potential.
- To ensure effective differentiation.
- To demonstrate excellent subject knowledge.
- To ensure that students are set challenging targets and to draw upon varied strategies, resources and technologies to support students in achieving them.
- To ensure that students are provided with regular written and oral feedback and encouraged to reflect and respond to their feedback.

Commitment to Professional Development

- To take ownership of improving one's own practice while also supporting a culture of collective growth across departments and year groups.
- To engage actively in ongoing professional development, demonstrating a commitment to reflective practice and continuous improvement.
- To take full advantage of in-school training opportunities and contribute to the professional learning culture through collaboration, coaching, or sharing best practice with colleagues.
- To participate in professional learning aligned with school priorities, student needs, and personal development goals, including safeguarding, wellbeing, and intercultural understanding.
- To stay informed of current educational research, innovations in teaching and learning, and subject-specific developments, applying them where appropriate to improve practice in line with the school's .
- To seek and respond to feedback in a professional manner, using it to enhance teaching effectiveness and student outcomes.

Contribution to School Improvement, Innovation and Use of Technology

- To contribute actively to the school's strategic goals and improvement priorities, including those linked to accreditation processes.
- To participate in innovation and development projects that enhance learning, wellbeing, or global citizenship across the school.
- To bring creativity and evidence-informed practice to initiatives that improve student outcomes, teacher effectiveness, or community engagement.
- To collaborate with colleagues in project teams, curriculum reviews, and evidence-based professional learning focused on the school's future aspirations.
- To integrate technology meaningfully into teaching and learning in ways that enhance engagement, creativity, and personalised learning.
- To model and promote ethical, responsible, and safe use of digital tools among students, aligned with the school's digital citizenship framework.
- To stay informed of developments in educational technology and incorporate relevant innovations that support high-quality learning.
- To use digital tools effectively for assessment, communication, collaboration, and resource creation.
- To support the development of students' digital literacy and critical thinking skills, preparing them for life in a connected and rapidly evolving world.
