MARCH 2019

TEACHER OF GIRLS' PE WITH SOME HEALTH AND SOCIAL CARE

Thank you for requesting details for the post of Teacher of Girls' PE with some Health and Social Care. It is envisaged that the timetable will be split with the main focus, approximately two thirds, being Girls' PE. This is an exciting opportunity for someone to join a popular and ambitious curriculum area where standards and levels of student engagement are high. This post is required from September 2019 and applications are welcomed from NQT's as well as more experienced colleagues.

The successful candidate will have high expectations and an unwavering commitment to all students maximising their potential through outstanding learning, teaching and support. They will also be expected to contribute to working collaboratively in the PE and Technology departments, as well as towards enhancing our provision for enrichment and intervention.

This is an incredibly exciting time in the school's development. The school has rolled out iPads to all students with the aim of personalising learning and preparing our students for life and work in the 21st Century. Indeed, whilst we have a long history dating back to 1607, we are a modern school with innovation at the heart of our vision as a learning community. We continually advance our curriculum to be responsive to student need, and invest in the professional development of our staff to keep ourselves at the cutting edge of educational development.

We are very proud of our excellent reputation in the local community, as well as the wider Leeds and Bradford areas and pride ourselves on the quality of education we provide to our students. Our Ofsted inspection of March 2017 confirmed us as an 'Outstanding' school in all areas, where students "attain highly and make excellent progress", where behaviour is "exemplary" and where "teachers go the extra mile to make sure students achieve, feel cared for and thrive within a supportive and productive learning environment" (Ofsted March 2017). Our 2018 'A' Level and GCSE results were outstanding: 29% of all A-level entries were at A/A* and 58.25% at A*-B; at GCSE over 38% of all GCSE entries were achieved at A*-A/7+ this year – a 3% rise on last year's IGS results and 17% above this year's national rate, with a very impressive 24% of all entries achieved at the very top level of 9/8/A* - more than double the national rate. This success was also recognised in The Sunday Times Schools Guide 2018 with Ilkley Grammar School named as the top ranked comprehensive school in the north of England.

As a comprehensive academy, our overriding aim at IGS is to ensure that our students achieve everything that they are capable of – their 'Personal Best' - from Year 7 through to Sixth Form and beyond. We recognise every student as an individual, with different needs and talents, and we work hard together to make sure we support and nurture successful, happy and confident learners who achieve in the widest sense of the word, and not just academically.

Staff wellbeing is also extremely important to the school and we have recently introduced a number of extra-curricular, voluntary 'Wellbeing Wednesday' sessions for staff to access across the school year. The school closes earlier for students on Wednesdays in order to accommodate these sessions as well as to facilitate whole school and departmental staff CPD.

If you are inspired by this opportunity and have the qualities to contribute to our high quality provision, then we would be delighted to hear from you.

As part of your **online application** in the Personal Statement section (no more than 2 sides of A4) please explain:

- how your experiences, qualities and skills make you suitable for the post

Closing date for applications is **8am Tuesday 26th March 2019**

Interviews will be held: **week commencing 1st April 2019**

If you do not receive an invitation to interview by 4pm Friday 29th March we regret you will have been unsuccessful on this occasion; may we take this opportunity to wish you every success in your future career.

Department Subject profile – PE

The PE department currently comprises 7 full-time and 2 part-time members of staff, all of whom are PE specialists. The department is a hardworking team of both young and experienced teachers who work together effectively in providing a curriculum which is stimulating and rewarding; we strive to bring out the full potential of all our students through lessons which are active, challenging and fun.

On site, the PE facilities include a sports hall (size of 4 badminton courts), a well-equipped gymnasium, a swimming pool and hard-core areas for 5 tennis/netball courts and 1 outdoor basketball court. The sports field is a short distance from the school and students are transported there by bus. Here there are two football pitches, one rugby pitch and a 3G football pitch with facilities for changing and showering. The department takes full advantage of the adjacent moors for cross-country and orienteering, and by having a close partnership with the local sports clubs, we are also able to make use of their excellent facilities: we use 2 floodlit astroturf hockey pitch at Ben Rhydding Sports Club and also their fully equipped cricket nets; our rugby teams train regularly at Ilkley Rugby Club; our senior students in Years 11, 12 and 13 make weekly visits to Ilkley Tennis and Squash Club as part of their options programme.

The school operates a 2-week timetable and, as a core subject, PE is currently allocated 5 lessons per cycle for each group in Years 7 and 8, 4 lessons per cycle in Years 9 and 10 and 3 lessons per cycle in Year 11. The PE curriculum includes traditional team games, racquet sports, minor games, gymnastics, swimming, athletics and fitness. Years 7-10 are taught mainly in single-sex mixed ability groupings, whilst Year 11 offers several mixed gender recreational options in addition to the more traditional activities.

PE is a popular option at GCSE level and we regularly have over 50 students studying for this qualification. Students currently have 6 lessons per cycle for their GCSE studies and this is in addition to their core PE lessons. At post 16 we currently offer A Level PE which runs alongside BTEC Sport Level 3; students are allocated 10 lessons per cycle. In addition post 16 students are also given the opportunity to complete the Higher Sports Leaders course in enrichment time. We also offer the 'Pre-GCSE PE' course as an additional option for Year 9 students. This has widened the curriculum offer, as well as introducing aspects of theory teaching one year earlier.

The school prides itself on a full and very successful extra-curricular programme for all year groups. Intra and inter school competitions are held throughout the year and both individuals and teams have reached local, regional and national success in several sports. High levels of participation and enjoyment, and the pursuit of excellence are actively promoted throughout the department.

Departmental Subject Profile - Health and Social Care

Level 2 Health and Social have previously had some of the strongest results in the school and we recently moved to the HSC Technical award with Pearson. We deliver both the National Diploma worth 2 A levels and the Extended certificate worth 1 A level at level 3.

In September 2018 we introduced Health & Social Care Level 3 to Post 16 students so this is, therefore, an ideal opportunity for the successful candidate to assume real ownership of this area, supporting the Head of Department in order to further develop effective provision for Level 3 to match that previously seen at Level 2.

There are currently 6 lessons a cycle in Year 10 and Year 11. Class sizes are typically about 15-20 students and all groups are mixed ability.
