

## **Burnside Basics**

### **Non-Teaching Staff**

- We demonstrate respect and pride in all aspects of our work.
- We recognise the need to respond to change in a constructive manner.
- We complete all tasks to the best of our ability demonstrating our commitment to our learning.
- We are committed to improve our own practice through reflection, self-evaluation and training to improve personal effectiveness.
- We are a positive role model for all students.
- We endeavour to encourage a purposeful learning environment.
- We help bring learning to life.
- We support the provision of extra-curricular opportunity.
- We insist on high standards of behaviour from students in line with school expectations.
- We use the school's behaviour for learning to manage negative behaviour and to encourage positive behaviour.
- We promote a safe learning environment for all within the college.
- We supervise and support learners around the site.
- We facilitate orderly movement of students around the site.
- We promote constructive relationships with parents and other stakeholders.
