OUR LEADERSHIP

Firstly, let me start by thanking you for taking the time to read our information pack and allowing us the opportunity to tell you more about The Shared Learning Trust.

I first began working for The Shared Learning Trust as principal of The Stockwood Park Academy in 2009. Since then, the trust has grown from strength to strength, employing some 500 fantastic staff members who serve over 4000 children within our communities. It is my privilege to be CEO of our family of schools and work with each head of school to ensure the best possible education in their own academy.

Our ethos is simple; to build a collaborative partnership of academies and schools that will provide exceptional educational provisions, both in and outside the classroom for all our children. Our academies ensure students are supported, monitored and encouraged, ensuring that their learning experience will be challenging, rewarding and memorable. Students enjoy their time at our academies and give back to the wider community. They are role models and young leaders, who contribute to collegiate ethos with maturity.

We aim to recruit staff who:

- Are excited by their role and by the prospect of working with young people, even those who are less motivated
- Love the processes of learning and teaching and are keen to continually develop their own skills
- Recognise that teaching can be a demanding job and are able to react positively to those demands
- Will subscribe to the ethos of the trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people
- See break duty as an opportunity to talk to children
- Are quick to praise and slow to criticise and are not afraid to admit to seeing themselves as potential leaders of the future

I am conscious that this may be your first contact with our trust and first impressions are very important. I hope what you have read, coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes, Cathy

Cathy Barr,
CEO
