Letter to applicants

Dear Applicant,

Thank you for your interest in both Birchwood High School and the role of Teacher of Art & Textiles. Birchwood High School is a fantastic place to work and I have great privilege to lead an inspired team of staff who are dedicated to the education of our 1400 students. It is a school where we get the balance right between academic progress, pastoral support & welfare and curriculum enrichment. This was reflected in our Ofsted Inspection (June 2019) where we were judged to be 'Good' in all areas.

We are very proud of our inclusive and non-selective ethos, with some students progressing on to the very best universities in the country whilst other students needing significant support to help them progress. It is a 'comprehensive' mix of keen and enthusiastic students who make the days and weeks fly by.

We are seeking a passionate and dynamic teacher to join our team and help drive exceptional outcomes for pupils in Art and Textiles. This role is for a teacher of technology with a specialism for textiles, plus a knowledge of teaching Art.

This role offers an excellent opportunity for the successful candidate to share their expertise, inspire students, and foster a love of the subject. We are looking for someone who is committed to high standards of teaching, with excellent communication skills and the ability to engage students at all levels. Your enthusiasm, creativity, and commitment will be key in shaping the educational experience of our pupils.

If you are a creative and motivated teacher who is passionate about helping students achieve their full potential in Art and Textiles, we would love to hear from you. This is an exciting opportunity to make a lasting impact on the educational experience of our students.

The faculty is well led and the team are enthusiastic, committed and supportive. We have a strong commitment to continuous professional development and teacher work-life balance. For more information about the EPA and the curriculum maps please visit the school website ([here](#)). If you have any further questions about this post, please feel free to email the Head of Faculty, Miss D Morrison on dmorrison@birchwoodhigh.org.uk

To apply, please ensure that when completing the online application form you include in your statement the reason for your interest in the role, what relevant skills and experience you have that will assist you in fulfilling the expectations of the role, your values and why you want to be part of the Birchwood Community.

Applications should be submitted using the **mynewterm** platform no later than **9.00am on Monday 24th February 2025**. Interviews will be held soon after the closing date.

If you would like to find out more about the role and/or arrange an informal visit to the school, please contact Mrs S Wilkinson directly at swilkinson@birchwoodhigh.org.uk.

Yours sincerely

Mr Sam Griffin
Principal

About Bishop's Stortford and Birchwood High School

Bordering the county of Essex, Bishop's Stortford is a thriving, historic and picturesque market town situated in Hertfordshire. The town is served by direct train links into London Liverpool Street, Cambridge and Stansted Airport and the M11, M25, A120, A10 and A414 making Bishop's Stortford easily accessible to Cambridgeshire, London, Hertfordshire, Essex, and Stansted Airport. With such great transport links, easy access to beautiful countryside and a wide range of excellent local primary and secondary schools, it is easy to see why this is a favoured commuter area.

Our School is located in the north-east of Bishop's Stortford, close to the town centre and the train station. It is situated in an attractive open setting within a residential area backing onto mature woodland. Converted to a Single Academy Trust in 2011, Birchwood is a well-established, attractive, all round inclusive, co-educational secondary school and sixth form.

We have a PAN of 240, and a current sixth form of 225, making us one of the biggest schools in the local area. Most students enter our school at Year 7 from primary schools within the town and surrounding area. We work hard to foster good relationships with our local primary schools and a particular emphasis is put on transition to Year 7.

We have great pride in being an inclusive school with an all-ability ethos that respects and responds to the different backgrounds and situations of all our students. We offer a broad curriculum choice and an extra-curricular programme that encompasses the National Curriculum and beyond. It is central to our ethos that the curriculum is accessible to all students and Birchwood has a strong local reputation for SEND provision.

Investment has been made in initiatives to facilitate recovery from the pandemic, these include a whole school literacy programme, now in its second year, and the development of an intervention centre to provide targeted support where it is most needed. Students, staff, and trustees have worked together on recent initiatives to champion equality, diversity, and inclusion, with a particular focus on gender equality as well as LGBTQ+, race and ethnicity, to foster a whole school culture where everyone feels welcome and safe to bring their whole selves to school.

Our school buildings and facilities are modern and well maintained. They include a light and welcoming library, dedicated sixth form centre, cafeteria and kitchens, and a full range of equipment and rooms to support our wide curriculum offer. We also have a modern sports hall and gym, a dance studio, and a dedicated drama studio. Staff have access to a large staff room and shared work area. In addition to the indoor facilities, there are well maintained grounds which include social areas, a 3G AstroTurf pitch and a large playing field for grass pitches and athletics. There is also a detached playing field that offers opportunities for future development. The quality of the facilities and our outward focus means that we have an established busy community lettings programme which includes use by drama, music and sporting groups.

Trustees have recently released reserves of £400,000 to invest in improvements to our buildings and facilities. These have included updating the PC's and computer suite, remodeling our reception area, upgrading some of our toilet facilities and the Personalised Learning Centre - which is our hub for SEND provision. We have also installed new boilers and new CCTV and telephone systems.
