Dear Applicant

Teacher of Mathematics

The Governors are looking to appoint a well-qualified and enthusiastic Mathematics specialist, with the ability to teach students up to and including A Level, to this full-time post.

Uniquely set next to nationally known nature reserves in an area of outstanding beauty and the impressive coastline of the Irish Sea, with good commuter links, Range High is a popular and over-subscribed 11-18 community school in Formby. The school has a reputation for high educational standards, firm discipline and a caring ethos which focuses on the development of the individual. The 1112 pupils on roll (including the 6th Form) are drawn from both the immediate and surrounding areas.

The school is flourishing and forward looking with a good track record and a very good reputation in developing the potential of students of all abilities.

Range High School converted to Academy status in November 2011.

Completed applications must be returned to school by either post or e-mail (admin@range.sefton.sch.uk) or via the TES website.
