Special Education Teacher

Job summary

Our private elementary and secondary international school is actively looking for a Special Education Teacher to commence immediately. Are you passionate about helping all students reach their potential? Are you interested in joining an organization devoted to helping all children succeed? If so, we want to hear from you. We take our commitment to our students seriously, so we expect you to do the same. Only qualified applicants need apply.

Main Responsibilities

- Create and execute individual education plans for each of the students in your care
- Lead the school-based team meetings (SBTM)
- Build and implement “push in” and “pull out” interventions plans as needed
- Communicate with other staff and family members about each student’s progress and struggles
- Prepare detailed lesson plans and submit them to administrators for approval
- Participate in IEP (individual education plan) meetings as scheduled by the school
- Use individualized reinforcement techniques to keep each student on the path toward greatness
- Invite family members to participate in each student’s educational progress
- Create and distribute progress reports as prescribed by the school
- Confer with on-site therapist over disciplinary and behavioral issues with students
- Create a safe, productive classroom environment

Qualifications and Skills

- Master’s Degree in Special Education required
- At least three professional references
- Experience working with multiple disabilities, including autism spectrum, ADD and ADHD, learning disabilities, developmental delays and abuse/neglect issues
- Positive, compassionate personality
- Ability to evaluate students accurately and objectively
- Excellent communication and teaching skills
