We are a popular and oversubscribed school with approaching 800 students on roll (September 2018). An on-site sports centre opened in September 2015 and we have recently extended the school's dining facilities. All classrooms have interactive whiteboards and teachers are provided with a laptop. Continuous professional development is a priority for all staff at our school.

I enclose a job description and person specification which I hope you will find helpful if you decide to apply for this position. Please keep your covering letter to no more than two sides of A4.
